M.D., 2011-06-08 Deepak Chopra M.D. has emerged as one of the most powerful leaders in the revolutionary field of mind body medicine His extraordinary bestseller Quantum Healing explored the mind's connection to seemingly miraculous cures for cancer and other serious illnesses Now in Unconditional Life he undertakes an even greater challenge to explain how consciousness can lead the way to total freedom and perfect health Unconditional Life brings together disciplines ranging from modern physics and neuroscience to the ancient traditions of Indian wisdom to show how our perceptions create our reality for good or ill and how the outside world can be shaped by altering the world within In a book filled with hope and inspiration Dr Chopra offers compelling proof of the power of consciousness and a daring new vision of our own unlimited potential

*Peace Is the Way* Deepak Chopra, M.D., 2005-03-08 Deepak Chopra's passionate new book Peace Is the Way was inspired by a saying from Mahatma Gandhi There is no way to peace Peace is the way In a world where every path to peace has proved futile the one strategy that hasn't been tried is the way of peace itself We must not bring one war to an end or thirty Chopra tells us but the idea of war itself How can this be done By facing the truth that war is satisfying and then substituting new satisfactions so that violence is no longer appealing War has become a habit We reach for it the way a chain smoker reaches for a cigarette promising to quit but somehow never kicking the habit But Chopra tells us that peace has its own power and our task now is to direct that power and multiply it one person at a time Behind the numbing headlines of violence running out of control there are unmistakable signs of a change Chopra believes that a majority of people are ready to see an end to war Right now 23 million soldiers serve in armies around the world Can't we find ten times that number who will dedicate themselves to peace A hundred times Peace Is the Way challenges each of us to take the next leap in personal

evolution You aren't asked to be a saint or to give up any belief You are only asked to stop reacting out of fear to change your allegiance from violence to peace In a practical seven step program Chopra shows the reader how to become a true peacemaker Violence may be innate in human nature but so is its opposite love The next stage of humanity the leap which we are poised to take will be guided by the force of that love This is more than a hope or an aspiration It is a new way of being in the world giving each individual the power to end war in our time      **Brotherhood** Deepak Chopra, Sanjiv Chopra, 2013

this process the reader's thought patterns are literally transformed causing a permanent shift in perception. These exercises are a modern version of Gyana Yoga, India's ancient Yoga of Knowledge, long considered the most direct path to attaining enlightenment and immortality. As you go through the pages of this book, you will find a series of sentences that will serve as primary statements or insights. Each statement also may be regarded as a sutra or a koan. As you consider the meaning of the sentence and pay attention to it, eventually a flash of insight will come into your awareness. As a result of that epiphany, your awareness and your experience of yourself and of the world will begin to change, and you will begin to slowly experience a state of joyful carefreeness and love that will stay with you more and more.

Deepak Chopra      *Power, Freedom and Grace*  
Deepak Chopra, MD, 2011-07-08. This book captures the essence of all of my talks over the last 20 years. It is the distillation of almost everything I have taught up to now.

Deepak Chopra considers the mystery of our existence and its significance in our eternal quest for happiness. Who am I? Where did I come from? Where do I go when I die? Chopra draws upon the ancient philosophy of Vedanta and the findings of modern science to help us understand and experience our true nature, which is a field of pure consciousness. When we understand our true nature, we begin to live from the source of true happiness, which is not mere happiness for this or that reason, but true inner joy. When we know who we are, we allow the universe to flow through us with effortless ease, and our lives are infused with power, freedom, and grace.

*The Daughters of Joy* Deepak Chopra, 2002. Struggling writer Jess Conover needs a job. But when he meets lovely willowy Elena on a cold November night in Boston, he is swept into an age-old mystery. Instead, since this woman who talks so knowingly about love is the leader of a mystery school going back many centuries.
