## Saxe Holms Stories:

**Saxe Holm's Stories** Helen Hunt Jackson, 2018-05-23 Reproduction of the original Saxe Holm's Stories by Helen Hunt Jackson The Bookman, 1919 *Dickinson in Her Own Time* Jane Donahue Eberwein, Stephanie Farrar, Cristanne Miller, 2016-01-01 Even before the first books of her poems were published in the 1890s friends neighbors and even apparently strangers knew Emily Dickinson was a writer of remarkable verses Featuring both well known documents and material printed or collected here for the first time this book offers a broad range of writings that convey impressions of Dickinson in her own time and for the first decades following the publication of her poems It all begins with her school days and continues to the centennial of her birth in 1930 In addition promotional items reviews and correspondence relating to early publications are included as well as some later documents that reveal the changing assessments of Dickinson's poetry in response to evolving critical standards These documents provide evidence that counters many popular conceptions of her life and reception such as the belief that the writer best known for poems focused on loss death and immortality was herself a morose soul In fact those who knew her found her humorous playful and interested in other people Dickinson maintained literary and personal correspondence with major representatives of the national literary scene developing a reputation as a remarkable writer even as she maintained extreme levels of privacy Evidence compiled here also demonstrates that she herself made considerable provision for the survival of her poems and laid the groundwork for their eventual publication Dickinson in Her Own Time reveals the poet as her contemporaries knew her before her legend took hold *Helen Hunt Jackson* Kate Phillips, 2003-04-03 Ramona continuously in print for over a century has become a cultural icon but Jackson's prolific career left us with much more notably her achievements as a prose writer and her work as an early activist on behalf of Native Americans This long overdue biography of Jackson's remarkable life and times reintroduces a distinguished figure in American letters and restores Helen Hunt Jackson to her rightful place in history **Publishers' Weekly**, 1878 *The Publishers Weekly*, 1878 **Saxe Holm's Stories** Helen Hunt Jackson, 1886 The Dial Francis Fisher Browne, 1886
