P. Amah (PhD), 2012-09 Ken Blanchard from Servant Leadership Revisited With the traditional pyramid the boss is always responsible and the staff are supposed to be responsive to the boss When you turn the pyramid upside down those roles get reversed Your people become responsible and the job of management is to be responsive to their people That creates a very different environment for implementation If you work for your people then what is the purpose of being a manager To help them accomplish their goals Your job is to help them win Shann Ray Ferch PhD Professor of Leadership Gonzaga University In an elegant and evocative rendering of the life of one of the world s great servant leaders Edeh Dr Amah has given us a glimpse of global servant leadership and a true vision of the kind of leaders we need to help heal the heart of the world Dr Amah s book is a resource with global implications and with the honesty and tenderness that move us forward as human beings and that restore us to the deepest and most vital expressions of our collective humanity In envisioning for us the life and impact of Emmanuel Edeh Nigerian and global servant leader Dr Amah gives hope to the people of every continent and in fact helps us reach as global citizens for one another in hope and love and good service This hope is established first in the person then the collective and finally the world Peter Amah has given us a guide to that hope and placed in our hands the gift that leads us from the despair of the past to a future graced by discernment and love Servant Leadership for Church Renewal David S. Young, 2012-12-01 David Young s Servant Leadership for Church Renewal is a logical sequel to his earlier book A New Heart and a New Spirit Drawing on his experience as a pastor and a teacher of pastors the author offers his own thorough practical and biblically based perspective on the meaning implications and importance of servant leadership This is a useful resource for seminary students pastors and lay leaders Richard Stoll Armstrong Princeton Theological Seminary Young s book is a highly recommended read for any pastor seeking to bring renewal to the church through self renewal and a commitment to a godly leadership so needed in the church today Scott Rodin President Eastern Baptist Theological Seminary

Young's book will be a strong stimulus to pastors and congregational leaders in many settings. It balances content and programming in a flexible and sensitive way. I recommend this book on servant leadership. George R. Brunk III, Dean Eastern Mennonite Seminary. David Young's presentations have effective references to Scripture, clear and concise outlines, and practical applications and illustrations. I have always been enriched in seminars taught by David Young. Richard Sisco, Pastor Akron PA Church of the Brethren. When we were developing a church vision, we consulted with David. His time with us was beneficial in helping us to be sensitive to the ministry God is uniquely creating at Frazer Mennonite Church. Jason Kuniholm, Pastor Frazer PA Mennonite Church. *Servant Leadership for Church Renewal* is a must-read book for any and all servant leaders in the Kingdom of God. David S. Young masterfully explores the Bible and creatively teaches leaders the challenge of being in leadership in the Christian Church. This book was long overdue for the body of Christ. Every leader, every church member, every laity should be required to read this book before being allowed to serve in any capacity in the church. The author shows us through the word that we are called not to just be leaders who hold a position and title but rather we are called to lead people to a deeper and more fulfilling place in God. I have designed all my Leadership Training at Union Baptist Church around this book. It is a must-have and a must-read for all pastors and laity. Rev. Antonio D. Anderson, Union Baptist Church in the Village of Harlem, New York. *The Palgrave Handbook of Servant Leadership* Gary E. Roberts, 2023-04-11

This reference work offers comprehensive perspectives on servant leadership. Featuring a cadre of leading world-class scholars, practitioners, and contributing authors from diverse fields of inquiry, it aims to collate research on servant leadership with a particular focus on its moral and spiritual dimensions. It is divided into sections that center on topics such as character, philosophical influences, diversity, and inclusion; critiques of servant leadership; as well as examples of servant leaders. Though first introduced in the 1970s by Robert Greenleaf, the field of servant leadership is still lacking consensus on a definition and a theoretical framework. The goal of this reference work is to begin to fill this gap by assembling the scholarship of the top scholars in this field and providing a go-to source for information on the theory and practice of servant leadership.
