Savoir Tout Faire:

, *Ma Ville* Nathan Tran, 2014-04-06 D construction macabre d une ville palais interne de l auteur Ma Ville vous fera d couvrir ses habitants au travers de petites histoires plus sanglantes les unes que les autres Que ce soit apr s avoir aid un voisin ou alors comme simple retour du destin chaque citoyen dispara t dans des circonstances tragiques et bien souvent myst rieuses La Terre y est elle pour quelque chose Ou alors cette ville n est elle qu un masque cachant une histoire plus sordide

The Poetics of Death Beatrice Martina Guenther, 1996-07-12 Traditionally the act of writing constitutes a challenge to the finality of death Yet writing as a subject for literary texts has its own tradition of imagery whose rhetoric is associated with loss rather than immortality The limit of death seems to force a more explicit analysis of the process of writing Writers consider the impact of their work on their readers or re articulate the link between the written text and the subject it is meant to represent Each writer constructs a subversive text The conjunction of writing and death besides highlighting or demystifying the creative act leads in each case to a decidedly critical stance Guenther examines how Kleist s and Balzac s representations of death bring with them a critical awareness that calls attention to the historical context in which the texts are produced
