Excerpt from *Satyagraha in South Africa* Shri Valji Desai's translation has been revised by me and I can assure the reader that the spirit of the Original in Gujarati has been very faithfully kept by the translator. The original chapters were all written by me from memory. They were written partly in the Yeravda jail and partly outside after my premature release. As the translator knew of this fact he made a diligent study of the file of Indian Opinion. And wherever he discovered slips of memory he has not hesitated to make the necessary corrections. The reader will share my pleasure that in no relevant or material particular has there been any slip. I need hardly mention that those who are following the weekly chapters of *My Experiments with Truth* cannot afford to miss these chapters on Satyagraha if they would follow in all its detail the working out of the search after Truth. SATYAGRAHA IN SOUTH AFRICA M. K. GANDHI, 2018 *Satyagraha, M.K. Gandhi in South Africa, 1893-1914* Constance DeJong, Philip Glass, 1983 *Gandhi's Experiments with Truth* Richard L. Johnson, 2006-01-01

This comprehensive Gandhi reader provides an essential new reference for scholars and students of his life and thought. It is the only text available that presents Gandhi's own writings including excerpts from three of his books: *An Autobiography*, *The Story of My Experiments with Truth*, *Satyagraha in South Africa*. *Hind Swaraj*, *Indian Home Rule*, a major pamphlet *Constructive Programme*, *Its Meaning and Place*, and many journal articles and letters along with a biographical sketch of his life in historical context and recent essays by highly regarded scholars. The writers of these essays, hailing from the United States, Canada, Great Britain, and India, with academic credentials in several different disciplines, examine his nonviolent campaigns, his development of programs to unify India, and his impact on the world in the second half of the twentieth century, and the beginning of the twenty-first. Gandhi's *Experiments with Truth* provides an unparalleled range of scholarly material and perspectives on this enduring philosopher, peace activist, and spiritual guide.
