Participation has overcome embarrassment and the isolation of poverty has been replaced with a vibrant community that uses food to build hope and skills and to reach out to those who need a meal a hand and a voice It is now a thriving internationally respected Community Food Centre with gardens kitchens a greenhouse farmers markets and a mission to revolutionize our food system Celebrities and benefactors have embraced the vision because they have never seen anything like The Stop Best of all fourteen years after his journey started Nick Saul is introducing this neighbourhood success story to the world In telling the remarkable story of The Stop s transformation Saul and Curtis argue that we need a new politics of food one in which everyone has a dignified healthy place at the table By turns funny sad and raw The Stop is a timely story about overcoming obstacles challenging sacred cows and creating lasting change
