## Serendipity Of Andrew George:

Serendipity of Andrew George Ananda W. P. Guruge, 2008      *Serendipity of Andrew George* Ananda Guruge, 2003

**Peace at Last in Paradise** Ananda Guruge, 2011-10-28 In this volume Guruge returns to present us with a spellbinding sentimental story that displays the full range of human emotions A story born of tragic circumstances of the demise of the World Trade Center encompasses all the strains of race and class that pervaded through the fabric of Sri Lankan society in recent times It is transformed into an engaging story by the author's exceptional wit sensitivity and sharp social observation Author also returns to offer the reader with fascinating verse that brings to life people events places and emotions that are vividly presented in the book Through out his trilogy Guruge has demonstrated the value of recording recent history that is mostly oral or confined to individual experiences In volume three he has set out meticulously and in great detail the history of the period 1915 to 2009 The more recent part of history is largely based on his own exceptional knowledge and experience and recorded as only a true historian an accolade he richly deserves can document What is fascinating is that he narrates Sri Lankan history within a compelling story of a multiethnic Sri Lankan family      *Free at Last in Paradise* Ananda W. P. Guruge, 2010-07-08 FREE AT LAST IN PARADISE is a historical novel on Sri Lanka It is the first part of A SRI LANKAN TRILOGY FROM FREEDOM TO PEACE and deals with the period 1848 to 1948 when the country evolved into a modern nation and regained independence It is a gripping novel tracing the path of the freedom movement in then Ceylon from the 1848 rebellion to Independence in 1948 It features a Buddhist boy a young novice in a temple later educated in missionary schools becomes a government functionary a forest monk and still later an erudite scholar whose life parallels the freedom movement driven mainly by the Buddhist revival led by Colonel Henry Steel Olcott and his followers Anagarika Dharmapala and Sir Baron Jayatilake The hero was a strong nationalist deeply involved in the movement most of his adult life Though a work of epic proportions full of information masterfully dissecting every aspect of social and family life with all its strains of caste and class as well as the political and cultural scene of Ceylon at the time it is a triumphant love story that is by turns dramatic and powerful romantic and tender that makes you want to keep reading Displaying the author's dexterity the most readable prose is appropriately laced with exhilarating verse This is an extraordinary novel that exemplifies the best of historical fiction Somehow he has managed to make the story both educational and dare I say it fun The book will be read with pleasure says David Vickery of Britain by those who love Ceylon and introduce those who have no knowledge of the country to a fascinating society Leslie Gray M D of Denver Colorado USA in his review published in the Journal of Theosophical History says a magnum opus a masterpiece from any angle Elegant style eloquent language relentless tempo exciting and almost galloping      *Peace at Last in Paradise* Ananda W. P. Guruge, 2010      **The First Resort of Kings** Richard T. Arndt, 2011 A landmark study of the most neglected tool of U S foreign policy      *Same Sky, Different Nights* Nandasiri Jasentuliyana, 2016-07-29 This autobiography set in the social economic and educational history of Sri Lanka

Ceylon is an exceptionally informative and entertaining work Nandasiri Jasentuliyana describes his humble beginnings his sports oriented youth and the successes and stresses of his carefully directed education He recounts the triumphs and tragedies of his adult life with a humor perceptiveness and profundity rarely consolidated in any single work Every page rewards the reader with exploding colors in this kaleidoscope of the authors journey through life Stephen E Doyle Honorary Director International Institute of Space Law formerly White House Counsel on Space and Telecommunications Policy and NASA Adviser on International Affairs The authors route from an obscure Sinhala Buddhist village school in Sri Lanka to the summit of the United Nations was inevitably long winding and arduous He left in its wake an outstanding academic and professional track record The story of the boy from the South who climbed the dizzy heights of international mountains overcoming obstacles on the way to the top of the United Nations is an untold saga which is revealed in these pages

Buddhism Today and Aesthetic Creativity Ananda Guruge,2010-07-26 This book covers many areas of Dr Guruge s interests in the field of Buddhist studies and action He shares these views opinions observations and concerns with many audiences in all parts of the world over the last decade The decision to compile them into a single volume is in response to many requests he has received for copies *Serendipity* Brij V. Lal,Doug Munro,2024-02-29 The second generation of Pacific historians who began their careers in the 1970s and 1980s is gradually fading from the academic scene They have made fundamental contributions to the field of Pacific history enduring in their impact and the identity of the discipline is now firmly established This volume is not so much about their individual research but rather their improbable journeys into Pacific history why and how they came to it in the first place Almost without exception they did not choose Pacific history but rather stumbled into the field through serendipity They came from forays into African Indian East Asian French British imperial and other fields and were enticed into Pacific history through chance or the efforts of kindly mentors All this is evident in the values and understandings they bring to the subject The one commonality that binds them is a love of the islands that have been the center of their lifetime work Many distinguished Pacific historians of the last four to five decades are represented in this collection *Serendipity* presents fourteen autobiographical chapters in which the contributors trace their paths as Pacific historians They offer their sources of inspiration supporters and publications that shaped them as historians With a significant focus on the importance of teaching and mentoring that they both received and provided their writing not only illuminates their lives but the state of Pacific history as an academic field The experiences of the contributors are moving replete with sorrows and regrets as well as of achievements and satisfactions Part of these careers were spent working in areas other than scholarship such as high school teaching consultancies volunteering teaching English as a second language or doing menial jobs just to keep going *Serendipity* is a pathbreaking form of historiography and essential to the Pacific history field *Merchant Vessels of the United States* ,1989 *Interpretation in Social Life, Social Science, and Marketing* John O'Shaughnessy,2009-05-07 Interpretation is used as an umbrella for bringing together a wide

range of concepts and developments in the philosophy of social science that provide the foundation for clear thinking about social phenomena In his new book John O Shaughnessy familiarises the reader with the nature of interpretation and its importance in social life decision making in social science enquiries and consumer marketing thus offering a multidisciplinary approach to problems of bias and uncertainty Thus this book is novel in its outlook and comprehensive in its approach Whereas past studies in interpretation have focused on hermeneutical methods O Shaughnessy goes further considering the role of interpretation in social interactions in undertaking scientific work in the use of statistics in causal analysis in consumer evaluations of products and artifacts and in interpreting problematic situations together with the corresponding biases arising from emotional happiness and the concepts employed **Merchant Vessels of the United States** United States. Coast Guard,1976 **Andrew V. McLaglen** Stephen B. Armstrong,2011-09-07 Here is a comprehensive survey of the film and television career of London born director Andrew V McLaglen An opening biography considers the events and circumstances that contributed to his development as a filmmaker including his relationships with his actor father Victor McLaglen fellow director John Ford and motion picture icon John Wayne who collaborated with Andrew McLaglen on such films as McLintock 1963 Hellfighters 1968 The Undefeated 1969 and Chisum 1970 An extensive annotated filmography covers every theatrical feature film McLaglen directed as well as his television productions and the films he worked on prior to becoming a director Appendices provide information on the numerous documentaries in which McLaglen has appeared and a list of stage plays he has directed since his retirement from motion pictures in 1989 **Princeton Alumni Weekly** ,1984 The 5 Essentials Bob Deutsch, Ph.D.,Lou Aronica,2013-09-03 Raise the bar to become the best version of you Most of us set the bar too low in our lives both personally and professionally Bob Deutsch a cognitive neuroscientist anthropologist turned entrepreneur has spent a lifetime studying people and found that we choose not to pursue our greatest ambitions because we feel we are incapable of reaching them But he has also found that we are each born with the fundamental abilities to live the full creative dynamic lives we dream about Curiosity Openness Sensuality Paradox and Self Story these are our five inner resources Through interviews with inspiring people including Wynton Marsalis and Richard Feynman and case studies of personalities like Bruce Springsteen and Anna Quindlen Deutsch shows us how to access and use these resources to open our lives to unimagined possibilities **Prem Rawat and Counterculture** Ron Geaves,2019-12-12 Ron Geaves demonstrates how the convergence of Prem Rawat formerly known as Guru Maharaj Ji and Glastonbury Fayre in 1971 was a key event in understanding the jigsaw that came to be known as New Age spirituality The book charts the discovery of Prem Rawat in India in 1969 by a small number of British and North American hippies and explores how his arrival in Britain in June 1971 as well as his speech from the pyramid stage at the Fayre at just 13 years old escalated his activities to make him one of the key influencers of 1970s counterculture spirituality Both Glastonbury and Prem Rawat have gone on to re emerge in significantly different identities to the ones presented in 1971 The meeting between the two

demonstrates how alternative spiritualities were being formed in the 1960s and how some strands went on to develop into the New Age counterculture that eventually permeated mainstream cultures in Britain and the USA     *Researching the Nineteenth-Century Periodical Press* Alexis Easley, Andrew King, John Morton, 2017-07-14 Extending the work of The Routledge Handbook to Nineteenth Century British Periodicals and Newspapers this volume provides a critical introduction and case studies that illustrate cutting edge approaches to periodicals research as well as an overview of recent developments in the field The twelve chapters model diverse approaches and methodologies for research on nineteenth century periodicals Each case study is contextualized within one of the following broad areas of research single periodicals individual journalists gender issues periodical networks genre the relationship between periodicals transnational transatlantic connections technologies of printing and illustration links within a single periodical topical subjects science and periodicals and imperialism and periodicals Contributors incorporate first person accounts of how they conducted their research and provide specific examples of how they gained access to primary sources as well as the methods they used to analyze the materials The 2018 winner of the Robert and Vineta Colby Scholarly Book Prize The Committee describes the focus of the book on methodology and case studies as fresh and original and useful for both experienced scholars and those new to the field Overall Case Studies suggests new ways of reading canonical authors new understandings of the interpretation of the personal and the public and an admirable energy in engaging with the structures of national and transnational periodical discourses that are clearly implicated in maintaining soft power within societies Brian Maidment Liverpool John Moores University     **Policing in Hong Kong** Kam C. Wong, 2015-10-12 This comprehensive book examines the state of research on policing in Hong Kong It surveys the history and development of the field of police studies in Hong Kong and examines the various methods problems and prospects in the field     **Notes and Queries** ,1922     **Catalog of Copyright Entries** Library of Congress.
