The Serpent's Gift Ernest Gibson, 2011-09 Justin Grant a professor at a Christian based college in the Midwest is struggling to come to terms with the death of his wife and child During a leave of absence he is hiking through the mountains near a friend's cabin in Kentucky He looks up and watches as a man slowly floats towards the ground He blinks then thinks Where is the parachute Is that a halo Thoughts vanish as the man plummets the last hundred feet to the ground Justin runs to where the broken man lies carries him to the cabin and soon finds out that the man recuperating on his sofa is not of this world As the stranger's wounds heal Justin and the man he now knows as Sandel talk of many things and Justin finds that he likes this mysterious man As Justin listens the story his new friend tells threatens to shatter everything Justin has ever known and in the end uncovers the greatest hoax ever perpetrated against mankind Ernest Gibson lives in the Midwest far enough away from a major city to enjoy small town living Ernest is a graduate of Purdue University He is a retired designer in the auto industry he works part time in an electronics store only because his family after he spent a year and a half at home told him to get his ass out of the house and do something He is a lifelong seeker of knowledge and truth and strives to help others do the same The one thing that he finds most abhorrent is a closed mind He has never grown out of the enjoyment of the playing the game of What If After reading this book you will see that the What Ifs went crazy It is after all what brought this book to life

**The Serpent's Gift** Jeffrey J. Kripal, 2008-09-15 Because thou hast done this thou art cursed above all cattle and above every beast of the field With those words in Genesis God condemns the serpent for tempting Adam and Eve and the serpent has shouldered the blame ever since But how would the study of religion change if we looked at the Fall from the snake's point of view Would he appear as a bringer of wisdom more generous than the God who wishes to keep his creation ignorant Inspired by the early Gnostics who took that startling view Jeffrey J Kripal uses the serpent as a starting point for a groundbreaking reconsideration of religious studies and its methods In a series of related essays he moves beyond both rational and faith based approaches to religion exploring the erotics of the gospels and the sexualities of Jesus John and Mary Magdalene He considers Feuerbach's Gnosticism the untapped mystical potential of comparative religion and even the modern mythology of the X Men Ultimately The Serpent's Gift is a provocative call for a complete reorientation of religious studies aimed at a larger understanding of the world the self and the divine
