## **Saving Your Child's Mind:**

Keeping Your Child in Mind Claudia M. Gold, 2011-08-30 Being understood by someone you love is one of the most powerful feelings at all ages For a young child it is the most important of all experiences because it allows the child's mind and sense of self to grow In the midst of the perennial concerns parents bring to Dr Claudia Gold she shows the magical effect of seeing a problem from their child's point of view Most parenting books teach parents what to do to solve behavior problems but Dr Gold shows parents how to be with a child Crises are defused when children feel truly heard and validated this is how they learn to understand and eventually control themselves Dr Gold's insightful guide uses new research in developmental psychology and vivid stories from her practice to show parents how to keep a child in mind and deepen this central relationship in their lives
