 illustrious House of Saud Radical Islam and International Security Efraim Inbar,Hillel Frisch,2007-12-12 This book serves
 as a welcome addition to the intellectual and policy debate on the nature of the radical Islam phenomenon and how to
 respond to it The collection analyzes the phenomenon of radical Islam the challenges it poses to international security and
 the strategic responses available *Political Authority, Social Control and Public Policy* Cara E. Rabe-Hemp,Nancy S.
 Lind,2019-07-04 This edited collection examines the intersections of social control political authority and public policy
 providing an insight into the key elements needed to understand the role of governance in establishing and maintaining
 social control through law and public policy making **Awakening Islam** Stéphane Lacroix,2011-04-15 With
 unprecedented access to a closed culture Lacroix offers an account of Islamism in Saudi Arabia Tracing the last half century
 of the Sahwa or Islamic Awakening he explains the brand of Islam that gave birth to Osama bin Laden one that has been
 exported and dangerously misunderstood around the world *Democratization and Authoritarianism in the Arab World*
 Larry Diamond,Marc F. Plattner,2014-04-01 Three years after the first mass protests of the Arab Spring senior scholars
 weigh in on how democracy is faring Beginning in December 2010 a series of uprisings swept the Arab world toppling four
 longtime leaders and creating an apparent political opening in a region long impervious to the third wave of democratization
 Despite the initial euphoria the legacies of authoritarianism polarized societies politicized militaries state centric economies
 and pervasive clientelism have proven stubborn obstacles to the fashioning of new political and social contracts Meanwhile
 the strong electoral performance of political Islamists and the ensuing backlash in Egypt have rekindled arguments about the
 compatibility of democracy and political Islam Even though progress toward democracy has been halting at best the region s
 political environment today bears little resemblance to what it was before the uprisings In Democratization and
 Authoritarianism in the Arab World leading scholars address the questions posed by this period of historic change in the
 Middle East and North Africa This volume includes chapters examining several broad themes the region s shifting political
 culture the relationship between democracy and political Islam the legacy of authoritarian ruling arrangements the strengths
 and vulnerabilities of remaining autocracies and the lessons learned from transitions to democracy in other parts of the world
 It also features chapters analyzing the political development of individual countries Algeria Bahrain Egypt Jordan Libya

The Many Faces of Political Islam, Second Edition Mohammed Ayoob,Danielle Nicole Lussier,2020-01-03 Analysts and pundits from across the American political spectrum describe Islamic fundamentalism as one of the greatest threats to modern Western style democracy Yet very few non Muslims would be able to venture an accurate definition of political Islam Fully revised and updated The Many Faces of Political Islam thoroughly analyzes the many facets of this political ideology and shows its impact on global relations

How the Internet is Changing the Practice of Politics in the Middle East Joseph W. Roberts,2009 This book examines the socio economic and socio political factors that make modern information technology a useful and viable tool for expatriate political and social movements in dealing with the rigid state control of the traditional media in the Middle East

Global Middle East Asef Bayat,Linda Herrera,2021-02-23 Localities countries and regions develop through complex interactions with others This striking volume highlights global interconnectedness seen through the prism of the Middle East both global in and global out It delves into the region s scientific artistic economic political religious and intellectual formations and traces how they have taken shape through a dynamic set of encounters and exchanges Written in short and accessible essays by prominent experts on the region Global Middle East covers topics including God Rumi food film fashion music sports science and the flow of people goods and ideas The text explores social and political movements from human rights Salafism and cosmopolitanism to radicalism and revolutions Using the insights of global studies students will glean new perspectives about the region

Houses built on sand Simon Mabon,2020-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license The events of the Arab Uprisings posed an existential challenge to sovereign power across the Middle East Whilst popular movements resulted in the toppling of authoritarian rule in Tunisia Egypt and Yemen other regimes were able to withstand these pressures This book questions why some regimes fell whilst others were able to survive Drawing on the work of political theorists such as Agamben and Arendt Mabon explores the ways in which sovereign power is contested resulting in the fragmentation of political projects across the region Combining an innovative theoretical approach with interviews with people across the region and beyond Mabon paints a picture of Middle Eastern politics dominated by elites seeking to maintain power and wealth seemingly at whatever cost This for Mabon is a consequence of the emergence and development of particular visions of political projects that harness or

marginalise identities communities ideologies and faiths as mechanisms designed to ensure their survival This book is essential reading for those interested in understanding why the uprisings took place their geopolitical consequences and why they are likely to happen again **The Political Economy of Gulf Defense Establishments** Zoltan Barany,2021-02-18 The six monarchies on the Arabian Peninsula have devoted enormous sums to defense in past decades Nevertheless the gap between their expensive armaments and their capacity to deter aggression and or project military strength has narrowed but little in that time This Element takes a political economy approach and argues that structural factors inherent in the Gulf states political systems prohibit civilian oversight of the defense sector and are responsible for this outcome Lax restraints on military outlays in turn enable widespread corruption lead to large scale waste and account for the purchasing of unneeded unsuitable and incompatible weapons systems The Element explores the challenges caused by plummeting oil prices and the resulting budget cuts and considers the development of domestic defense industries in Saudi Arabia and the UAE intended as a part of their economic diversification program The setbacks of the Saudi led coalition s on going war in Yemen starkly illustrate the narrative Beyond Human Rights and the War on Terror Satvinder S. Juss,2018-10-26 This edited collection provides a comprehensive insightful and detailed study of a vital area of public policy debate as it is currently occurring in countries across the world from India to South Africa and the United Kingdom to Australia Bringing together academics and experts from a variety of jurisdictions it reflects upon the impact on human rights of the application of more than a decade of the War on Terror as enunciated soon after 9 11 The volume identifies and critically examines the principal and enduring resonances of the concept of the War on Terror The examination covers not only the obvious impacts but also the more insidious and enduring changes within domestic laws The rationale for this collection is therefore not just to plot how the War on Terror has operated within the folds of the cloak of liberal democracy but how they render that cloak ragged especially in the sight of those sections of society who pay the heaviest price in terms of their human rights This book engages with the public policy strand of the last decade that has arguably most shaped perceptions of human rights and engendered debates about their worth and meaning It will be of interest to researchers academics practitioners and students in the fields of human rights law criminal justice criminology politics and international studies **An Introduction to Islam in the 21st Century** Aminah Beverly McCloud,Scott W. Hibbard,Laith Saud,2013-01-02 This engaging introduction to Islam examines its lived reality its worldwide presence and the variety of beliefs and practices encompassed by the religion The global perspective uniquely captures the diversity of Islam expressed throughout different countries in the present day A comprehensive multi disciplinary and global introduction to Islam covering its history as well as current issues experiences and challenges Incorporates key new research on Muslims from a variety of countries across Europe Latin America Indonesia and Malaysia Central Asia Directly addresses controversial issues including political violence and terrorism anti western sentiments and Islamophobia Explores different responses from various Islamic communities to globalizing trends Highlights

key patterns within Islamic history that shed light upon the origins and evolution of current movements and thought **The Silent Revolution** Khawla Mattar, May Seikaly, 2014-12-31 How immune is the Gulf region to the changes that have engulfed the Arab world since 2011 This volume responds to this question by examining the impact of the Arab Spring on Gulf regimes and societies and contributing to debates on political participation and citizenship sectarianism gender and identity formation as well as the role of the media in exposing the paradoxes of the Gulf system and its relationship to international political actors **The Oxford Handbook of Contemporary Middle-Eastern and North African History** Jens Hanssen, Amal N. Ghazal, 2021 Features a mix of junior and senior scholars based in the Middle East South East Asia Australia North America and Europe Develops multidisciplinary approaches to history including environmental studies social anthropology law gender political science sociology religious studies and media studies Book jacket
