foreword by John M H Lindbeck **Transformation in Russian and Soviet military history ,** *Civil-military Relations*
In Communist Systems Dale R. Herspring,2019-04-11 This book represents the first attempt to deal with the problem of how
to conceptualize the civil military relations of communist systems within a common intellectual framework The opening
chapters present three major constructs originally designed for analyzing civil military relations in the USSR the interest
group approach the institutional congruence approach and the participatory model In subsequent chapters the utility of these
approaches is tested against a wide variety of communist systems including those of Cuba the USSR China Romania Hungary
the GDR and Poland In probing these issues for the first time the authors shed considerable light on the transnational
differences and similarities among communist systems and the dynamics of civil military relations in all communist systems
