 the Republic of Korea* James E. Hoare, 2020-10-13 South Korea Republic of Korea is the more successful of the two Koreas in
 both economic and political terms Even the Asian economic crisis of 1997 1998 which hit badly was weathered successfully
 and when the next crisis came along in 2007 South Korea coped better than many other countries This economic strength
 taken with the steady progress of democratization since 1987 indicates that when the peninsula is eventually reunified as one
 day it probably will be a new unified Korea will follow the South Korea model rather than that of North Korea This fourth

titles both print and online that would be useful to today's Asian Studies librarian. Organized by language group, it offers useful information on the many subscription-based and open source electronic tools relevant to Asian Studies. This book will serve as an essential resource for reference collections at academic libraries. Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on all three countries into one work or are written in English. And unlike the other resources available, this work provides the insight needed for librarians to make informed collection management decisions and reference selections.
