

Sephardi Jewry

Adriana M. Brodsky

Sephardi Jewry:

Sephardi Jewry Esther Benbassa, Aron Rodrigue, 2000-04-13 Modified and updated version of a book that first appeared in Paris in 1993 under the title *Juifs des Balkans* Editions La Decouverte Acknowledgments p xi Becoming Ottomans Julia Phillips Cohen, 2014-01-03 The Ottoman Jewish story has long been told as a romance between Jews and the empire The prevailing view is that Ottoman Jews were protected and privileged by imperial policies and in return offered their unflagging devotion to the imperial government over many centuries In this book Julia Phillips Cohen offers a corrective arguing that Jewish leaders who promoted this vision were doing so in response to a series of reforms enacted by the nineteenth century Ottoman state the new equality they gained came with a new set of expectations Ottoman subjects were suddenly to become imperial citizens to consider their neighbors as brothers and their empire as a homeland *Becoming Ottomans* is the first book to tell the story of Jewish political integration into a modern Islamic empire It begins with the process set in motion by the imperial state reforms known as the Tanzimat which spanned the years 1839 1876 and legally emancipated the non Muslims of the empire Four decades later the situation was difficult to recognize By the close of the nineteenth century Ottoman Muslims and Jews alike regularly referred to Jews as a model community or millet as a group whose leaders and members knew how to serve their state and were deeply engaged in Ottoman politics The struggles of different Jewish individuals and groups to define the public face of their communities is underscored in their responses to a series of important historical events Charting the dramatic reversal of Jews in the empire over a half century *Becoming Ottomans* offers new perspectives for understanding Jewish encounters with modernity and citizenship in a centralizing modernizing Islamic state in an imperial multi faith landscape **Sephardi, Jewish, Argentine** Adriana M. Brodsky, 2016-10-31 A much needed monograph on the role of Sephardic Jews in Argentina and an important contribution to the study of Jews in Latin America overall Choice At the turn of the twentieth century Jews from North Africa and the Middle East were called Turcos Turks Seen as distinct from Ashkenazim Sephardi Jews weren't even identified as Jews Yet the story of Sephardi Jewish identity has been deeply impactful on Jewish history across the world Adriana M Brodsky follows the history of Sephardim as they arrived in Argentina created immigrant organizations founded synagogues and cemeteries and built strong ties with coreligionists around the country Brodsky demonstrates how fragmentation based on areas of origin gave way to the gradual construction of a single Sephardi identity This unifying identity is predicated both on Zionist identification with the State of Israel and national feelings for Argentina and that Sephardi Jews assumed leadership roles in national Jewish organizations once they integrated into the much larger Ashkenazi community Rather than assume that Sephardi identity was fixed and unchanging Brodsky highlights the strategic nature of this identity constructed both from within the various Sephardi groups and from the outside and reveals that Jewish identity must be understood as part of the process of becoming Argentine Foundations of Sephardic Spirituality Rabbi Marc D. Angel, PhD, 2011-09-26 Who were the Sephardic Jews of the Ottoman Empire What

lasting lessons does their spiritual life provide for future generations How did the Judeo Spanish speaking Jews of the Ottoman Empire manage to achieve spiritual triumph To answer this question we need to have a firm understanding of their historical experience We need to be aware of the dark unpleasant elements in their environments but we also need to see the spiritual cultural light in their dwellings that imbued their lives with meaning and honor from Chapter 1 The Inner Life of the Sephardim In this groundbreaking work Rabbi Marc Angel explores the teachings values attitudes and cultural patterns that characterized Judeo Spanish life over the generations and how the Sephardim maintained a strong sense of pride and dignity even when they lived in difficult political economic and social conditions Along with presenting the historical framework and folklore of Jewish life in the Ottoman Empire Rabbi Angel focuses on what you can learn from the Sephardic sages and from their folk wisdom that can help you live a stronger deeper spiritual life

Cities of Splendour in the Shaping of Sephardi History Jane S. Gerber, 2020-05-20 Sephardi identity has meant different things at different times but has always entailed a connection with Spain from which the Jews were expelled in 1492 While Sephardi Jews have lived in numerous cities and towns throughout history certain cities had a greater impact in the shaping of their culture This book focuses on those that may be considered most important from Cordoba in the tenth century to Toledo Venice Safed Istanbul Salonica and Amsterdam at the dawn of the seventeenth century Each served as a venue in which a particular dimension of Sephardi Jewry either took shape or was expressed in especially intense form Significantly these cities were mostly heterogeneous in their population and culture half of them under Christian rule and half under Muslim rule and this too shaped the Sephardi world view and attitude While Sephardim cultivated a distinctive identity they felt at home in the cultures of their adopted lands Drawing upon a variety of both primary and secondary sources Jane Gerber demonstrates that Sephardi history and culture have always been multifaceted Her interdisciplinary approach captures the many contexts in which the life of the Jews from Iberia unfolded without either romanticizing the past or diluting its reality

Like Salt for Bread. The Jews of Bosnia and Herzegovina Francine Friedman, 2021-11-22 This book is the only comprehensive treatment in any language of a rather exotic Balkan Jewish community It places the Jewish community of Bosnia and Herzegovina into the context of the Jewish world but also of the world within which it existed for around five hundred years under various empires and regimes The Bosnian Jews might have remained a mostly unknown community to the rest of the world had it not played a unique role within the Bosnian Wars of the early 1990s providing humanitarian aid to its neighbor Serbs Croats and Muslims Watch Francine Friedman s presentation on The Jews of Bosnia and Herzegovina

The Land Is Mine Andrew D. Berns, 2022-04-12 After their expulsion from Spain in 1492 Sephardi Jews such as Isaac Abravanel Abraham Saba and Isaac Arama wrote biblical commentaries that stressed the significance of land They interpreted Judaism as a tradition whose best expression and ultimate fulfillment took place away from cities and in rural settings Iberian Jewish authors rooted their moral teachings in an ethical treatment of the natural world elucidating ancient agricultural laws and scrutinizing the physical context and

built environments of Bible stories *The Land Is Mine* asks what inspired this and suggests that the answer lies not in timeless exegetical or theological trends but in the material realities of late medieval and early modern Iberia during a period of drastic changes in land use The book uses a highly traditional source base in a decidedly untraditional way In Jewish Studies Andrew D Berns observes biblical commentary is typically studied as an intramural activity Though scholars have conceded that Jewish scriptural exegesis welcomes material and ideas from other fields and traditions little to no work treats premodern Hebrew Bible commentary as also drawing upon Classical and Christian sources as well as contemporary writings on land management and political economy Abravanel Saba and Arama were engaged with questions that had broad resonance during their lives the proper way to treat the land the best occupations to pursue and the ideal setting for human community Scriptural commentary was the forum in which they addressed these problems and posed solutions to them A work of intellectual history *The Land Is Mine* demonstrates that it is impossible to understand Jewish culture without considering the physical realities on which it depended

[Israel Under Rabin](#) Robert O Freedman, 2019-08-15 The 1992 elections represented a watershed in Israeli politics Returning to power for the first time in fifteen years the Labor government under Yitzhak Rabin has implemented significant changes in foreign policy and domestic politics Perhaps the most important changes were Israel's recognition of the PLO and the signing of the Declaration of

[A Bibliography of Jewish Education in the United States](#) Norman Drachler, 1996 This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education

Encyclopedia of the Jewish Diaspora M. Avrum Ehrlich, 2008-10-03 This three volume work is a cornerstone resource on the evolution and dynamics of the Jewish Diaspora as it played out around the world from its beginnings to the present *Encyclopedia of the Jewish Diaspora Origins Experiences and Culture* is the definitive resource on one of world history's most curious phenomena encompassing the communities cultures ethnicities and experiences created by the Diaspora in every region of the world where Jews live or Jewish ancestry exists The encyclopedia is organized in three volumes The first includes 100 essays on the Jewish Diaspora experience with coverage ranging from ethnography and demography to philosophy history music and business The second and third volumes feature hundreds of articles and essays on Diaspora regions countries cities and other locations With an editorial board of renowned Jewish scholars and with an extraordinarily accomplished team of contributors *Encyclopedia of the Jewish Diaspora* captures the full scope of its subject like no other reference work before it

Oriental Neighbors Abigail Jacobson, Moshe Naor, 2016-12-06 Focusing on Oriental Jews and their relations with their Arab neighbors in Mandatory Palestine this book analyzes the meaning of the hybrid Arab Jewish identity that existed among Oriental Jews and discusses their unique role as political social and cultural mediators between Jews and Arabs Integrating Mandatory Palestine and its inhabitants into the contemporary Semitic

Levantine surroundings *Oriental Neighbors* illuminates broad areas of cooperation and coexistence which coincided with conflict and friction between Oriental and Sephardi Jews and their Arab neighbors The book brings the Oriental Jewish community to the fore examines its role in the Zionist nation building process and studies its diverse and complex links with the Arab community in Palestine **The History of the Jews in the Netherlands** Hans Blom, R.G. Fuks-Mansfeld, I.

Schöffner, 2001-12-01 This acclaimed history of the Jewish role in Dutch society through the ages now available in English considers the internal evolution of the Jewish community as well as the social cultural and economic interaction with the wider population This general survey should appeal to a wide public interested in the history of the Jews of the Netherlands Het Parool *Jews of the Dutch Caribbean* Alan F. Benjamin, 2003-08-27 This book examines the contexts of identity and ethnicity through a detailed study of a little known group in Curaçao Netherlands Antilles with an intriguing history

Unsettled Melvin Konner, 2004-09-28 Far reaching intellectually rich and passionately written *Unsettled* takes the whole history of Western civilization as its canvas and places onto it the Jewish people and faith With historical insight and vivid storytelling renowned anthropologist Melvin Konner charts how the Jews endured largely hostile but at times accepting cultures to shape the world around them and make their mark throughout history from the pastoral tribes of the Bronze Age to enslavement in the Roman Empire from the darkness of the Holocaust to the creation of Israel and the flourishing of Jews in America With fresh interpretations of the antecedents of today's pressing conflicts *Unsettled* is a work whose modern day reverberations could not be more relevant or timely Reluctant Cosmopolitans Daniel M. Swetschinski, 2000-06-01 Winner of the 2000 National Jewish Book Award for Sephardic Studies Focusing on the social dimension of Amsterdam's Portuguese Jewish economic and religious life Swetschinski paints a lively and unconventional picture of the dynamics of a remarkable Jewish community the first traditional Jewish society to engage creatively with the non Jewish secular world in relative harmony A broad authentic and original vision of the transition from medieval to modern Jewish history *Empires and Entrepôts* Jonathan Israel, 1990-07-01 The confrontation between Spain and the Dutch Republic was a key factor in European and world history In this collection Jonathan Israel explores the various aspects of this many sided struggle at the level of government policy military strategy and diplomacy and in respect of the differing fortunes of regions towns and groups and the Sephardic Jews Sephardic Jews in America Aviva Ben-Ur, 2009-02 A significant number of Sephardic Jews tracing their remote origins to Spain and Portugal immigrated to the United States from Turkey Greece and the Balkans from 1880 through the 1920s joined by a smaller number of Mizrahi Jews arriving from Arab lands Most Sephardim settled in New York establishing the leading Judeo Spanish community outside the Ottoman Empire With their distinct languages cultures and rituals Sephardim and Arab speaking Mizrahim were not readily recognized as Jews by their Ashkenazic coreligionists At the same time they forged alliances outside Jewish circles with Hispanics and Arabs with whom they shared significant cultural and linguistic ties The failure among Ashkenazic Jews to recognize Sephardim and Mizrahim as fellow Jews continues today

More often than not these Jewish communities are simply absent from portrayals of American Jewry Drawing on primary sources such as the Ladino Judeo Spanish press archival documents and oral histories Sephardic Jews in America offers the first book length academic treatment of their history in the United States from 1654 to the present focusing on the age of mass immigration

Jewish Fundamentalism in Israel Israel Shahak, Norton Mezvinsky, 2004-07-20 This is a new edition of a classic and highly controversial book that examines the history and consequences of Jewish Fundamentalism in Israel It is essential reading for anyone who wants a full understanding of the way religious extremism has affected the political development of the modern Israeli state Acclaimed writer and human rights campaigner Israel Shahak was up until his death in 2001 one of the most respected of Israel's peace activists he was in the words of Gore Vidal the latest if not the last of the great prophets Written by Shahak together with American scholar Norton Mezvinsky this book shows how Jewish fundamentalism in Israel as shown in the activities of religious settlers is of great political importance The authors trace the history and development of Jewish fundamentalism They place the assassination of Prime Minister Rabin in the context of what they see as a tradition of punishments and killings of those Jews perceived to be heretics They conclude that Jewish fundamentalism is essentially hostile to democracy

Sins of the Fathers Hilaire Kallendorf, 2013-12-06 Sins of the Fathers considers sins as nodes of cultural anxiety and explores the tensions between competing organizational categories for moral thought and behaviours namely the Seven Deadly Sins and the Ten Commandments Hilaire Kallendorf explores the decline and rise of these organizational categories against critical transformations of the early modern period such as the accession of Spain to a position of world dominance and the arrival of a new courtly culture to replace an old warrior ethos This groundbreaking study is the first to consider Spanish Golden Age comedias as an archive of moral knowledge Kallendorf has examined over 800 of these plays to illustrate how they provide insight into aspects of early modern experience such as food sex work and money Finally Kallendorf engages the theoretical terminology of Marxist literary criticism to demonstrate the inherent ambiguity of cultural change

The Sephardi Heritage: The Jews in Spain and Portugal before and after the expulsion of 1492 Richard David Barnett, 1971
