woman at once idealistic and elitist fearless and vain perceptive and brilliant **Sustainability** Heather M. Farley, Zachary
A. Smith, 2020-03-31 In this second edition the authors present new developments in the sustainability discussion and argue
that a new understanding of sustainability is needed if we are to truly serve future generations ecologically economically and
equitably Despite the great flurry of activity around sustainability the concept itself remains highly contested This book
argues that a new conceptualization of sustainability is needed if we are to achieve a healthful and sustainable environment
for the long term The authors examine the uses misuses and abuses of sustainability and provide case studies of faux
sustainability in practice Seeking to redefine and clarify the concept and its application they offer a new definition of
sustainability what they call neo sustainability to help guide policies and practices that respect the primacy of the
environment the natural limits of the environment and the relationship between environmental social and economic systems
Offering a comprehensive view of sustainability this text is essential reading for all students and scholars in the field It will
