*Fighting Satan* Joel R. Beeke, 2015-06-23 In a day when society has in many ways placed itself under Satan's rule when Satanism is flourishing in Western nations when certain branches of the church are preoccupied with deliverance ministries and when others deny the devil's existence *Fighting Satan* is a sober practical perspective on this vital subject Joel R. Beeke states We must know our enemy We must know how to withstand him and what spiritual weapons to take up against him We must defeat him by faith through lives that bear fruit and spread the truth With questions for reflection and discussion at the close of each chapter *Fighting Satan* is ideal for group and individual Bible study

21 of Satan's Schemes, Tricks, and Devices Gwen Richardson, 2016-05-14 so that Satan might not outwit us for we are not ignorant of his devices 2 Corinthians 2:11 The above scripture is well known among most Christians yet its meaning escapes many within the body of Christ It has been my observation that in the new millennium Satan and his minions are indeed outwitting us as most Christians appear to be clueless about Satan's schemes tricks and devices Satan's schemes are designed to lead us into sin and keep us mired there Moreover in utilizing his tricks his intentions are to render us ineffective in our own faith walk as well as in leading others to Christ In this era of special effects and technological advances Christians may expect Satan's existence or appearance to be a dramatic one similar to what they have seen in Hollywood films Some incorrectly perceive Satan or the devil to be in human form wearing a red suit having horns atop his head and holding a pitchfork Others imagine Satan as a yellow eyed winged creature with talons as portrayed in end time prophecy novels But instead of appearing in a vivid conspicuous way the devil manifests inconspicuously and subtly through evil forces and spiritual wickedness especially in high places This book describes twenty one of Satan's schemes tricks and devices however this list is not by any means all inclusive The schemes that are listed are ones I identified following months of intense Bible study Before we explore these schemes however a thorough understanding of Satan and his characteristics is required first
