Christian Marriage and Family Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality

Christian Marriage David Michael Thomas, 1992 This book represents a theology of marriage It is not intended as a manual for solving marital problems or as a self help guide on how to improve one's marriage Rather its basic goal is to bring forward into our time with all its uniqueness and peculiarities major insights of the Christian faith as they relate to married life Through the love of wife and husband woman and man through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple's collaboration with God's creative power in bringing new life into the world through the spirituality lived in transforming creation the sacrament of marriage brings the Spirit of God into the world Each couple has the power to block this process but what is more important to affirm is their capacity to advance it And it happens From Chapter 1

Christian Marriage Today Joseph A. Buijs, 1985 This study examines the historical sociological legal philosophical and theological background of modern attitudes toward sexuality and

marriage Today's Parish ,1988 The Catholic School Harold A. Buetow,1988 **Library Journal** ,1983 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately The Catholic Periodical and Literature Index ,1988 **Igbo Christian Rite of Marriage** Patrick Chukwudezie Chibuko,1999 The problems arising from the separate celebrations of traditional marriage and church wedding in the Igbo Church of Nigeria are the main objectives of the proposed Rite The Igbo Christian man and woman require the traditional marriage and the church wedding to be considered as husband and wife The important fact is that marriage for the Igbo people even for some Christians among them is the traditional marriage In such traditional marriages today experience shows that in addition to Christians and Non christians the clergy are very often present not only to grace the occasion by their presence but also to say the opening prayer prayer over the kola nuts and sometimes also the closing prayer and give the blessing The obvious questions arising from these separate celebrations call for attention and review in the light of the on going liturgical inculturation and the provisions made by the reformed liturgy of the Second Vatican Council Is it then possible to evolve a unique Rite whereby the two celebrations can be validly and lawfully celebrated in one ceremony Such a Rite would be required not only to be fully cultural and truly Christian but above all acceptable by both the culture and the church The Igbo Christian Rite of Marriage is therefore a concrete proposal

Beyond Anger Carolyn Osiek,1986 Presents a case for the role of women in the Church that would both be relevant to the modern feminine consciousness and yet be able to live with the many aspects that are traditional and sometimes male dominated Back cover **American Book Publishing Record** ,1984 **Angry Catholic Women** Andrew M. Greeley,Mary G. Durkin,1984 **Fault Lines** Tish Langlois,1997 In this courageous book Tish Langlois challenges Catholic liturgy and ideology that benefits men at the expense of women and children Through a gendered division of labour and a rigidly defined sexuality Catholic culture can foster sexual abuse within Catholic families Working from the premise that sexual justice for girls and women is attainable she exposes the power relationships that promote female obedience to the male head within families and the church In conversations with survivors of sexual abuse she traces the fault lines in each of these women s lives that moment of realization when each of them understood that what happened to them was seriously wrong Sexual justice Langlois argues is not an impossibility but something all women and men within Catholicism should strive to achieve **Subject Guide to Books in Print** ,1993 **Subject Guide to Forthcoming Books** ,1983 Presents by subject the same titles that are listed by author and title in Forthcoming books **Forthcoming Books** Rose Arny,1985 *Whitaker's Books in Print* ,1990 **Religious Books and Serials in Print** ,1982 Books in Print ,1982
