Save The Horses Sarhc2004:

Rescue Horse Shannon Jett, 2015-02-16 Shelby Davies can't wait for the first show of the season. She's moving up to a new division and she's mounted on the very talented Arabian mare Arwen. But then Arwen gets hurt and everything. Shelby has been working so hard, for suddenly comes crashing down. To help pass the time while Arwen is healing, Shelby starts to volunteer at the local horse rescue. She can't believe the hidden talent that is waiting inside the rescue's stable. With the first show rapidly approaching, will Shelby be able to find something that will take her to the next level? And will Arwen ever get better? Save the Horses Michael Chapa, 2012 *Wind, Wild Horse Rescue* Denise F. Brown, 2012-03 *Wind Wild Horse Rescue* is an adventure about America's wild mustangs and their dangerous plight for survival and potential elimination forever from public lands. In today's world, horses are not a necessity for work or transportation as they once were in the days of the Wild West. Unwanted horses are often abused, abandoned, or worse. Handling and management of the wild herds and the inhumanity of the slaughterhouse debate has several sides, making the future of the wild mustang questionable. This book reveals many of life's challenges to wild horses through the eyes, ears, and senses of a young colt named Wind, who is chased by a helicopter and captured in a roundup. The names are fictitious; the events are real. The author hopes the world will realize wild mustangs should be treated humanely and allowed to live on the public lands that have been set aside for them. Together, we must ensure future generations of American people will be able to enjoy and love them as living treasures and not just in the movies. The author, Denise F. Brown, grew up next to several horse farms. Her love for horses and animals and her talent as an equine artist gave her the courage to write and illustrate this book. Wind has over 100 beautiful equine sketches and paintings by Denise F. Brown. **Horse Rescue** Whitney Sanderson, 2014-11-28 Follows 10-year-old Treasure as she finds a new home at Little Brook Farm, finds new horse and human friends, and a new purpose to her neglected life.
