## **Semitic Philosophy 1890:**

*Bulletin of the Public Library of the City of Boston* Boston Public Library, 1891      **The Discipline of Philosophy and the Invention of Modern Jewish Thought** Willi Goetschel, 2015-06-01 Exploring the subject of Jewish philosophy as a controversial construction site of the project of modernity this book examines the implications of the different and often conflicting notions that drive the debate on the question of what Jewish philosophy is or could be The idea of Jewish philosophy begs the question of philosophy as such But Jewish philosophy does not just reflect what philosophy lacks Rather it challenges the project of philosophy itself Examining the thought of Spinoza Moses Mendelssohn Heinrich Heine Hermann Cohen Franz Rosenzweig Martin Buber Margarete Susman Hermann Levin Goldschmidt and others the book highlights how the most philosophic moments of their works are those in which specific concerns of their Jewish questions inform the rethinking of philosophy's disciplinarity in principal terms The long overdue recognition of the modernity that informs the critical trajectories of Jewish philosophers from Spinoza and Mendelssohn to the present emancipates not just Jewish philosophy from an infelicitous pigeonhole these philosophers so pointedly sought to reject but more important emancipates philosophy from its false claims to universalism      *History of Jewish Philosophy* Daniel Frank, Oliver Leaman, 2005-10-20 Jewish philosophy is often presented as an addendum to Jewish religion rather than as a rich and varied tradition in its own right but the History of Jewish Philosophy explores the entire scope and variety of Jewish philosophy from philosophical interpretations of the Bible right up to contemporary Jewish feminist and postmodernist thought The links between Jewish philosophy and its wider cultural context are stressed building up a comprehensive and historically sensitive view of Jewish philosophy and its place in the development of philosophy as a whole Includes Detailed discussions of the most important Jewish philosophers and philosophical movements Descriptions of the social and cultural contexts in which Jewish philosophical thought developed throughout the centuries Contributions by 35 leading scholars in the field from Britain Canada Israel and the US Detailed and extensive bibliographies      *Index Catalog of the Scranton Public Library Authors and Subjects, June 30, 1902* Scranton Public Library, 1903      **A History of Jewish Philosophy in the Middle Ages** Colette Sirat, 1990-11-30 Jewish medieval philosophy has formed the subject of much research over the past thirty years since the appearance of Gutmann's *Philosophies of Judaism* resulting in greater understanding and a new need for summation This important work now available in paperback aims to supply that need and devotes ample discussion to the major figures of the period like Saadiah Gaon Maimonides Abraham Ibn Ezra and Judah Halevi It also gives much attention to the discussion and presentation of texts by lesser known authors clustering around the greater men and movements      Bulletin Boston Public Library, 1891 Quarterly accession lists beginning with Apr 1893 the bulletin is limited to subject lists special bibliographies and reprints or facsimiles of original documents prints and manuscripts in the Library the accessions being recorded in a separate classified list Jan Apr 1893 a weekly bulletin Apr 1893 Apr 1894 as well as a classified list of later accessions in the

last number published of the bulletin itself Jan 1896      **Nietzsche, Soloveitchik, and Contemporary Jewish Philosophy** Daniel Rynhold, Michael J. Harris, 2018-06-28 What does one do as a Jewish philosopher if one is convinced by much of the Nietzschean critique of religion Is there a contemporary Jewish philosophical theology that can convince in a post metaphysical age The argument of this book is that Rabbi Joseph Soloveitchik 1903 1993 the leading twentieth century exponent of Modern Orthodoxy presents an interpretation of halakhic Judaism grounded in traditional sources that brings a life affirming Nietzschean sensibility to the religious life Soloveitchik develops a form of Judaism replete with key Nietzschean ideas which parries Nietzsche's critique by partially absorbing it This original study of Soloveitchik's philosophy highlights his unique contribution to Jewish thought for students and scholars in Jewish studies while also revealing his wider significance for those working more broadly in fields such as philosophy and religious studies      Essays in Jewish Philosophy in the Modern Era Nathan Rotenstreich, 2023-12-14 This volume contains a collection of fifteen essays on Jewish Philosophy The essays deal with Moses Mendelssohn Hermann Cohen Franz Rosenzweig Martin Buber Abraham J Heschel and Gershom G Scholem The book starts with a lucid overview of nineteenth century Jewish Philosophy it can be regarded as a companion volume to the author's Jewish Philosophy in Modern Times Nathan Rotenstreich 1914 1993 was Professor of Philosophy at the Hebrew University of Jerusalem and Vice President of the Israeli Academy of Sciences and Humanities      **Finding List of Books and Periodicals in the Branch Libraries** Enoch Pratt Free Library.
