Saul Bellow The Problem Of Affirmation:

Saul Bellow Chirantan Kulshrestha,1980

Saul Bellow and American Transcendentalism Mohammad A.

Quayum,2004 *Saul Bellow and American Transcendentalism* explores Saul Bellow's moral and philosophical affinity with the writers of American transcendentalism especially Emerson and Whitman. Its focus is on the vintage Bellow or his mature novels from *Henderson the Rain King* 1959 to *The Dean's December* 1982. In these novels Bellow highlights a moral crisis arising from humankind's despiritualization and dehumanization which he believes is responsible for an ongoing dichotomy in the modern world. Bellow describes this as a dichotomy of the Cleans and the Dirties in the context of American culture. To rectify this dichotomy and redeem humankind from its current death-ridden state, Bellow and his protagonists advance a vision of life that corresponds to the transcendental vision of dialogue and double consciousness or coordination and balance. Like Emerson, they advocate 'The mid world is best'. A man is a golden impossibility; the line he must walk is a hair's breadth. Comparable to Whitman, they urge the individual to knit the knot of contrariety and act as an arbiter of the diverse. The Woman in the Novels of Saul Bellow Ram Prakash Pradhan,2006. The book presents in brief a critical study of Saul Bellow's vision of woman in general. As the novelist has presented a variety of women having contradictory traits, any attempt at flat generalisation has been considered forbidding. In spite of his Jewish lineage and specific Jewish themes, Saul Bellow has established himself as a humanistic and conscientious American novelist. Hence such conception as popular in Jewish tradition that his woman characters must occupy a subordinate place and their freedom of mind shall be restricted seems to be futile. Far from being misogynous as it is sometimes alleged by a few critics, his vision of woman appears to be balanced, objective and free from personal prejudice. The book is a valuable study on Nobel Laureate Saul Bellow and all those who admire his works would find it interesting and useful as it will enable them to see his characters from a different perspective. Students and also the teachers of English literature will find it highly informative.

The Critical Response to Saul Bellow Gerhard Bach,1995-10-30

Though one of the most significant American writers of the 20th century, Saul Bellow has continually elicited conflicting responses from critics. Some critics have seen him as America's greatest contemporary writer while others have discounted him as discouragingly redundant. Not even his novel *Herzog*, generally considered his worthiest achievement, has gone unchallenged. The expansion of critical theory in the last decade has added to the controversy over Bellow's works. The reviews and essays gathered in this volume illustrate the many disparate critical responses and approaches to Saul Bellow over the last 50 years, from the late 1940s into the 1990s. Representative samples of criticism from the earliest reviews to the most recent assessments trace the different critical phases and approaches to Bellow's work over time. The selections included also reflect larger trends in literary criticism over the last half century and chart the history of the critical community's response to Bellow. The selections are arranged chronologically in clusters devoted to particular works. **The**

Absurd Hero in American Fiction David D. Galloway, 2014-06-30 When *The Absurd Hero in American Fiction* was first released in 1966 Granville Hicks praised it in a lead article for the *Saturday Review* as a sensitive and definitive study of a new trend in postwar American literature In the years that followed David Galloway's analysis of the writings of John Updike William Styron Saul Bellow and J D Salinger became a standard critical work an indispensable tool for readers concerned with contemporary American literature The *New York Times* described the book as a seminal study of the modern literary imagination David Galloway himself an established novelist later extensively revised *The Absurd Hero* to include authoritative discussions of more than a dozen novels which had appeared since the first revised edition was released in 1970 Among them are John Updike's *Couples* *Rabbit Redux* and *The Coup* William Styron's *The Confessions of Nat Turner* and *Sophie's Choice* and Saul Bellow's *Mr Sammler's Planet* and *Humboldt's Gift* Through detailed analyses of these works Galloway demonstrates the continuing relevance of his own provocative concept of the absurd hero and provides important insights into the literary achievements of four of America's most influential postwar novelists [The Routledge](#)

A Room of His Own Gloria L. Cronin, 2001-01-01 The world of Saul Bellow is peopled largely by men often intellectuals who manifest Bellow's unique conception of American masculinity In this timely analysis of the Bellow oeuvre from a feminist perspective Gloria Cronin offers a stunning and insightful critique of the Nobel Prizewinning novelist Drawing on her comprehensive knowledge of Western thought and Western philosophical tradition Cronin also incorporates the brilliant insights of French feminist theory on Western male philosophers into her critique Cronin's mastery of these intellectual traditions informs her fruitful examination of Bellow's explicit dialogue rich consideration of his misogyny and the many masculinities he presents Cronin demonstrates how Bellow's almost exclusively male protagonists simultaneously search for and destroy a lost feminine essence that they yearn for and in so doing create their own prisons She also looks at the self irony pervading Bellow the comic dimension of his character's gender struggles and the spiritual sensibility that attempts to reach beyond gendered and other paradigms of selfhood *A Room of His Own* makes an extraordinary contribution to gender studies of masculinity and its formations [Encyclopedia of the American Short Story](#) Abby H.
