An Academic Skating on Thin Ice Peter Worsley, 2008-04-01 Peter Worsley's studies at Cambridge were interrupted by war service as a communist officer in the

colonial forces in Africa and India and it was here that he developed a keen interest in anthropology. His work in mass education in Tanganyika and then studied with Max Gluckman at Manchester University. Banned from re-entering Africa, Worsley went to Australia where he was banned once more this time from New Guinea yet he did succeed in completing field research for his Ph.D. on an Australian Aboriginal tribe. His subsequent book on Cargo cults in Melanesia is now regarded as a classic but his left wing politics ensured that he could not get a job in anthropology so he switched to sociology on his return to Manchester.

The Apostle of Norway A. M. Arntzen, 2011-07-01 The farm boy from Thune parish Smaalenene Amt who roused the people of Norway from a prolonged spiritual slumber and industrial inactivity to a vigorous awakening that culminated in the Declaration of Independence of May 17th 1914 *Annual Reports of the War Department* United States. The Theatre Guide Trevor R. Griffiths, 2014-07-04 With over 500 entries on the most important plays and playwrights performed today, The Theatre Guide provides an authoritative A-Z of the contemporary theatre scene. From Aristophanes to Mark Ravenhill, The Alchemist to The Talking Cure, the Guide is both biographically detailed and critically current, while an extensive cross-referencing system allows for wider perspectives and new discoveries. Stimulating, observant and informative, The Theatre Guide is an essential companion and reference tool for anyone with an active interest in drama.

The Back Stage Theater Guide Trevor R. Griffiths, Carole Woddis, 1991 The essential reference for the discriminating theatergoer. The alphabetically organized entries are critical eye-opening examinations of the most popular playwrights through the ages. The screen and stage credits for each playwright are listed and the latest notable productions of their work described. Also included are numerous essays describing major movements in contemporary theater.

Introductory Readings in Anthropology Hilary Callan, Brian Street, Simon Underdown, 2013-05 Anthropology seeks to understand the roots of our common humanity, the diversity of cultures and world views and the organisation of social relations and practices. As a method of inquiry, it embraces an enormous range of topics and as a discipline, it covers a multitude of fields and themes as shown in this selection of original writings. As an accessible entry point for upper level students and first year undergraduates new to the study of anthropology, this reader also offers guidance for teachers in exploring the subject's riches with their students. That anthropology is an immensely expansive inquiry of study is demonstrated by the diversity of its topics, from nature conservation campaigns to witchcraft beliefs, from human evolution to fashion and style and from the repatriation of indigenous human remains to research on literacy. There is no single story of anthropology. Taken together, these fundamental readings are evidence of a contemporary vibrant subject that has much to tell us about all the worlds in which we live.

An Introduction to Social Anthropology Joy Hendry, 2017-09-16 An

essential core textbook that leads the reader from Social Anthropology's foundational approaches and theories to the fundamental areas that characterise the field today. Taking a truly global and holistic view, it includes a wide range of case studies touching on topics that both divide and connect us, such as family, marriage and religion. Fully updated and revised, the third edition of this popular textbook continues to introduce students to what Social Anthropology is, what anthropologists do, how and what they contribute, and how even a limited knowledge of anthropology can help people flourish in today's world. This is an inviting, engaging and enjoyable text that has established itself as a comprehensive introduction to social and cultural anthropology. Written in an accessible style and including a wide range of pedagogical features, it is ideally suited to new or prospective students seeking to better understand the discipline and its roots. New to this Edition: Includes a new chapter on the role of social and cultural anthropologists and the specific methods they use in a fast-changing world. Features a number of new first-hand accounts to explore difficult concepts through people's real-world experiences. Updated sections for further exploration including books, articles, novels, films, and websites.

Cargo Cult Lamont Lindstrom, 2019-03-31 Who is not captivated by tales of Islanders earnestly scanning their watery horizons for great fleets of cargo ships bringing rice, radios and refrigerators, ships that will never arrive? Of all the stories spun about the island peoples of Melanesia, tales of cargo cult are among the most fascinating. The term cargo cult, Lamont Lindstrom contends, is one of anthropology's most successful conceptual offspring. Like culture, worldview and ethnicity, its usage has steadily proliferated, migrating into popular culture where today it is used to describe an astonishing roll call of people. Its history makes for lively and compelling reading. The cargo cult story, Lindstrom shows, is more significant than it at first appears for it recapitulates in summary form three generations of anthropological theory and Pacific studies. Although anthropologists' enthusiasm for the notion of cargo cult has waned, it now colors outsiders' understanding of Melanesian culture and even Melanesians' perceptions of themselves. The repercussions for contemporary Islanders are significant: leaders of more than one political movement have felt the need to deny that they are any kind of cargo cultist. Of particular interest to this history is Lindstrom's argument that accounts of cargo cult are at heart tragedies of thwarted desire, melancholy anticipation and crazy, unrequited love. He makes a convincing case that these stories expose powerful Western scenarios of desire itself, giving cargo cult its combined titillation of the fascinating, exotic and the comfortably familiar.

Armor, 1966

Air Force Cadet Winston Forde, 2010-09-22 This story was written as one of a series of books covering some familiar professions intended to entertain as well as inform. It was a glorious opportunity for the new author to write about his most unusual choice of a career and life after school whilst others were going for the traditional professions of Law, Medicine and Engineering. The story starts with the main character, Ola, just about to end his school days at the Prince of Wales School and applying for a Cadetship at the Royal Air Force College Cranwell in Lincolnshire, United Kingdom. Even for the British candidates, that training leading to a Commission in the Royal Air Force was only available to a select few and so this was bound to be dealing with the mainly

unknown Soon after his acceptance by a local Selection Board Ola embarks on a series of personal experiences that took him overseas to Europe for the first time and a life in a Temperate country with quite different customs and weather He has little time to adjust to his new way of life and to attend a proper Selection Board before arriving at the College to start his training and life as a Flight Cadet that would last over a period of three years The reader is made to feel every bit of this military and exciting journey involving so many special programmes that would turn those young men into fully trained pilot officers on Passing Out The jewel in the story is of course Olas experiences in the air whilst flying in trainer aircraft or in gliders and this together with the adventure comradeship and achievements gained through discipline and determination would leave any young reader wanting more Ironically Winston ends his career working with the young cadets in the Air Training Corps who would undoubtedly find this riveting reading

Sergeant Ola And His Followers: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Sergeant Ola And His Followers : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Sergeant Ola And His Followers : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sergeant Ola And His Followers : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
