The Sermons of John Donne John Donne,1984-01-01      Sermons Preached Before the Honourable Society of Lincoln's-Inn John Langhorne,1773      **A Sermon Preached at Lincoln's Inn by John Donne** George Reuben Potter,1947

**The Sermons of John Donne, Volume III** John Donne,2022-04-29 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1957      **The Sermons of John Donne, Volume II** John Donne,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1955      **The Sermons of John Donne, Volume X** John Donne,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1962      **The Sermons of John Donne, Volume I** John Donne,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1953      *Sermons Preached in Lincoln's Inn Chapel* Frederick Denison Maurice,1892      The Oxford Edition of the Sermons of John Donne, Volume VII Peter McCullough, Erica Longfellow,2024-12-11 Volume VII of The Oxford Edition of the Sermons of John Donne gathers sermons preached by Donne at different venues for the related liturgical occasions of marriages christenings and the churching of women after childbirth The volume contains ten sermons seven of them undated and in the case of the christening sermons also for parties unknown one of the two churching sermons survives only in an authorially revised state as two separate but obviously coeval sermons Longfellow and McCullough establish that these sermons were preached across almost the whole of Donne s preaching career from among his earliest ca 1615 16 to 1627 four years before his death In each case an authoritative text has been established by freshly collating multiple copies of the seventeenth century print editions as well as multiple manuscript copies which predate the print witnesses For the first time these sermons appear with full critical apparatus The Introduction provides the first dedicated account of the place of sermons in the social liturgical and theological contexts of these occasions in post Reformation England A headnote to each sermon describes its textual

state and supplies local historical social and intellectual context and suggestions for further reading Extensive commentaries document Donne s use of sources both acknowledged and unacknowledged translate passages in foreign languages and gloss important and unfamiliar words Although largely neglected by previous scholarship these sermons emerge here as unique the only known sermons for churchings challenging for views on women and marriage more conservative than many of Donne s contemporaries and as evidence of Donne s Calvinist sacramental theology and his anti Catholicism They are also fine examples of Donne s skill in crafting emotionally compelling sermons suited to the unique demands of both occasion and auditory

**John Donne** John Donne,2000 This authoritative edition was formerly published in the acclaimed Oxford Authors series under the general editorship of Frank Kermode It brings together a unique combination of Donne s poetry and prose all the major poems complemented by rarely published letters and extracts from Donne s sermons to give the essence of his work and thinking John Donne 1572 1631 is today celebrated as one of the greatest of the metaphysical poets whose verse was daringly original and whose use of imagery and conceits marked a new intellectual approach to poetry His Satires Elegies and Songs and Sonnets which contain his most famous love poems were complemented by his religious writing both verse and prose He was one of the most renowned preachers of his day and this volume does equal justice to the full range of his work In addition to nearly all his English poetry this volume includes over 130 extracts from Donne s sermons as well as the full text of his last sermon Death s Duel A distinguishing feature of the selection is that the works are arranged in the chronological order of their composition

**Etymology and the Invention of English in Early Modern Literature** Hannah Crawforth,2013-11-07 How did authors such as Jonson Spenser Donne and Milton think about the past lives of the words they used Hannah Crawforth shows how early modern writers were acutely attuned to the religious and political implications of the etymology of English words She argues that these lexically astute writers actively engaged with the lexicographers Anglo Saxonists and etymologists who were carrying out a national project to recover or invent the origins of English at a time when the question of a national vernacular was inseparable from that of national identity English words are deployed to particular effect as a polemical weapon allegorical device coded form of communication type of historical allusion or political tool Drawing together early modern literature and linguistics Crawforth argues that the history of English as it was studied in the period radically underpins the writing of its greatest poets

**Prayer and Performance in Early Modern English Literature** Joseph Sterrett,2018-10-25 Early modern England was a nation alive with intense religious debate with often violent results Central to these debates were questions of prayer questions powerful enough to splinter the English church and to fuel a ferocious civil war This collection of thirteen newly commissioned essays traces the controversy and value given

to the performance of prayer through the body the spoken word and written text as well as its representation on stage Through close readings of the works of Christopher Marlowe William Shakespeare John Donne John Milton and Henry Vaughan amongst others this book examines the performative aspects of prayer in a range of literary modes This broad range of study is expanded further with chapters focussing on the private religious diaries of men and women throughout the seventeenth century and the convergence of music and prayer in the work of William Byrd     **Sermons Preached Before the Honourable Society of Lincoln's-Inn** John Langhorne,1773     Illustrations of the Literary History of the Eighteenth Century by John Nichols ,1848     **The Sermons of John Donne, Volume VII** John Donne,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1954     **Mapping the Early Modern Inns of Court** Emma Rhatigan,Jackie Watson,2025-06-16 This collection of essays presents recent research on the Inns of Court and their place in the literature and culture of the early modern world The volume is structured in three sections Section One looks at the institutional spaces of the Inns themselves The chapters consider how the Innsmen s identities and writings were shaped by their participation in the communal life of the legal Societies Section Two looks at the Inns in the context of early modern London The chapters attend to the intellectual and cultural traffic between the Inns and the city in which they were located by examining the role of Innsmen in the book trade the circulation of manuscripts playhouses and musical culture Finally Section Three sets a wider international context The chapters focus on the role of Innsmen in translation nation building and early colonisation Together these sections attend to the Innsmen not only as writing communities in themselves but as participants in a complex of intersecting networks reaching out into London and beyond     *The Oxford Handbook of the Early Modern Sermon* Peter McCullough,Hugh Adlington,Emma Rhatigan,2011-08-04 The Oxford Handbook of the Early Modern Sermon is the first book to survey this rich new field for both students and specialists It is divided into sections devoted to sermon composition delivery and reception sermons in Scotland Ireland and Wales English Sermons 1500 1660 and English Sermons 1660 1720
