Roberts,2010-05-19 Jesus Revealed reintroduces readers to the true Son of God helping them see him with clear vision so that they can love him more fully and follow him more completely Readers will be surprised and delighted as they get to know the Jesus whose face is clearly revealed through the titles God gave him and the names used for him by his earliest followers A sense of comfortable familiarity with the Savior can cloud people's vision and even prevent them from drawing closer to Jesus as he really is His titles and descriptions are heard so often that it's easy to miss the impact of their true meaning Even the name Jesus is so well known that it has lost much of its power in believers' lives In these pages readers will encounter a Jesus who surprises and unsettles who comforts and empowers in astonishingly authentic ways Each chapter focuses on one aspect of Jesus' identity such as Rabbi Son of Man Light of the World As pastor and scholar Mark Roberts explores what's behind each of these titles he brings insight into the theological and historical meanings and then relates them to life today Readers will travel back to first century Palestine meet the God man we know as Jesus and experience a soul changing encounter with him Because to know him is to love him **Julian and Christianity** David Neal Greenwood,2021-06-15 The Roman emperor Julian is a figure of ongoing interest and the subject of David Neal Greenwood's Julian and Christianity This unique examination of Julian as the last pagan emperor and anti Christian polemicist revolves around his drive and status as a ruler Greenwood adeptly outlines the dramatic impact of Julian's short lived regime on the course of history with a particular emphasis on his relationship with Christianity Julian has experienced a wide ranging reception throughout history shaped by both adulation and vitriol along with controversies and rumors that question his sanity and passive ruling His connections to Christianity however are rooted in his regime's open hostility which Greenwood shows is outlined explicitly in Oration 7 To the Cynic Heracleios Greenwood's close reading of Oration 7 highlights not only Julian's extensive anti Christian religious program and decided rejection of Christianity but also his brilliant calculated use of that same religion As Greenwood emphasizes in Julian and Christianity these attributes were inextricably tied to Julian's relationship with Christianity and how he appropriated certain theological elements from the religion for his own religious framework from texts to deities Through his nuanced detailed readings of Julian's writings Greenwood brings together ancient history Neoplatonist philosophy and patristic theology to create an exceptional and thoughtful biography of the great Roman leader As a result Julian and Christianity is a deeply immersive look at Julian's life one that considers his multifaceted rule and the deliberate maneuvers he made on behalf of political ascendancy The Acts of the Elders Abraham Norwood,1842 **John** Marianne Meye Thompson,2015-11-06 Almost from

the earliest days of the church John's distinctive presentation of Jesus has provoked discussion about its place among the other Gospels. One cannot help but see the differences from the Synoptics and wonder about the origins and character of John. In this new volume in the New Testament Library series Marianne Meye Thompson explores the ministry and significance of Jesus of Nazareth as presented in the Gospel of John, paying special attention to the social, cultural, and historical contexts that produced it. John's Gospel, Thompson posits, is the product of a social, cultural world whose language, commitments, and contours must be investigated in order to read John's narrative well. In doing so, Thompson studies the narrative structure, central themes, and theological and rhetorical arguments found in the Fourth Gospel. Thompson's expert commentary unpacks and illuminates John's unique witness to Jesus: who he was, what he did, and what that means. The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament, providing fresh translations based on the best available ancient manuscripts, critical portrayals of the historical world in which the books were created, careful attention to their literary design, and a theologically perceptive exposition of the biblical text. The contributors are scholars of international standing. The editorial board consists of C. Clifton Black, Princeton Theological Seminary; M. Eugene Boring, Brite Divinity School; and John T. Carroll, Union Presbyterian Seminary.

Humble Calvinism J.A. Medders, 2019-03-01. Understanding Calvinism in our hearts as well as in our heads. Understanding Calvinism in our hearts as well as in our heads. Calvinism has an image problem. For far too long it has been synonymous with being argumentative, arrogant, and unloving. Somehow the doctrines of grace often haven't made those who believe them actually gracious. Self-confessed recovering cranky Calvinist Jeff Medders wonders whether the love of God has been replaced with the love of Calvinism. It's one thing having the five points all worked out in your head, but have they really penetrated your heart? His warm-hearted, challenging, and surprisingly witty book reveals how a true understanding of the five points fuels a love of Christ and his people that builds others up rather than tearing them down. Medders urges readers to be humble and gracious as well as zealous for the truth to the praise and glory of Christ and his church.

The One Year Book of Discovering Jesus in the Old Testament Nancy Guthrie, 2012-10-08. We tend to look to the New Testament to tell us about Jesus, yet it was the Old Testament about which Jesus said the Scriptures point to me. In *The One Year Book of Discovering Jesus in the Old Testament*, Bible teacher Nancy Guthrie takes readers from Genesis through Malachi, shining the light of Christ on the promise of a descendent who will put an end to the curse of sin, the story of a father who offers up his son as a sacrifice, the symbol of a temple where people can meet with God, the prophecy of a servant who will suffer for the people, the person of a king who will rule with righteousness, and so much more. Day by day throughout the year, readers will see the beauty of Christ in fresh new ways, creating a deeper understanding and appreciation for who Jesus is and what he accomplished through his Cross and Resurrection.

John Christopher Thomas,2019-05-21 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best scholarship written in popular language and communicates the meaning of the text with minimal technical distractions The author offers a running exposition on the text and extended comments on matters of special significance for Pentecostals He acknowledges and interacts with alternative interpretations of individual passages and his commentary also provides periodic opportunities for reflection upon and personal response to the biblical text *An Exposition of Universalism* John Hamilton Power,1843 A Multi-Intentioned View of the Extent of the Atonement Gary L. Shultz,2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God s intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins
