*Why Christian Faith Still Makes Sense (Acadia Studies in Bible and Theology)* C. Stephen Evans,2015-05-12 In recent years the Christian faith has been challenged by skeptics including the New Atheists who claim that belief in God is simply not reasonable Here prominent Christian philosopher C Stephen Evans offers a fresh contemporary and nuanced response He makes the case for belief in a personal God through an exploration of natural signs which open our minds to theistic possibilities and foster belief in the Christian revelation Evans then discusses why God's self revelation is both authoritative and authentic This sophisticated yet accessible book provides a clear account of the evidence for Christian faith concluding that it still makes sense to believe      Truth and the Faith Hartley Burr Alexander,1929      *Handing Down the Faith* Christian Smith,Amy Adamczyk,2020-07-02 A new examination of how and why American religious parents seek to pass on religion to their children The most important influence shaping the religious and spiritual lives of children youth and teenagers is their parents A myriad of studies show that the parents of American youth play the leading role in shaping the character of their religious and spiritual lives even well after they leave home and often for the rest of their lives We know a lot about the importance of parents in faith transmission However we know much less about the actual beliefs feelings and activities of the parents themselves what Christian Smith and Amy Adamczyk call the intergenerational transmission of religious faith and practice To address that gap this book reports the findings of a new national study of religious parents in the United States The findings and conclusions in *Handing Down the Faith* are based on 215 in depth personal interviews with religious parents from many traditions and different parts of the country and sophisticated analyses of two nationally representative surveys of American parents about their religious parenting *Handing Down the Faith* explores the background beliefs informing how and why religious parents seek to pass on religion to their children examines how parenting styles interact with parent religiousness to shape effective religious transmission shows how parents have been influenced by their

experiences as children influenced by their own parents reveals how religious parents view their congregations and what they most seek out in a local church synagogue temple or mosque explores the experiences and outlooks of immigrant parents including Latino Catholics East Asian Buddhists South Asian Muslims and Indian Hindus Smith and Adamczyk step back to consider how American religion has transformed over the last 100 years and to explain why parents today shoulder such a huge responsibility in transmitting religious faith and practice to their children The book is rich in empirical evidence and unique in many of the topics it explores and explains providing a variety of sometimes counterintuitive findings that will interest scholars of religion social scientists interested in the family parenting and socialization clergy and religious educators and leaders and religious parents themselves Fingerprints Left Behind Heidi Bridges, 2013-06-13 Every one of us has a story to tell a testimony and a reason to praise God You did not get this far in life on your own merit You got this far by Gods Grace and Mercy You got this far because God gave you what you did not deserve Take a moment and look back at all the things in life you have done whether you got caught or not is not the importance think about everything you have done look at yourself in the mirror and be honest with yourself then you will be able to see that you were given favor by God and He did not give you what you deserved If you still question whether God is real look into the eyes of your children your sisters your brothers your husband your wife breathe in and breathe out if you woke up on this side of the dirt today thats how you can know that God is real you cannot sustain yourself God sustains you If you have read the poems in this book and you were affected by them if they touched your heart and you dont know Jesus Christ as your Lord and Savior I encourage you to come into a relationship with him Make God the Lord of your life and watch things happen in your life that you cannot explain thats GOD Sermons Or Homilies Appointed to be Read in Churches in the Time of Queen Elizabeth of Famous Memory Church of England, 1802 **Sermons Or Homilies, Appointed to be Read in Churches in the Time of Queen Elizabeth ...** Church of England, 1840 **Sermons on Selected Lessons of the New Testament** Saint Augustine (of Hippo), 1844
