Saxon Villages:

Deserted Medieval Villages Maurice Beresford, John G. Hurst, 2025-01-01 Deserted Medieval Villages combines archaeological and historical expertise to produce a comprehensive and detailed analysis of the studies of deserted medieval villages Including an extensive historical and archaeological review of the surge in mid 20th century research J G Hurst s archaeological gazetteer of 290 sites and analysis of Scottish Welsh and Irish sites this book is an in depth reference work Updating Beresford s classic The Lost Medieval Villages of England this book refreshes his historical research considers the economic circumstances of desertion and includes detailed maps photographs and tables *Saxon Villages* Robin Place, 1989 English Villages P H Ditchfield, 2010 A popular and readable sketch of the history of our villages Dealing with characteristic features of English villages such as prehistoric remains and Roman relics churches monasteries the village inn village folklore and superstitions and many more Originally published in 1901 *England's Villages* Dr Ben Robinson, 2021-09-16 THE STUNNING NEW BOOK FROM THE HOST OF BBC 2 S VILLAGES BY THE SEA England s villages have survived developed and thrived over hundreds of years But what makes a village and how has that changed over time Take a charming and unexpected journey through the quirks of England s villages throughout the ages in the excellent company of Dr Ben Robinson expert archaeologist Join him in visiting villages from prehistoric to Roman to medieval times all the way through to today s modern urban villages Discover how landowners governments and communities have shaped villages why village greens village pubs and village halls exist and the real meaning behind names like Bunny Yelling Lover Great Snoring and Slaughter A compelling study of archaeology history and architecture England s Villages is a thoughtful enlightening and informative look at our oldest homes uncovering and revealing the extraordinary heritage of the places that surround us English Villages Peter Hampson Ditchfield, 1905 *Interpreting the Landscape* Michael Aston, 2002-09-11 Most places in Britain have had a local history written about them Up until this century these histories have addressed more parochial issues such as the life of the manor rather than explaining the features and changes in the landscape in a factual manner Much of what is visible today in Britain s landscape is the result of a chain of social and natural processes and can be interpreted through fieldwork as well as from old maps and documents Michael Aston uses a wide range of source material to study the complex and dynamic history of the countryside illustrating his points with aerial photographs maps plans and charts He shows how to understand the surviving remains as well as offering his own explanations for how our landscape has evolved **I am Saxon** Karl Gagesch, 2025-05-13 I Am Saxon chronicles the history of the little known Transylvanian Saxons From their humble beginnings in the 12th century as immigrants to a remote and sparsely populated area in the southern basin of the Carpathian Mountains the Saxons became renowned for their fine trade guilds and seven beautiful fortified towns During the many invasions of central Europe during the medieval era the Transylvanian Saxons were called the wall and shield of Christendom But after eight hundred years the Saxons were forced to evacuate their homeland in Siebenbürgen

the land of the seven towns Karl Gagesch also tells the stories his family shared with him about his ancestral home of Draas and about life in a rural Saxon village In addition he explores the tenacity and cohesiveness Saxon communities required to form a distinct nation within an ethnically diverse region and maintain their cultural independence despite the many challenges they faced I Am Saxon pays homage to the legacy of the Transylvanian Saxon culture which has all but disappeared from Siebenbrunnen

Interpreting the English Village Mick Aston, Christopher Gerrard, 2013-02-07 An original and approachable account of how archaeology can tell the story of the English village Shapwick lies in the middle of Somerset next to the important monastic centre of Glastonbury the abbey owned the manor for 800 years from the 8th to the 16th century and its abbots and officials had a great influence on the lives of the peasants who lived there It is possible that abbot Dunstan one of the great reformers of tenth century monasticism directed the planning of the village The Shapwick Project examined the development and history of an English parish and village over a ten thousand year period This was a truly multi disciplinary project Not only were a battery of archaeological and historical techniques explored such as field walking test pitting archaeological excavation aerial reconnaissance documentary research and cartographic analysis but numerous other techniques such as building analysis dendrochronological dating and soil analysis were undertaken on a large scale The result is a fascinating study about how the community lived and prospered in Shapwick In addition we learn how a group of enthusiastic and dedicated scholars unravelled this story As such there is much here to inspire and enthuse others who might want to embark on a landscape study of a parish or village area Seven of the ten chapters begin with a fictional vignette to bring the story of the village to life Text boxes elucidate re occurring themes and techniques Extensively illustrated in colour including 100 full page images

The Land Beyond the Forest: Facts, Figures, and Fancies from Transylvania E. Gerard, 2022-05-29 In his intriguing work The Land Beyond the Forest Facts Figures and Fancies from Transylvania E Gerard seamlessly intertwines vivid travelogue with historical narrative addressing the rich cultural tapestry of Transylvania Written in the late 19th century Gerard employs a lyrical prose style deeply influenced by Romanticism to explore the landscapes folklore and people of this mysterious region His keen observations and insightful anecdotes provide readers not only with facts but also with evocative fancies that breathe life into the narrative and immerse the reader in the enchanting yet haunting aura of Transylvania E Gerard a passionate traveler and folklorist rooted his explorations in a curiosity about the intersection of literature and ethnography His background as a librarian and writer afforded him the skills to meticulously document the curiosities and traditions of the often overlooked regions of Eastern Europe His contemporaneous examination of Transylvanian society reflects the broader European fascination with the other situating the book within a historical context where folklore and national identity converged Recommended for readers of literary travel writing and folklore enthusiasts alike Gerard s work is a must read for anyone seeking to understand the alluring complexities of Transylvania His blend of history fantasy and personal narrative invites readers on a captivating intellectual

The Landscape Archaeology of Anglo-Saxon England N. J. Higham, Martin J. Ryan, 2010 The Anglo Saxon period was crucial to the development of the English landscape but is rarely studied The essays here provide radical new interpretations of its development Traditional opinion has perceived the Anglo Saxons as creating an entirely new landscape from scratch in the fifth and sixth centuries AD cutting down woodland and bringing with them the practice of open field agriculture and establishing villages Whilst recent scholarship has proved this simplistic picture wanting it has also raised many questions about the nature of landscape development at the time the changing nature of systems of land management and strategies for settlement The papers here seek to shed new light on these complex issues Taking a variety of different approaches and with topics ranging from the impact of coppicing to medieval field systems from the representation of the landscape in manuscripts to cereal production and the type of bread the population preferred they offer striking new approaches to the central issues of landscape change across the seven centuries of Anglo Saxon England a period surely foundational to the rural landscape of today NICHOLAS J HIGHAM is Professor of Early Medieval and Landscape History at the University of Manchester MARTIN J RYAN lectures in Medieval History at the University of Manchester Contributors Nicholas J Higham Christopher Grocock Stephen Rippon Stuart Brookes Carenza Lewis Susan Oosthuizen Tom Williamson Catherine Karkov David Hill Debby Banham Richard Hoggett Peter Murphy **Vernacular Heritage and Earthen Architecture** Mariana Correia, Gilberto Carlos, Sandra Rocha, 2013-10-04 In a continuously changing world there has been a growing interest in the protection of vernacular heritage and earthen architecture The need to protect and enhance this fragile heritage via intelligent responses to threats from nature and the environment has become evident Historically vernacular heritage research focussed on philosophical aspe *Tourism and Memories of Home* Sabine Marschall, 2017-02-03 This book investigates home and homeland as destinations of touristic journeys and adds to recent scholarly interest in the intersection between tourism and migration It covers the temporary visits and journeys in search of home and homelands by migrants displaced people exiles and diasporic communities in a wide range of different geographical and historical contexts Personal and collective forms of memory are shown to play a key role in the motivation for and experience of such journeys The volume contributes to the investigation of the tourism memory nexus as it conceptualizes memory as underpinning touristic mobility experience and performativity Based on ethnographic case studies and other types of qualitative empirical research the chapters of this book foreground individual touristic experiences emotions memories perceptions the search for identity and a sense of belonging The book will be of interest to students and researchers in the fields of tourism heritage anthropology identity studies memory studies and migration diaspora studies The English Village Community Frederic Seebohm, 1890 **The English Village, the Origin and Decay of Its Community** Harold Peake, 1922 *7 Fundamentals*

of an Operationally Excellent Management System Chitram Lutchman, Douglas Evans, Waddah Shihab Ghanem Al Hashemi, Rohanie Maharaj, 2014-12-16 Developing and maintaining a disciplined management system provides any organization with a blueprint for exceptional performance and success. Indeed, for larger multinational corporations, a management system is a critical component for sustainable growth and performance management. In this book, the authors discuss a series of fundamentals for creating an operationally excellent management system (OEMS). The book also examines the business performance impact of an OEMS across leading gas and oil organizations such as Exxon, Mobil, BP, Suncor, and Chevron. In *7 Fundamentals of an Operationally Excellent Management System*, the authors discuss each fundamental in detail and provide the supporting training and workshop materials that are essential for integrating these fundamentals into the business processes of the organization. The seven fundamentals identified by the authors provide a sequential approach for developing and executing an OEMS across any organization. Integrating sound organizational and business practices with personnel and process safety management principles, the book is an invaluable resource for organizations seeking operational discipline and excellence. Well supported with graphics and practical examples, the book provides a simple pathway for an organization to evolve its management system into an OEMS designed to reduce workplace incidents and improve business performance on a sustainable basis. The management system principles discussed in the book are intended for the business leader who is motivated to transition his or her organization from ordinary through best in class to an organization of world class stature and performance.
