Four Moments of Aesthetic Experience Bryan Counter, 2025-04-15 This book examines the question of aesthetic experience in the novels of Joris Karl Huysmans Marcel Proust Tom McCarthy and Rachel Cusk in order to propose a reconsideration of aesthetic experience informed by literature and philosophy in equal measure The introduction suggests an alternative four moments of aesthetic experience to Kant's four moments of aesthetic judgement derived in part from my four literary authors respectively curation quietness violence and disconnection Taken collectively the four moments show the danger of becoming too invested or interested in aesthetic experience as well as patience and openness toward the creative act of writing While these four moments are not meant as determinations taken together they offer a picture of aesthetic experience as involuntary subject to chance and resistant to calculation on the part of the aesthetic subject Besides contributing to the scholarship on each of the four novelists this book advances a theory of the aesthetic that shifts away from the framework of judging objects to focus instead on experience and how it is articulated both within and beyond literature It is here that the theory of aesthetic experience benefits from literature's singularity no one text or passage can serve as an example that would adequately circumscribe the field of aesthetic experience just as no one philosophical example could and yet the reflective nature of the literary text demands a rigorous look at aesthetic experience without the restrictions of a totalising philosophical system The two negative moments represented by Huysmans's *Rebours* and McCarthy's *Remainder* besides ending poorly for the protagonists wind up with a foreclosure of aesthetic experience For Huysmans's Des Esseintes who attempts to sustain aesthetic experience at will via curation the fantasy falls apart leaving him ill and necessitating his dreaded return to society For McCarthy's unnamed narrator who is engaged throughout the novel with various projects of re-enactments the story ends violently with bloodshed and a plane hijacking Theoretically these novels provide a cautionary tale about the impulse to seek out and even domesticate the aesthetic object On the contrary the two positive moments represented by Proust's *Recherche* and Cusk's *Outline* trilogy each involve narrators and characters who are invested in the creative act of writing Two particular critically underrepresented passages from Proust can help articulate the quiet moment of aesthetic experience without relying on works of art they are theoretically compelling in their refusal to theorise themselves unlike the more popular passages from the novel Cusk's novels present the moment of disconnection that is the sense of an experience being dislodged from any particular narrative or plot And yet each of the characters in question are creative writers meaning that this everyday feeling of alienation tends to factor into a productive artistic impulse In conclusion these four moments are tied together as they pertain to the nature and boundaries of aesthetic

experience in general Just as Kant's four moments of aesthetic judgement seem to be grouped in pairs disinterest and purposiveness without purpose on one hand and universality and necessity on the other hand these four moments can be grouped and set apart to help reconsider what we mean when we talk about aesthetic experience *Savings Bank Journal*, 1922 **The Living Age**, 1849 The Road to the Country Chigozie Obioma, 2025-08-12 A sweeping heart racing mystical novel about a university student in Lagos trying to save his brother and himself amid the chaos of Nigeria's civil war a story of love friendship and personal triumph by the two time Booker Prize finalist and the heir to Chinua Achebe New York Times A wondrous novel Nana Kwame Adjei Brenyah author of Chain Gang All Stars finalist for the National Book Award Chigozie Obioma is that rare thing an original His world is a mix of the real and the folkloric and his writing sounds like no one else's The Wall Street Journal Longlisted for the Nigeria Prize for Literature the Dublin Literary Award the Joyce Carol Oates Prize and the New American Voices Award Named a Best Book of the Year by The Boston Globe The Economist and Kirkus Reviews The first images of the vision are grainy like something seen through wet glass But slowly it clears and there appears the figure of a man Set in Nigeria in the late 1960s The Road to the Country is the epic story of a shy bookish student haunted by long held guilt who must go to war to free himself When his younger brother disappears as the country explodes in civil war Kunle must set out on an impossible rescue mission Kunle's search for his brother becomes a journey of atonement that will see him conscripted into the breakaway Biafran army and forced to fight a war he hardly understands all while navigating the prophecies of a local Seer he who marks Kunle as an abami eda one who will die and return to life The story of a young man seeking redemption in a country on fire Chigozie Obioma's novel is an odyssey of brotherhood love and unimaginable courage set during one of the most devastating conflicts in the history of Africa Intertwining myth and realism into a thrilling inspired and emotionally powerful novel The Road to the Country is the masterpiece of Chigozie Obioma a writer Salman Rushdie calls a major voice in literature *Littell's Living Age*, 1849 *The Silver Thread* Kylie Fitzpatrick, 2012-07-17 To the disgrace of his family an illustrious London shipping merchant has taken his own life But his niece Rhia Mahoney believes her uncle has been murdered to conceal the secrets of his trading partners And as she begins to investigate his death her fears are realized when she is arrested for a crime she didn't commit Convict Michael Kelly's sentence is almost ended but his plans are interrupted when a woman he has known since childhood Rhia Mahoney arrives in Sydney harbour aboard a prison hulk And Michael cannot allow the men who falsely imprisoned him to condemn this young woman to the same fate

Clever Girls and the Literature of Women's Upward Mobility Mary Eagleton, 2018-02-15 This book follows the figure of the clever girl from the post war to the present and focuses on the fiction plays and memoirs of contemporary British women writers Spurred on by an ethic of meritocracy the clever girl is now facing austerity and declining social mobility Though suggesting optimism a public discourse of opportunity aspiration and choice is often experienced as an anxious and chancy process In a wide ranging study the book explores the struggle to move away from home and traditional notions of femininity

the persistent problems associated with women's embodiment the pressures of class and racial divisions the new subjectivities of the neoliberal era and the generational conflict underpinning austerity The book ends with a consideration of feminism's place as a phantom presence in this history of clever girls This study will appeal to readers of contemporary women's writing and to those interested in what has been one of the dominant social narratives of the post war period from upward to declining mobility

Chick Lit and Postfeminism Stephanie Harzewski, 2011-02-09 Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s chick lit mutated from a movement in American women's avant garde fiction in the 1990s to become by the turn of the century a humorous subset of women's literature journalism and advice manuals Stephanie Harzewski examines such best sellers as Bridget Jones's Diary The Devil Wears Prada and Sex and the City as urban appropriations of and departures from the narrative traditions of the novel of manners the popular romance and the bildungsroman Further Harzewski uses chick lit as a lens through which to view gender relations in U S and British society in the 1990s Chick Lit and Postfeminism is the first sustained historicization of this major pop cultural phenomenon and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo American marriage and education patterns heterosexual rituals feminism and postmodern values
