Savage Kiss:

Savage Kiss Elena M. Reyes, 2022-12-29 There's a shift in the warm air It's pleasant and strumming over my nerve endings as the low clack of heels greets my ears I don't turn to face her when she's close Instead I inhale deeply and the sweet scent of freesia overtakes my senses Like a vine wrapping around me it binds my limbs while I throb for the petite beauty with a hunger that's near maddening I want to eat her alive Consume and gorge myself on what's been denied to me for so long My bunny will never leave me again This book contains dark elements that some readers might find triggering These men are brutal and unapologetic please read at your own discretion **Savage's Woman** Loki Renard, 2014-02-20 Over the past few years smart mouthed savant Zora Matthews has been kidnapped incarcerated soundly spanked and forced to work for both the government and rogue mercenary forces alike It's been a rough ride for the independent and oh so rebellious brat who bows to no man save one Now she's free and finally with the hard nosed military man who started the whole troublesome saga by snatching her out of her life and putting her firmly over his knee As long as they keep their heads down they can live a normal life or so they think It turns out that being normal is much more difficult than either Zora or Savage anticipated When the military discovers their location and Zora and Savage must leave their simple life go on the run one last time she can't help but notice that he doesn't seem to mind too much Whilst hiding Zora has to face the issues they've both been avoiding Can they ever run far enough to escape the government And does Savage really want to In the fast paced hard hitting conclusion to the Military Discipline series Zora and Savage must face the ultimate obstacles to their love themselves *Savage Kiss* J. Woods, 2017-10-23 He wasn't so easy to forget It had been fifteen years since Paige Hunter had been back to Vancouver and for good reason With news of her father's passing she has no choice but to return to the city she'd once called home and face the betrayal of a man who once held her heart He thought it would be easy to leave As a commanding member of Savage Security Aiden Savage knows that love requires sacrifice What Aiden doesn't know is that he is a marked man While trying to tame his desires Aiden vows to right his wrongs with the only woman he's ever fallen for Caught in a tangled web of violent vengeance Aiden and Paige find themselves thrust into a nightmare more dangerous than either of them can imagine He's the only man she's ever loved but he'd broken her trust and her heart Can Paige get over the past in an effort to save them both **Barker: Plays Eight** Howard Barker, 2015-01-08 The Trojan legend and the character of Helen form the basis for *The Bite of the Night* As with all Barker's mythical and historical works it is overlaid and undermined by a contemporary narrative in this instance the search for the origin of the erotic undertaken by the redundant university teacher Dr Savage and his nihilistic student Hogbin Through all twelve Troys Savage and Helen struggle with a passion both intellectual and physical and the idea of beauty is refined to a terrifying degree In *Brutopia* Barker's controversial portrait of the humanist Thomas More is shaped around his strained relationship with his daughter Cecilia here discovered to be the author of a counter text to her parent's infamous *Utopia* Cecilia's wit and cruelty mark her out as one of

Barker's least compromising and heroic young women *The Forty* is a significant departure from Barker's dramatic practice his investment in language reduced to a few phrases which punctuate detailed scenes of conflict and solitude Physical movement and intense concentration on gesture show the author's flair for visuality in a new and surprising way The theme of sacrifice features increasingly in Barker's theatre and in *Wonder and Worship in the Dying Ward* it is a mother's refusal to apologize for an act of passion notwithstanding the dire consequence for her own child that is at the heart of the argument Set in a home for terminally ill patients many of whom create a hilarious chorus around the protagonists *Wonder and Worship in the Dying Ward* shows Barker's imagination in its most startling form

Savage Kiss Lena Pierce, *Savage Kiss* is book 1 of the *Shattered Hearts MC* trilogy Books 2 and 3 *Reckless Kiss* and *Burning Kiss* are available everywhere now I took her unprotected just to keep her safe I'm holding her here under the president's orders But the fiery mystery that drove Meghan into my arms has hidden layers I never expected She doesn't want my help but she's getting it anyways We'll find the answers she wants Then I'll pin her down and take what I want too **DIRK** When your MC president gives you a job you do it No questions No dallying Just get the sh*t done But when the job turns out to be snatching up his baby sister and keeping her under my eye things get a little more interesting It doesn't hurt that Meghan is a stone cold fox with the temper to match She's feisty I like that in a woman It makes it all the more fun when I break them But what was supposed to be a simple bodyguard job turned into exile and war as we run from the men who seem to want her dead Protecting your mark is never easy but it's even harder when I'm dying inside to get my hands on her curvy little frame Every time she smiles at me I feel emotions bubbling to the surface Things I haven't felt in years Things that make me want to break all the rules to make her mine F*ck it all I've decided I want her in my arms And I don't care what I have to do to keep her there **MEGHAN** I left behind everything to make a life for myself The biker world has long since receded in my rearview mirror Now all I want is piece in my little corner of the city No war no choppers no dead bodies Just quiet Calm Gratitude But I soon learn that it's not so easy to escape the outlaw lifestyle My brother the one who refused to give up his biker ways when I left calls me out of the blue His voice is different than I remember Darker Deeper More haunted and cruel He tells me I'm in danger Whether I like it or not he's pulling me back into the world of the *Shattered Hearts MC* He says it's for my own good But the man he sends to collect me doesn't seem good at all In fact he's the definition of a bad boy **Dirk Dvorak** is everything I ran away from Massive muscled tatted and terrifying But he keeps making me react to his presence in ways I never anticipated He takes what he wants And gives me only what I beg for I'm forced to watch from within the MC clubhouse as my little store goes up in flames No one seems to give a d*mn about finding out who wanted to hurt me so bad Not even my dear brother No one that is except for **Dirk** And the longer I spend on the hunt for answers with the biker bad boy by my side the more I find out about the man he truly is And the more I fall deeper and deeper down the rabbit hole I tried so desperately to claw my way out of

Eight White Nights André Aciman, 2010-02-02 A LUSHLY ROMANTIC NOVEL FROM THE AUTHOR OF CALL ME BY YOUR NAME Eight White Nights is an unforgettable journey through that enchanted terrain where passion and fear and the sheer craving to ask for love and to show love can forever alter who we are A man in his late twenties goes to a large Christmas party in Manhattan where a woman introduces herself with three words I am Clara Over the following seven days they meet every evening at the same cinema Overwhelmed yet cautious he treads softly and won't hazard a move The tension between them builds gradually marked by ambivalence hope and distrust As Andr Aciman explores their emotions with uncompromising accuracy and sensuous prose they move both closer together and farther apart culminating on New Year's Eve in a final scene charged with magic and the promise of renewal Call Me by Your Name Aciman's debut novel established him as one of the finest writers of our time an expert at the most sultry depictions of longing and desire As The Washington Post Book World wrote The beauty of Aciman's writing and the purity of his passions should place this extraordinary first novel within the canon of great romantic love stories for everyone Aciman's piercing and romantic new novel is a brilliant performance from a master prose stylist
