Serbian Diaries Boris L. Davidovich,1996 What has the Balkan War meant for gay people What kind of life did gay men have anyway in the cities of former Yugoslavia Boris Davidovich a university teacher in Belgrade kept for last seven years a diary of his daily thoughts and activities Cruising the streets and toilets he picks up young men often soldiers and explores with them a world of male love quite remote from the Western gay scene As his country descends into nationalism and chaos Boris reflects from his own experience on some fundamental features of the male condition patriarchy and comradeship masculinity and violence Eros and Thanatos *War Diaries* Elisa Dainese,Aleksandar Stanicic,2022-03-31 In recent decades the development of advanced weaponry systems and the instant flow of information have redefined the notion of urban warfare as a local phenomenon with global effects in an increasingly interconnected world The annihilation of Aleppo and the broadcasted demolitions of Palmyra demonstrate the accelerating politicization of the destruction process In this timely volume Elisa Dainese Aleksandar Stani i and a broad range of contributors explore the weaponization of architecture targeted attacks on art and infrastructure meant to destroy not only physical structures but also political unity and cultural memory Focusing on regions where planners architects and artists are involved in concrete initiatives on the ground War Diaries looks at complex postwar settings to illuminate design responses to urban warfare and violence against the built environment The essays discuss creative strategies for rebuilding and restablizing damaged sites often within the context of continuing animosities the establishment of design coalitions to work with local communities on reconstruction the designing of emergency settlements the development of new and customized strategies for rebuilding diverse parts of the ravaged world and the teaching of culturally sensitive design practices to architects and urbanists among many other topics A much needed contribution to our understanding of postconflict design this volume maps the creative approaches that specialists have used to remediate the effects of violence against cities and cultural heritage Library of Congress Subject Headings Library of Congress,2006 *The Great War and Scottish Nurses' Diaries* Costel Coroban,2019-03-21 This book analyses the representations of the different instances of war in the letters and diaries of the nurses and doctors of the Scottish Women s Hospitals who worked in Romania during the Great War These nurses detailed their experiences into journals through literary diegesis that included minute observations on their work surroundings and different developments of the front as well as their own interpretations of and impressions on their work and the war s destructive character Generally the approaches to the Great War by women who witnessed and lived it have either been gender oriented or simply seen as petit histoire s This research represents a complementary addition to the existing literature through its focus on the experience of the women on the fighting front looking at it from the double perspective of autobiographical writing and war testimony **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2009 Activist Citizenship and the LGBT Movement in Serbia Robert Rhodes-Kubiak,2015-09-01 Activist Citizenship and the LGBT

Movement in Serbia explores ways of understanding activist movements through an exploration of the theoretical concept of activist citizenship which draws attention to critical engagements with and reclamations of citizenship

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

The Dictionary of Homophobia Louis-Georges Tin, 2008-11-01 Tin s Dictionary of Homophobia is so sweeping in its scope that one can dip into it again and again and learn something or confront an idea in which even the most well read queer will find fresh intellectual nourishment and historical illumination Gay City News Based on the work of seventy researchers in fifteen countries The Dictionary of Homophobia is a mammoth encyclopedic book that documents the history of homosexuality and various cultural responses to it in all regions of the world a masterful engaged and wholly relevant study that traces the political and social emancipation of a culture The book is the first English translation of Dictionnaire de L Homophobie published in France in 2003 to worldwide acclaim its editor Louis Georges Tin launched the first International Day Against Homophobia in 2005 now celebrated in more than fifty countries around the world The Dictionary of Homophobia includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa the Americas Asia Europe and the South Pacific from the earliest epochs to present day Subjects include religious and ideological forces such as the Bible Communism Judaism Hinduism and Islam historical subjects events and personalities such as AIDS Stonewall J Edgar Hoover Matthew Shepard Oscar Wilde Pat Buchanan Joseph McCarthy Pope John Paul II and Anita Bryant and other topics such as coming out adoption deportation ex gays lesbiphobia and bi phobia In a world where gay marriage remains a hot button political issue and where adults and even teens are still being executed by authorities for the crime of homosexuality The Dictionary of Homophobia is a both a revealing and necessary history lesson for us all

The Diary of a Political Idiot Jasmina Tesanovic, 2000-12-01 Hours after NATO started bombing Yugoslavia Jasmina Tesanovic received an e mail from a friend in Sweden who wanted to know how she was doing Jasmina didn t have

time to write back so she sent entries from her diary Her friend the writer Ana Valdes posted Jasmina s diary entries on the website of a magazine she wrote for Within a week the diaries had been posted anonymously on fifty websites and sent in e mails throughout the world The diary of an anonymous woman from Belgrade had become everybody s diary The Diary of a Political Idiot was first published as a book in Argentina and has since been translated into eleven languages At a time when compassion fatigue is seen as both the cause and the unavoidable consequence of current international news reporting Jasmina Tesanovic s wide readership is as much a testimony to the intelligence and compassion of her readers as it is to her own

East European Accessions Index ,1957 Sexuality and Gender in Postcommunist Eastern Europe and Russia Edmond J Coleman,Theo Sandfort,2014-05-22 Important new findings on sex and gender in the former Soviet Bloc Sexuality and Gender in Postcommunist Eastern Europe and Russia is a groundbreaking look at the new sexual reality in Central Eastern and Southeast Europe after the fall of communism The book presents the kind of candid discussion of sexual identities sexual politics and gender arrangements that was often censored and rarely discussed openly before the breakup of the Soviet Union in 1987 Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected human sexuality and if those changes can generate the social tolerance necessary to produce a well rooted democracy The first theoretical and empirical body of work to sexuality in post transitional countries Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the effects of the profound social transformation taking place in the former Soviet Union Through an interdisciplinary perspective the book addresses vital issues of this transformation including gender relations gender roles and sex norms in transition sexual representations in the media patterns of adult sexual behavior gay and lesbian issues sex trafficking health risks and sex education The book also presents a critical examination of whether the fall of communism has in fact induced changes in sexuality and gender relations Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the changes in sex and gender in countries in transition including the negative consequences of Serbia s state directed non development during the 1990s the causes and consequences of trafficking in women from the Russian Federation the ongoing debate over human rights for sexual minorities in Romania the effects of two Yugoslavian films released in the 1990s that feature transgender characters sexualities in transition in Croatia problems created by changes in sexual behavior among urban Russian adolescents the social and legal state of lesbians in Slovenia Sexuality and Gender in Postcommunist Eastern Europe and Russia fills in the gap in the current knowledge and understanding of the effects of the profound social changes taking place in Central Eastern and Southeast Europe The book is an essential read for academics and researchers working in gender studies political science and gay and lesbian studies Handy tables and figures make the information easy to access and understand **A Dangerous Knowing** Debbie Epstein,James Thomas Sears,1999-11-01 This book is an exhilarating and important addition to the literature on sexuality and on education An unusually international collection with contributions on Australia New

Zealand the Philippines South Africa the UK and the United States it includes chapters written both by internationally known leaders in the field and by exciting newcomers The book challenges conventional ways of thinking both about sexuality and about pedagogy with sections on myth making identity globalization and interventions in education It will be a key text for undergraduate and postgraduate students of social and cultural theory queer studies gender and women s studies and education

Queer Wars Dennis Altman,Jonathan Symons,2016-03-21 The claim that LGBT rights are human rights encounters fierce opposition in many parts of the world as governments and religious leaders have used resistance to LGBT rights to cast themselves as defenders of traditional values against neo colonial interference and western decadence Queer Wars explores the growing international polarization over sexual rights and the creative responses from social movements and activists some of whom face murder imprisonment or rape because of their perceived sexuality or gender expression This book asks why sexuality and gender identity have become so vexed an issue between and within nations and how we can best advocate for change

The Unpublished Dostoevsky: Diaries and Notebooks (1860-81). Fyodor Dostoyevsky,1976

History of the Literary Cultures of East-Central Europe Marcel Cornis-Pope,John Neubauer,2007-07-18 The third volume in the History of the Literary Cultures of East Central Europe focuses on the making and remaking of those institutional structures that engender and regulate the creation distribution and reception of literature The focus here is not so much on shared institutions but rather on such region wide analogous institutional processes as the national awakening the modernist opening and the communist regimentation the canonization of texts and censorship of literature These processes which took place in all of the region s cultures were often asynchronous and subjected to different local conditions The volume s premise is that the national awakening and institutionalization of literature were symbiotically interrelated in East Central Europe Each national awakening involves a language renewal an introduction of the vernacular and its literature in schools and universities the creation of an infrastructure for the publication of books and journals clashes with censorship the founding of national academies libraries and theaters a re construction of national folklore and the writing of histories of the vernacular literature The four parts of this volume are titled 1 Publishing and Censorship 2 Theater as a Literary Institution 3 Forging Primal Pasts The Uses of Folk Poetry and 4 Literary Histories Itineraries of National Self images

Samizdat, Tamizdat, and Beyond Friederike Kind-Kovács,Jessie Labov,2013-03-01 In many ways what is identified today as cultural globalization in Eastern Europe has its roots in the Cold War phenomena of samizdat do it yourself underground publishing and tamizdat publishing abroad This volume offers a new understanding of how information flowed between East and West during the Cold War as well as the much broader circulation of cultural products instigated and sustained by these practices By expanding the definitions of samizdat and tamizdat from explicitly political print publications to include other forms and genres this volume investigates the wider cultural sphere of alternative and semi official texts broadcast media reproductions of visual art and music and in the post 1989 period new media The underground circulation of uncensored texts in the Cold War era

serves as a useful foundation for comparison when looking at current examples of censorship independent media and the use of new media in countries like China Iran and the former Yugoslavia *Encyclopedia of Lesbian and Gay Histories and Cultures* George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public
