Servants Of The People The Inside Story Of New Labour

Alistair Clark

Servants Of The People The Inside Story Of New Labour:

The Prime Ministerial Court R. A. W. Rhodes, 2024-10-25 Court politics is about who in British government did what to whom when how why and with what consequences In *The Prime Ministerial Court* Rod Rhodes provides a thorough depiction of the court politics of the Conservative governments of the twenty first century namely the courts of David Cameron Theresa May and Boris Johnson Exploring specific topics including the courtiers the prime minister s craft reshuffles resignations and leadership challenges and the political games and feuds in the court between ministers advisers and civil servants Rhodes concludes that the British government has a new Establishment in which the skills of knavery abound He finds evidence of betrayal revenge lying scandals and bullying with such machinations oiled by gossip humour and alcohol Analysing the everyday practice of the dark arts by the British political and administrative elite each chapter includes a short case study of the court in action covering the education wars the 2018 election and the Covid 19 crisis Each case illustrates the personal electoral and governmental consequences of court politics Rhodes warns that there are more and more knaves decency is in decline and British government needs rules for rulers Above all he cautions citizens beware here be dragons *Dispatches from the War Room* Stanley B. Greenberg, 2009-02-17 The fascinating war room memoir of a political pollster and how he helped forge the agendas of five high profile heads of state As a hired gun strategist Greenberg a seasoned pollster and political consultant has seen it all In his memoir he recounts his work with President Bill Clinton British Prime Minister Tony Blair Israeli Prime Minister Ehud Barak Bolivian president Gonzalo Sanchez de Lozada and South African president Nelson Mandela Through his experiences aiding the leaders in pushing their visions for better and clearer domestic and international policies Greenberg offers an insightful examination of leadership democracy and the bridge between candidate and constituency This captivating tale of political battlegrounds provides an inside look at some of the greatest international leaders of our time from the man who stood directly beside them *1997* Richard Power Sayeed, 2017-10-16 Beautifully written brilliantly insightful Owen Jones Tony Blair and Noel Gallagher shaking hands at No 10 Saatchi s YBAs setting the international art world aflame Geri Halliwell in a Union Jack dress A time of vibrancy and optimism when the country was united by the hope of a better and brighter future So why twenty years on did that future never happen Richard Power Sayeed takes a provocative look at this epochal year arguing that the dark undercurrents of that time had a much more enduring legacy than the marketing gimmick of Cool Britannia He reveals how the handling of the Stephen Lawrence inquiry ushered in a new type of racism How the feminism lite of Girl Power made sexism stronger And how the promises of New Labour left the country more fractured than ever This lively rich and evocative book explores why 1997 was a turning point for British culture and society away from a fairer brighter future and on the path to our current malaise *Political Communications* Simon Atkinson, John Bartle, Roger Mortimore, 2013-10-23 This work examines political communications in British general elections Like its predecessors it has a dual purpose first to make available the reflections of those who

participated in it and second to provide analysis of the media the parties and public opinion polls in the campaign

Political Parties in the UK Alistair Clark, 2018-08-22 The second edition of this popular textbook provides a systematic and comprehensive introduction to UK party politics combining chapters on each of the main parties Conservative Labour the Liberal Democrats and the Scottish National Party with an assessment of post devolution Scotland Wales and Northern Ireland Clark analyses the extraordinary recent developments in UK politics including Brexit the 2015 and 2016 Labour leadership contests and the surprise 2017 general election exploring how these events have impacted the political parties the people of the UK and the UK's position in the world The book also covers the rise of minority parties such as UKIP the influence of the media and party campaigning organisation and funding Written in an accessible style this new edition is an essential companion for students taking modules on British Political Parties Party Politics or British Politics more generally as well as functioning as a useful background text for modules in Comparative Political Parties It is an ideal introduction for all readers new to the topic New to this Edition A new chapter on the Scottish National Party takes account of their rise their role as a governing party in Scotland and becoming the third largest party at Westminster Up to date coverage of all the latest developments affecting UK political parties including the Scottish referendum the 2015 and 2017 general elections the 2016 devolved elections and Brexit Extended coverage of the rise and fall of UKIP

Britain since 1688 Stephanie Barczewski, John Egin, Stephen Heathorn, Michael Silvestri, Michelle Tusan, 2023-05-10 Now in its second edition *Britain since 1688* is an accessible and comprehensive introduction to British History from 1688 to the present day that assumes no prior knowledge of the subject Chronological in structure yet thematic in approach the book guides the reader through major events in British history from the Glorious Revolution of 1688 offering extensive coverage of the British Empire and continuing through to recent events such as Britain's exit from the European Union Fully revised and updated using the most recent historical scholarship this edition includes discussion of the Brexit referendum and Britain's subsequent exit from the European Union along with increased coverage of Britain's imperial past and its legacy in the present New sidebars on themes such as race immigration religion sexuality the presence of empire and the experience of warfare are carried across chapters to offer students current and relevant interpretations of British history Written by a team of expert North American university professors and supported by textboxes timelines bibliographies glossaries and a fully integrated companion website this textbook provides students with a strong grounding in the rich tapestry of events characters and themes that encompass the history of Britain since 1688

Blair's Britain, 1997-2007 Anthony Seldon, 2007-09-20 Tony Blair has dominated British political life for more than a decade Like Margaret Thatcher before him he has changed the terms of political debate and provoked as much condemnation as admiration At the end of his era in power this book presents a wide ranging overview of the achievements and failures of the Blair governments Bringing together Britain's most eminent academics and commentators on British politics and society it examines the effect of the Prime Minister and his

administration on the machinery of government economic and social policy and foreign relations Combining serious scholarship with clarity and accessibility this book represents the authoritative verdict on the impact of the Blair years on British politics and society

Harnessing Chaos James G. Crossley, 2014-08-28 Harnessing Chaos is an explanation of changes in dominant politicized assumptions about what the Bible really means in English culture since the 1960s James G Crossley looks at how the social upheavals of the 1960s and the economic shift from the post war dominance of Keynesianism to the post 1970s dominance of neoliberalism brought about certain emphases and nuances in the ways in which the Bible is popularly understood particularly in relation to dominant political ideas This book examines the decline of politically radical biblical interpretation in parliamentary politics and the victory of a modified form of Margaret Thatcher's re-reading of the liberal Bible tradition following the normalisation of a modified form of Thatcherism more generally Part I looks at the potential options for politicized readings of the Bible at the end of the 1960s focussing on the examples of Christopher Hill and Enoch Powell Part II analyses the role of Thatcher's specific contribution to political interpretation of the Bible and assumptions about religion Part III highlights the importance of often unintended ideological changes towards forms of Thatcherite interpretation in popular culture and with particular reference to Monty Python's Life of Brian and the Manchester music scene between 1976 and 1994 Part IV concerns the modification of Thatcher's Bible particularly with reference to the embrace of socially liberal values by looking at the electoral decline of the Conservative Party through the work of Jeffrey Archer on Judas and the final victory of Thatcherism through Tony Blair's exegesis Some consideration is then given to the Bible in an Age of Coalition and how politically radical biblical interpretations retain a presence outside parliamentary politics Harnessing Chaos concludes with reflections on why politicians in English politicians bother using the Bible at all

Modern British Prime Ministers from Balfour to Johnson Dick Leonard, 2021-11-22 Dick Leonard's Modern British Prime Ministers from Balfour to Johnson surveys the lives and careers of all the 24 Prime Ministers from Arthur Balfour to Boris Johnson in succinct informative and entertaining chapters Bringing to life the political achievements and personal idiosyncrasies of Britain's rulers over the 20th and 21st centuries the author recounts the circumstances which took them to the pinnacle of British political life probes their political and personal strengths and weaknesses assesses their performance in office and asks what lasting influence they have had Along the way Leonard entertains and informs revealing little known facts about the private lives of each of the Prime Ministers for example which two Premiers one Tory one Labour were taught by the same governess as a child Who was thrashed at his public school for writing pornography and later donated one fifth of his wealth to the nation Who was awarded a fourth class degree at Oxford and went on to father eight children Who was described by his son as probably the greatest natural Don Juan in the history of British politics This book can also form part of a two volume set published by Routledge including the companion volume British Prime Ministers from Walpole to Salisbury The 18th and 19th Centuries This book will be of key interest to scholars students and readers of British

political history the Executive government and British politics *Special Advisers* Ben Yong, Robert Hazell, 2014-12-01

Viewers of *The Thick of It* will know of special advisers as spin doctors and political careerists Several well known ministers have been special advisers among them David Cameron Ed Miliband Jack Straw and Vince Cable People also know about the public relations disasters involving Jo Moore Damian McBride and Adam Smith But what is the reality What do special advisers actually do in government Who are they where do they come from and why are they needed This book is the most detailed study yet carried out of special advisers The Constitution Unit's research team led by Dr Ben Yong and Professor Robert Hazell assembled a comprehensive database of over 600 special advisers since 1979 They conducted written surveys and interviewed over 100 special advisers ministers and officials from the past thirty years They conclude that special advisers are now a permanent and indispensable part of Whitehall but are still treated as transient and temporary The book concludes with practical recommendations for increasing the effectiveness of special advisers through improvements to their recruitment induction and training support and supervision and strengthening their accountability *Policy Making in Britain* Peter Dorey, 2014-04-22

Introducing you to the public policy making process in Britain today this book adopts an empirical approach to the study of policy making by relating theory to actual developments in Britain since the 1980s It covers Ideas Problem Definition Issues and Agenda Setting Key Individuals Key Institutions Parliament and Public Policy Implementation The shift from Government to Governance including marketization and devolution The increasing role of the private and voluntary sectors in policy delivery Internationalisation and Europeanization of policies and policy making Evaluation audits and the New Public Management Each chapter is enriched by recent real life case studies and boxes illustrating key arguments concepts and empirical developments Taking into account the 2010 election and beyond the book addresses current issues developments and debates The result is a contemporary and engaging text that will be required reading for all students of British politics public policy and public administration ***The Blair Supremacy*** Lewis Minkin, 2014-06-16

Lewis Minkin has immense experience of the Labour Party and has acted as adviser to two major internal reviews of the internal party organisation As the author of two widely acclaimed and original studies on the Labour Party *The Labour Party Conference* and *The Contentious Alliance* he possesses an unrivalled grasp of the subtleties and nuances of Labour's internal relationships *The Blair Supremacy* is groundbreaking in its investigation of the processes methods character and politics of party management during a period when Blair strengthened his own position as he and his allies and managers drove the party through a ferment of new developments under the name New Labour For this book Minkin has been able to draw on a wealth of sources unavailable to other scholars What is uncovered here is revealing and at times startling It includes an extensive covert internal organisation a culture which facilitated manipulation and what can be described as a rolling coup These developments are rigorously and critically examined with a strong focus on three fundamental questions How were these changes achieved Was it as it was often represented a complete supremacy Why did

it end so badly with Blair being forced in effect to step down The study challenges many misconceptions and sheds new light on the Blair legacy and on the intense controversies surrounding him It also adds greatly to our understanding of some acute contemporary problems in British political life **Electing and Ejecting Party Leaders in Britain** Thomas

Quinn,2012-02-07 The Conservatives Labour and the Liberal Democrats each allow their members to participate in the selection of the party leader It also examines the consequences of all member ballots in leadership elections It looks at how parties remove leaders showing that each of the major British parties sought to make it harder to evict incumbents

Trading Time Lee Gregory,2016-06-01 Welfare reform in the wake of austerity has fostered increased interest in self help initiatives within the community sector Amongst these time banking one of a number of complementary currency systems has received increasing attention from policy makers as a means for promoting welfare reform This book is the first to look at the concept of time within social policy to examine time banking theory and practice By drawing on the social theory of time to examine the tension between time bank values and those of policy makers it argues that time banking is a constructive means of promoting social change but is hindered by its co option into neo liberal thinking This book will be valuable for academics researchers with an interest in community based initiatives the third voluntary sectors and theoretical analysis of social policy and political ideologies *Government Communications and the Crisis of Trust* Ruth Garland,2021-10-12 This book opens up the black box of government communication during the age of political spin using archival and official documents memoirs and biographies and in depth interviews with media political and government witnesses It argues that substantive and troubling long term changes in the ways governments manage the media and publicly account for themselves undermine the public consent essential to democracy Much of the blame for this crisis in public communication has been placed at the feet of politicians and their aides but they are just part of the picture A pervasive culture of mediatization has developed within governments leading to intended and unintended consequences that challenge the capacity of central public bureaucracies to implement public values and maintain impartiality It concludes that public servants elected officials and citizens have an important role to play in accounting for governments custodianship of this most politically sensitive of public goods the public communications function *Class, Politics, and the Decline of Deference in England, 1968-2000*

Florence Sutcliffe-Braithwaite,2018-03-01 In late twentieth century England inequality was rocketing yet some have suggested that the politics of class was declining in significance while others argue that class identities lost little power Neither interpretation is satisfactory class remained important to ordinary people s narratives about social change and their own identities throughout the period 1968 2000 but in changing ways Using self narratives drawn from a wide range of sources the raw materials of sociological studies transcripts from oral history projects Mass Observation and autobiography the book examines class identities and narratives of social change between 1968 and 2000 showing that by the end of the period class was often seen as an historical identity related to background and heritage and that many felt strict class

boundaries had blurred quite profoundly since 1945 Class snobberies went underground as many people from all backgrounds began to assert that what was important was authenticity individuality and ordinariness In fact Sutcliffe Braithwaite argues that it is more useful to understand the cultural changes of these years through the lens of the decline of deference which transformed people s attitudes towards class and towards politics The study also examines the claim that Thatcher and New Labour wrote class out of politics arguing that this simple and highly political narrative misses important points Thatcher was driven by political ideology and necessity to try to dismiss the importance of class while the New Labour project was good at listening to voters particularly swing voters in marginal seats and echoing back what they were increasingly saying about the blurring of class lines and the importance of ordinariness But this did not add up to an abandonment of a majoritarian project as New Labour reoriented their political project to emphasize using the state to empower the individual

Changing States, Changing Nations Andrew McDonald,2021-01-28 This book presents the remarkable constitutional reforms undertaken by the Blair and Brown governments in the UK The reforms are remarkable in that they had the potential to change the way Britons understood the national identity of the UK The book illuminates the ambitions of the key players in Whitehall and Westminster and is enriched through a study of comparable constitutional reforms in Canada and Australia the Charter of Rights and Freedoms pioneered by Pierre Trudeau and the attempt by Paul Keating to make Australia a Republic The Canadian and Australian chapters are a contribution to the political history of those nations and a device for understanding the changes in Britain The author is an expert in the use of Freedom of Information and was a senior policy maker in Whitehall working primarily on constitutional reform Readers will benefit from the author s unrivalled access to interviewees and documentary sources in the three countries covered in the book

God and Mrs Thatcher Eliza Filby,2015-02-24 A woman demonised by the left and sanctified by the right there has always been a religious undercurrent to discussions of Margaret Thatcher However while her Methodist roots are well known the impact of her faith on her politics is often overlooked In an attempt to source the origins of Margaret Thatcher s conviction politics Eliza Filby explores how Thatcher s worldview was shaped and guided by the lessons of piety thrift and the Protestant work ethic learnt in Finkin Street Methodist Church Grantham from her lay preacher father In doing so she tells the story of how a Prime Minister steeped in the Nonconformist teachings of her childhood entered Downing Street determined to reinvigorate the nation with these religious values Filby concludes that this was ultimately a failed crusade In the end Thatcher created a country that was not more Christian but more secular and not more devout but entirely consumed by a new religion capitalism In upholding the sanctity of the individual Thatcherism inadvertently signalled the death of Christian Britain Drawing on previously unpublished archives interviews and memoirs Filby examines how the rise of Thatcher was echoed by the rebirth of the Christian right in Britain both of which were forcefully opposed by the Church of England Wide ranging and exhaustively researched God and Mrs Thatcher offers a truly original perspective on the source and substance of Margaret

Thatcher's political values and the role that religion played in the politics of this tumultuous decade **Britain and the European Union** David Gowland, 2016-10-04 This engaging and concise text offers the student and the general reader a compact readable treatment of British membership of the European Union from 1973 to the present day It provides a highly distilled and accessible analysis and overview of some of the parameters and recurring features of Britain's membership of the European Union touching on all of the major facets of membership Key features examines the constant and changing character of British membership of the European Union EU discusses the problematical and often paradoxical features of membership familiarizes the reader with both academic and public debates about the subject offers thematic treatment of all aspects of policy and attitudes towards the EU provides an overview of the main landmarks in the history of the EU since 1973 presents the most comprehensive and up to date text on the course and result of the EU referendum campaign This book will be of key interest to scholars students and the generally interested reader in the areas of European Studies British Politics EU Studies Area Studies and International Relations **Technopopulism** Christopher J. Bickerton, Carlo Invernizzi Accetti, 2021-03-20 Technocratic appeals to expertise and populist invocations of the people have become mainstays of political competition in established democracies This development is best understood as the emergence of technopopulism a new political logic that is being superimposed on the traditional struggle between left and right Political movements and actors such as Italy's Five Star Movement and France's La République En Marche combine technocratic and populist appeals in a variety of ways as do more established parties that are adapting to the particular set of incentives and constraints implicit in this new unmediated form of politics In the first book length treatment of the phenomenon of technopopulism we combine theoretical and historical approaches offering a systematic definition of the concept of technopopulism while also exploring a number of salient contemporary examples This book provides a detailed account of the emergence of this new political logic as well as a discussion of its troubling consequences for existing democratic regimes It ends by considering some possible remedies that go beyond the simplistic idea that in the right dose populism and technocracy can counter balance one another

Reviewing **Servants Of The People The Inside Story Of New Labour**: Unlocking the Spellbinding Force of Linguistics
