The Curse of Satan's Collar John W. Miller,2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky

night he couldn't see thought he was blind and had a massive hangover from his Daddy's Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o'clock And did he smell Wow His torn bib overalls were soaked in sour mash Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tried to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn't see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I'm chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a bitch It's my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It's got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man's rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn't matter what direction he walked Finally exhausted he couldn't get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away

Lucrezia Borgia John Faunce,2010-05-05 A fascinating story rich in detail In every case Faunce portrays Lucrezia believably with wit and sensitivity Library Journal Hundreds of years after her death Lucrezia Borgia remains one of the most enigmatic and notorious women of history accused of incest of

poisoning her rivals and even of murdering her own father Born into scandal she was the daughter of the treacherous Cardinal Roderigo Borgia who would later be crowned Pope Alexander VI When her father ascended the papal throne young Lucrezia s life changed forever From then on Lucrezia would be unable to escape the political ambitions of her father and her brother the bloodthirsty Cesare Borgia In an era when the Vatican was as decadent and violent as any royal court Lucrezia was its crown princess Famed for her beauty she was a valuable pawn in the marriage game and Alexander VI would use her to create one alliance after another When her kindly first husband no longer suited the Pope s needs Lucrezia s virginity was restored by papal decree her new maidenhood was declared miraculous and she was married off again this time to a man she truly loved Alfonso Prince of Naples But her joy was short lived Alfonso loathed her brother and refused to participate in the Pope s imperial schemes which threatened to tear apart the Vatican s political alliances and Lucrezia s happy marriage In this unforgettable debut John Faunce perfectly captures the rotten decadence of the Borgias papal court and the inner steel of Lucrezia Borgia one of history s great survivors Fascinating a searing portrait of an intelligent woman cunning enough to shape her own bizarre destiny
