Gruesome Serial Killers Nick Vulich, 2020-11-18 Are you afraid of things that go bump in the night Don't look now but some of the most gruesome serial murders occurred in your neighborhood Fourteen year old Jesse Pomeroy had a long history of terrorizing and brutalizing young boys around Boston then his thoughts turned to murder Meet America's youngest serial killer When asked why he did it all he could say was I don't know I had to The Servant Girl Murders in Austin Texas during 1885 puzzled investigators Three black servant girls and one of their boyfriends were brutally beaten and raped in the dark of the night Texans didn't take it seriously until two white women lost their lives on Christmas Eve The killer was never found but many speculate he went on to fame as Jack the Ripper London's famed Whitechapel killer Henry Bastian a Milan Illinois farmer devised a unique method of getting cheap labor He paid his farmhands a few dollars up front and promised them big money at the end of a year's service Then he killed them instead of paying them At least nine young men lost their lives to his scheme Belle Gunness the La Porte Indiana serial killer lured men to her murder farm by advertising for a husband in Scandinavian Matrimonial Magazines As many as forty two men fell victim to her wiles The Sunday Night Murderer rode the rails in the Midwest spreading terror in his wake Twenty five men women and children fell victim to his ax between 1911 and 1912 He slipped into homes in the middle of the night bashed his victims' heads to a pulp and moved on without leaving a clue to his identity The Dayton Strangler took six victims between 1900 and 1909 He lured them away to a quiet area choked them nearly to death then assaulted them When he finished the strangler dumped his victims in outhouse vaults Henry Spencer Chicago's Tango Murderer killed upwards of thirty men and women I became cold blooded he said For five cents I would kill a man and drink his blood After his capture he revealed the police with stories about how he took his victims Bertha Gifford was a typical grandma except for her tendency for homicide She poisoned at least nineteen people she was charged with nursing back to health After her arrest she told detectives Arsenic helped me I thought it might help them too After you read it you will never look at your neighbors the same way

Geographic Profiling D. Kim Rossmo, 1999-12-28 As any police officer who has ever walked a beat or worked a crime scene knows the street has its hot spots patterns and rhythms drug dealers work their markets prostitutes stroll their favorite corners and burglars hit their favorite neighborhoods But putting all the geographic information together in cases of serial violent crime murder rape arson bombing and robbery is highly challenging Just ask the homicide detectives of the Los Angeles Police Department who hunted the Hillside Stranglers or law enforcement officers in Louisiana who tracked the brutal South Side rapist Geographic Profiling introduces and explains this cutting edge investigative methodology in depth Used to analyze the locations of a

connected series of crimes to determine the most likely area of offender residence geographic profiling allows investigators and law enforcement officers to more effectively manage information and focus their investigations This extensive and exhaustive work explains geographic profiling theories and principles and includes an extensive review of the literature and research in the areas of criminal profiling forensic behavioral science serial violent crime environmental criminology and the geography of crime For investigators and police officers deployed in the field as well as criminal analysts Geographic Profiling is a must have reference Encyclopedia of Murder and Violent Crime Eric Hickey, Ph.D.,2003-07-22 As a good encyclopedia does the Encyclopedia of Murder and Violent Crime brings together articles that offer diverse insights into the topic while at the same time giving the reader a feel for its overall scope AGAINST THE GRAIN This comprehensive single volume encyclopedia contains a wealth of material on killing and other violent behavior as well as detailed information on a host of criminal cases from local decisions to Supreme Court rulings The Encyclopedia of Murder and Violent Crime includes nearly 500 entries that range from Antisocial Personality Disorder and the Beltway Snipers to the infamous Zodiac Murders Entries take several formats including substantial essays on criminal terms pathologies and criminal justice concise case studies of serial murderers infamous crimes and their investigations relatively brief definitions of relevant legal and criminological terms The Encyclopedia is written by an impressive group of contributors many leading experts in their fields of criminology criminal justice and more Extra features such as a handy easy to use Reader s Guide a lavish art program of approximately 50 photographs and several appendixes enhance and complete the volume This valuable reference is designed for academic school public and special private libraries as well as criminal justice agencies Murder, an Analysis of Its Forms, Conditions, and Causes Gerhard Falk,Clifford Falk,1990 A unique study providing evidence that murder is predictable and the exceptionally high murder rate in the United States is reduceable Part I examines 50 case histories and an analysis of 912 homicides from an original study made in Erie County Buffalo New York Part II discusses multicide serial killers and mass murderers Part III covers assassinations and executions and a final part presents conclusions
