*My Hand in His* Virginia Phillips Kreft, 2013-09-27 Do you desire intimacy with Jesus He desires it with you A look at the Song of Solomon confirms that Just as with a husband and wife intimacy real oneness with Him requires above all else love and selflessness and must include determination time and faithfulness So it is with our Bridegroom Jesus Christ Is your path of life difficult He says This is the way walk in it Learn to read and follow His road map as you grasp tightly to His hand and follow Him through the seasons of life Be encouraged as the author shares years of personal experience and life lessons Learn some of the most essential elements required to abiding in Christ moment by moment consciously aware of and present to His presence Spanning the seasons of life with a variety of subjects the author speaks to the heart of all readers Wherever you are in your Christian walk WITH MY HAND IN HIS will arouse in you a new desire for a deeper relationship with Christ Be astonished at what God accomplished in a young womans life because she never gave up hope in Him In WITH MY HAND IN HIS I am reminded that God is who He says He is and we can confidently rely on Him through all the seasons of our lives if we keep our hand in His and believe that hope lives on Little did I know but God knew when the author asked me to help her edit her writing I would be in deep need of the encouragement found in her book Helen Nordquist With My Hand in His editor

*Face-to-Face with Lois and Eunice* Janet Thompson, 2012-01-01 Lois and Eunice followed the numerous Scriptures instructing one generation to pass on their faith to the next generation and young Timothy grew up to be a second generation leader of the early church Often mentoring focuses on reaching out to others but as parents and grandparents the first line of mentoring should be within your own family a concept repeated throughout the Bible The Bible has many devastating examples of parents who were poor role models or didn t rear their children to know God as well good and faithful parents whose children wandered away from God Face to Face with Lois and Eunice focuses on how women today can be

grandmothers mothers aunts and mentors whose faith takes root in the next generation     *The Ritual Effect* Michael Norton, 2025-05-20 In the bestselling tradition of Charles Duhigg s The Power of Habit and Angela Duckworth s Grit a renowned social psychologist demonstrates how a subtle turning of habits into rituals can clear a little space for everyday magic The Guardian in our lives Our lives are filled with repetitive tasks meant to keep us on track what we come to know as habits Over time these routines like brushing your teeth or putting on your right sock first tend to be performed

automatically But when we re more mindful about these actions when we focus on the precise way they are performed they can instead become rituals Shifting from a habitual mindset to a ritual mindset can convert ordinary acts from black and white to technicolor Think about the way you savor a certain beverage the care you take with a particular outfit that gets worn only on special occasions the unique way that your family gathers around the table during holidays or the secret language you enjoy with your significant other To some these behaviors may seem quirky but because rituals matter so deeply to us on a personal level they give our lives purpose and meaning Drawing on a decade of original research Norton shows that rituals play a role in healing communities experiencing a great loss marking life s major transitions driving a

stadium of sports fans to ecstasy and helping us rise to challenges and realize opportunities Compelling insightful and practical The Ritual Effect reminds us of the intention filled acts that drive human behavior and create surprising satisfaction and enjoyment *Llewellyn's 2024 Sun Sign Book* Llewellyn,2023-07-08 Now in its 40th year This clear and accessible almanac provides detailed horoscopes and forecasts for every Sun sign No matter your skill level the planetary wisdom within this book will help you find exciting opportunities in your future Llewellyn's 2024 Sun Sign Book reveals answers to important questions about love money family and more Learn what areas in your life have potential for great success and which require extra attention Discover which days will be rewarding and which will be challenging each month Astrologer Alice Deville also shares the best dates for events and life changes such as getting married moving retiring and more
