**The Mystery of Spirit** George Robbins,2021-02-25 Focusing on techniques of spiritual development and awareness of the presence of spirit in ordinary life Robbins challenges the reader to move beyond spiritual blockages and obstacles and raise the vibrational frequencies that bring us to greater enlightenment This reduces negative emotions such as despair meaninglessness and unhappiness Robbins wants to help us increase our pro social activity thereby contributing to a more open minded service towards others In this book he shows how to use effective techniques for practical and spiritual change while following a path of heart

**School of the Soul** Z'ev Ben Shimon Halevi,Warren Kenton,1993 How do esoteric groups come into being The material for groups described in this book was originally designed for the study and practice of the Kabbalah but the same principles may usefully be applied to other spiritual organizations The book describes how a school originates and passes through the initial stages of enthusiasm and difficulties to become a stable vehicle for disseminating a profound teaching The interaction of the different types of people who might come into the work and the kind of patterns that may emerge are explored So too are the problems and temptations of leadership as a group becomes a school and enters a spiritual line The author goes on to discuss how a tradition fits into the network of an esoteric web that envelops the globe forming a living bridge for mankind between Earth and heaven

**Kaballah and the Ascension** David K. Miller,2012-05-21 Throughout Western history channeling has come to us in various forms including mediumship shamanism fortunetelling visionaries and oracles There is also a long history of channeling in Kaballah the major branch of Jewish mysticism I am intrigued by this especially because I believe that there is now an urgent necessity for entering higher realms with our consciousness because of the impending changes on the planet through these higher realms new healing energies and insights can be brought down to assist us in these coming Earth changes I consider myself a student of spiritual and mystical consciousness interested in obtaining and maintaining higher levels of being and although I myself do not represent any particular school of mysticism I have found through more than twenty five years of studying the Kaballah that it allows for a unique understanding of the concept of higher consciousness or higher self as a conduit to accessing these higher realms

**Lessons** Ricardo London,2025-03-11 In this memoir Ricardo London offers a candid account of his life Fueled by pain fear and anger caused by his father s verbal and physical abuse Ricardo lashed out at the world grappling with emotions and directing his frustration at authorities figures This eventually turned bad behaviors into a life long journey of criminal activities With unflinching honesty Ricardo sheds light on how he was lost in a world of criminality prison gang involvement and drug addiction Spanning years of incarceration including a staggering 43 year term his story exposes the harsh realities of life behind bars But out of the darkness there emerged a greater purpose MY MISTAKES YOUR LESSONS is a heartfelt plea to people who are in position to make a difference to allow them to help give the proper care and love so children don t get lost to the world of criminality It is also a stark reminder of the power of parental and adult guidance and their crucial role in steering youth in a positive direction

Soul Psychology Joshua David Stone,1995-08-01 There are tens of thousands of self help books on psychology and human relationships however there are very few that integrate the topics of the soul and spirit into the picture Most books on this subject focus on personality level self actualization The new wave in the field of psychology is transpersonal or soul psychology which will lead to monadic psychology for the more advanced students of the path The entire understanding of psychology is completely changed when the soul is properly integrated It has been said that personality level self actualization brings happiness soul level self actualization brings joy and monadic and spiritual level self actualization bring bliss

This One is Special Suzanne Askham,2020-02-28 In January 1996 Suzanne s first child Timothy was born He had a mysterious undiagnosed condition Ninety minutes later in his dad s arms he stopped breathing This is the true story of what happened next When your child has a condition that can t be cured where do you look for answers In the first year they looked to doctors In the second year they looked to holistic practitioners In the third year they looked within This book is about how Suzanne and Tim s dad learnt to trust their own instincts through dreams and intuition It s about the way an apparently fragile highly vulnerable individual

can create the perfect conditions for personal happiness and even spiritual awakening in others      *Nurture Your Body, Feed Your Soul* Mary Bray,2000-08-23 To reach and keep your ideal weight feed the real hunger spiritual hunger Inner exploration and soul growth open the path to balance of body and serenity of mind In a successful step by step approach used by thousands of her clients in seminars and private consultation Mary Bray shows the way to reduce unwanted weight and live a richer life Seven steps demystify the role of food give simple eating guidelines for permanent weight reduction untangle the role of emotional history and give proven techniques for breaking through negative life patterns This book offers any reader access to the same loving approach of the author s sold out seminars in the US and Europe      *Century Path* ,1902      *Six Stages on the Spiritual Path* Ruth Whitney,2021-05-21 In Six Stages on the Spiritual Path we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe      *Soul-Making by Grace* Matthew S. Hendzel,2024-04-30 Purgatory holds a precarious position in the afterlife beliefs of most Christians Often viewed as a doctrine that is held only by Roman Catholics purgatory has historically been maligned by its detractors as unbiblical theologically problematic and a product and source of superstition Moreover it would appear that belief in purgatory has declined in the faith lives of Catholics as well many of whom now seem keen to forget the fears and anxieties that its existence might have raised for them about the afterlife In response to such criticisms and concerns this book argues that purgatory can indeed be a constructive and hope filled component of any Christian understanding of the afterlife In examining the history of the doctrine it seeks answers that explain purgatory s recent descent into obscurity However it also pursues present insights that can shed new light onto how purgatory might find renewed relevancy
