Satiric Vision Of Blas De Otero:

The Satiric Vision of Blas de Otero Geoffrey R. Barrow, 1988 Transparent Simulacra Robert C. Spires, 1988 The development of basic textual strategies in Spanish fiction from 1902 to 1926 is the focus of this study Challenging traditional views of the relationships between the literature produced by the Generation of 1898 and the Spanish vanguard movement Spires traces through analyses of select works a process of evolution beginning at the turn of the century and continuing into the 1920s Spires demonstrates how the somewhat tentative strategies of the first decade became more daring in the second As opposed to the extant historical autobiographical and thematic surveys of this period Transparent Simulacra features structuralist and post structuralist readings of fiction by Baroja Azorín Unamuno Pérez de Ayala Gómez de Serna Jarnés and Salinas These approaches offer not only revisionist views of a literary period but also revisionist readings of some of Spain's best known fiction *Historia y crítica de la literatura española: Epoca contemporánea, 1939-1945* Francisco Rico, 1991 Esta obra quisiera mostrar una imagen nueva de la literatura española un panorama no compuesto ya de resúmenes y catálogos de datos sino formado por las mejores páginas que la crítica moderna desde las perspectivas más originales y reveladoras ha dedicado a los aspectos fundamentales de la historia literaria de España de las jarchas a nuestros días El núcleo de *Historia y crítica de la literatura española* es una selección de los trabajos de mayor importancia sobre cada tema publicados en los últimos decenios y aquí dispuestos sistemáticamente para proporcionar una visión cabal de los grandes autores propiamente literarios y más diestra en relacionarlos con la trama entera de la historia Junto a ese núcleo cada capítulo ofrece una presentación general de la materia abordada y por otra parte un balance ricamente informado de los estudios sobre la cuestión con una rigurosa guía a la bibliografía pertinente *World Literature in Spanish* Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However *World Literature in Spanish* An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro-Hispanic texts children's literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration **World Literature Today**, 1990 *Twentieth-century Spanish Poets* Jerry Phillips Winfield, 1994 Profiles more than thirty Spanish
