Reflecting Clearly Through every moment and every aspect of our lives we have moments that we may regret or that we may
embrace But when we reflect on the moments of our past they either bring smiles to our faces or tears running down them
To reflect means to think deeply and carefully about Clearly means to in such a way as to allow easy and accurate perception
or interpretation Use the source to gather what you have reflecting clearly When you re clearly reflecting you re thinking
about moments in time that meant something to you and without a doubt you remember them to the very moment that it
happened Sometimes that s all life is a series of moments though it is true to cherish every single moment whether it s good
bad or indifferent they belong to and at the end of the day I don t want to rip that from you *September. A rural poem.*
