1865 ABRAHAM LINCOLN ASSASSINATED WOMENS FEMINIST MEMBER MARY SURRAT HANGED FOR PARTICIPATION LEADER OF GROUP FOUND HIDING IN VATICAN PAPAL GUARD Before his death Abraham Lincoln made the following statements to his trusted staff It is not against the Americans of the South alone that I am fighting it is even more against THE POPE OF ROME and his perfidious Jesuits and their blind and blood thirsty slaves that we have to defend ourselves The Jesuits have not yet killed me But they would have surely done it when I passed through their most devoted city Baltimore had I not defeated their plans by passing incognito a few hours before they expected me We have the proof that the company which has been selected and organized to murder me was led by a rabid Roman Catholic called Byrne it was almost entirely composed of Roman Catholics more than that there were two disguised priests among them to lead and encourage them Abraham Lincoln And indeed the American Womens Feminist Movement were now linked and involved with the assassination of a sitting President of the United States and with a member of the American Womens Feminist Movement confirmed as guilty and hanged for the assassination of President Abraham Lincoln And then so began the atrocities of the deaths of any elected president that was not a Socialist Democratic and those atrocities and Presidential genocide lasted from 1841 until the final assassination of President Warren Harding in 1923 **Dramatic Compositions Copyrighted in the United States, 1870 to 1916 ...** Library of Congress. The Evolution of Blake's Myth Sheila Spector, 2020-05-04 Interpreting Blake has always proved challenging Hermeneutics as the on going negotiation between the horizon of expectations and a given text hinges on the preconceptions that structure thought The structure in turn is derived from myth a cultural narrative predicated on a particular set of foundational principles and organized in terms of the resulting symbolic form The primary impediment to interpreting Blake has been the failure to recognize that he and much of his audience have thought in terms of two radically different myths In The Evolution of Blake's Myth Sheila A Spector establishes the dimensions of the myth that structures Blake's thought In the first of three parts she uses Jerusalem Blake's most complete book as the basis for extrapolating the components of the consolidated myth She then traces the chronological development of the myth from its origin in the late 1780s through its crystallization in Milton Finally she demonstrates how Blake used the myth hermeneutically as the horizon of expectations for interpreting not only his own work but the Bible and the visionary texts of others as well **Happiness Foowey....Run!**
