Sermons For Today:

What's the Matter with Preaching Today? Mike Graves, 2004-01-01 Seventy five years ago renowned preacher Harry Emerson Fosdick asked in Harper's Magazine what's the matter with preaching Fosdick's question is even more relevant today as both pastors and laity acknowledge the need for improvement in Sunday morning's sermons And who better for pastors and students to learn from than those who already do it well The contributors to this book are a some of the best and most thoughtful preachers in the church and classroom today In their essays they assess the state of preaching today identify a variety of issues that challenge effective preaching and offer helpful suggestions for what can be done to improve preaching In the process they help to define what effective preaching is **Salvation by Faith** John Wesley, James Hargreaves, 2012-08-24 John Wesley led one of the greatest Christian revivals in the history of England and his open air preaching saw many thousands of conversions all across Great Britain The 44 Sermons which he compiled for use by Methodist Local Preachers remains a timeless classic and a definitive collection of core Wesleyan doctrine along with his Notes on the New Testament Forty Four Sermons was first published in 1759 over 250 years ago and since then the English language has changed and evolved to the point that his works can no longer be as easily read and understood in their original dialect and so to preserve Wesley's message and to make it come to life for a new generation this project has been undertaken The sermons are translated sentence by sentence carefully and prayerfully The aim has been to communicate both word for word and thought for thought choosing clarity of communication in simple English over archaic word order where necessary and preferring the original word order when there is no difference Whereas Wesley used the King James Bible in keeping with the word for word and thought for thought method used in translation the NIV and Bibles have been used to replace Wesley's original scripture quotations and to communicate the heart of his message as clearly as possible Gender inclusive language has also been favoured over the archaic use of the word he to indicate everyone The word humanity has also been favoured over the word mankind as this latter word now carries with it gender implications which were not present in Wesley's time Each sermon will be translated and published in order from 1 to 44 and when the series is completed they will be published as one volume Dynamic and Inspirational Sermons for Today Ralph L. Preaching for Today Clyde E. Fant, 1975 What's Right with Preaching Today? Mike Graves, André Resner, 2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harper's Magazine What's the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock's legacy Mike Graves and

Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred s impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching s present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson **The Gospel for Today** R. A. Torrey,2013-03-25 From 1902 1907 R A Torrey went on a series of startlingly successful speaking tours to nearly every part of the English speaking world His preaching sparked revivals and drew crowds on multiple continents Throughout these tours and for the rest of his ministry Torrey delighted in pointing out that the message he preached was changeless The Gospel for Today is a collection of those sermons as poignant and effective today as when he first preached them It is sure to be a treasured part of any Christian book collection *Spurgeon's Sermons Volume 15: 1869* Charles Haddon Spurgeon,2017-10-07 Charles Spurgeon was one of the most evangelical and puritan of protestant minister s in the 19th century In the fifteenth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God **Jesus' Radical Message** Z. Holler,2010-01-11 Traditional preaching along with the mainline churches in which it has been most prevalent over the years is losing its appeal for growing numbers of people who are caught up in the dangers and confusion of our fragmented world Many are hungering for a more powerful and challenging message rooted in Jesus Life and teachings seeking clues about how to live faithfully amid the destructive social and personal pressures created by our nation s exploitation of its position of global dominance The sermons in this volume emerge from the conversion story of a Southern white Presbyterian pastor who was transformed by the civil rights struggle and who has chosen to live on the boundary between mainstream and marginalized people Rooted in an understanding that Jesus gospel message is subversive of many of the dominant values and practices of our culture and our world today they are intended to be disturbing sermons But they disturb for the sake of healing and hope always pointing to Jesus good news of the liberating possibility of beloved community inclusive of us all Z Holler s collection of sermons Jesus Radical Message are exegetical models faithful to their texts but highly disturbing He has taken familiar stories of Jesus and let them speak to modern readers as they spoke to the disciples of old threatening their prejudices and challenging their deepest commitments They grow out of Holler s own experience as all good sermons should do are well written and to the point Charles Consar Columbia Theological Seminary I share with my friend and elder Z Holler two deep convictions that the gospels call us to radical discipleship and that the Beloved Community Center of Greensboro is truly carrying on the work and witness of Martin Luther King Z s journey of following Jesus and standing in solidarity with the BCC is remarkable for a white southern preacher of his generation reminiscent of Clarence Jordan and Will Campbell His

memoir and sermons testify to the wound of racism and to how gospel faith changes personal and political geographies

Scriptural Christianity John Wesley James Hargreaves, 2013-05-04 John Wesley led one of the greatest Christian revivals in the history of England and his open air preaching saw many thousands of conversions all across Great Britain The 44 Sermons which he compiled for use by Methodist Local Preachers remains a timeless classic and a definitive collection of core Wesleyan doctrine along with his Notes on the New Testament Forty Four Sermons was first published in 1759 over 250 years ago and since then the English language has changed and evolved to the point that his works can no longer be as easily read and understood in their original dialect and so to preserve Wesley's message and to make it come to life for a new generation this project has been undertaken The sermons are translated sentence by sentence carefully and prayerfully The aim has been to communicate both word for word and thought for thought choosing clarity of communication in simple English over archaic word order where necessary and preferring the original word order when there is no difference Whereas Wesley used the King James Bible in keeping with the word for word and thought for thought method used in translation the NIV and Bibles have been used to replace Wesley's original scripture quotations and to communicate the heart of his message as clearly as possible Gender inclusive language has also been favoured over the archaic use of the word he to indicate everyone The word humanity has also been favoured over the word mankind as this

latter word now carries with it gender implications which were not present in Wesley's time. Each sermon will be translated and published in order from 1 to 44 and when the series is completed they will be published as one volume.

Biblical Preaching for Today's World Lloyd Merle Perry, 1973.

The Righteousness of Faith James Hargreaves, 2014-02-27. John Wesley led one of the greatest Christian revivals in the history of England and his open air preaching saw many thousands of conversions all across Great Britain. The 44 Sermons which he compiled for use by Methodist Local Preachers remains a timeless classic and a definitive collection of core Wesleyan doctrine along with his Notes on the New Testament. Forty Four Sermons was first published in 1759 over 250 years ago and since then the English language has changed and evolved to the point that his works can no longer be as easily read and understood in their original dialect and so to preserve Wesley's message and to make it come to life for a new generation this project has been undertaken. The sermons are translated sentence by sentence carefully and prayerfully. The aim has been to communicate both word for word and thought for thought choosing clarity of communication in simple English over archaic word order where necessary and preferring the original word order when there is no difference. Whereas Wesley used the King James Bible in keeping with the word for word and thought for thought method used in translation the NIV and Bibles have been used to replace Wesley's original scripture quotations and to communicate the heart of his message as clearly as possible. Gender inclusive language has also been favoured over the archaic use of the word he to indicate everyone. The word humanity has also been favoured over the word mankind as this latter word now carries with it gender implications which were not present in Wesley's time. Each sermon will be translated and published in order from 1 to 44 and when the series is completed they will be published as one volume.

The Four Pages of the Sermon, Revised and Updated Paul Scott Wilson, 2018-09-18 Doing justice to the complexity of the preaching task and the questions that underlie it author Paul Scott Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two This approach is about preaching the gospel in nearly any sermon form Wilson teaches the what why and how of sermon construction all rooted in a theology of the Word This completely revised edition guides readers through the sermon process step by step with the aim of composing sermons that challenge and provide hope by focusing on God more closely than on humans It has been largely rewritten to include an assessment of where preaching is today in light of propositional preaching the New Homiletic African American preaching the effect of the internet and use of technology A chapter on exegesis has been added plus new focus on the importance of preaching to a felt need the need for proclamation in addition to teaching and developing tools to ensure sermon excellence New sermon examples have been added along with a section that responds to critics and looks to the future

The Witness of Preaching, Second Edition Thomas G. Long, 2005-10-20 This thorough and detailed revision of *The Witness of Preaching* is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical

exegesis and included more examples of sermon forms illustrations and conclusions He continues to critically engage the best thinkers in the field of homiletics bringing into the conversation both important new voices and the latest works of those who appeared in the first edition In addition he addresses some of the new forces at work such as the use of video clips and PowerPoint presentations in sermons

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn't that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place

Revival Preaching Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world

Life-Situation Preaching for African-Americans Willie J. Newton Jr., 2019-12-17 The book benefits anyone who desires an approach to preaching that gets at listeners' felt needs What we have been taught about preaching and our chosen approach to preaching may not serve us or our listeners well Thus the preacher's fidelity to an ineffective approach to preaching lies at the heart of the problem This book helps preachers resolve this issue with life situation preaching an approach that begins with listeners' needs Herein readers will experience the power of life situation preaching to address the spiritual and practical problems challenges struggles and unique experiences African Americans face daily
