**Paths to Freedom** Rosemary Brana-Shute, Randy J. Sparks, 2021-03-03 An international comparative study of a mode of emancipation that worked to reinforce the institution of slavery Manumission the act of freeing a slave while the institution of slavery continues has received relatively little scholarly attention as compared to other aspects of slavery and emancipation To address this gap editors Rosemary Brana Shute and Randy J Sparks present a volume of essays that comprise the first ever comparative study of manumission as it affected slave systems on both sides of the Atlantic In this landmark volume an international group of scholars consider the history and implications of manumission from the medieval period to the late nineteenth century as the phenomenon manifested itself in the Old World and the New The contributors demonstrate that although the means of manumission varied greatly across the Atlantic world in every instance the act served to reinforce the sovereign power structures inherent in the institution of slavery In some societies only a master had the authority to manumit slaves while in others the state might grant freedom or it might be purchased Regardless of the source of manumission the result was viewed by its society as a benevolent act intended to bind the freed slave to his or her former master through gratitude if no longer through direct ownership The possibility of manumission worked to inspire faithful servitude among slaves while simultaneously solidifying the legitimacy of their ownership The essayists compare the legacy of manumission in medieval Europe the Jewish communities of Levant Europe and the New World the Dutch French and British colonies and the antebellum United States while exploring wider patterns that extended beyond a single location or era They also document the fates of manumitted slaves some of whom were accepted into freed segments of their societies while others were expected to vacate their former communities entirely The contributors investigate the cultural consequences of manumission as well as the changing economic conditions that limited the practice by the eighteenth century to understand better the social implications of this multifaceted aspect of the system of slavery **Uncertain Paths to Freedom** Bertrand Russell, 2000 This volume collects together his writings during the period from 1919 to 1922 and describes his experiences in Russia and China which confirmed his emergence as a popular commentator on contemporary political issues **The Path to Freedom: Black Families in New Jersey** Walter D. Greason, 2010-08-05 The struggle for black freedom and equality is a legacy that belongs to all Americans In the twentieth century this story of triumph over injustice inspired the spread of democracy around the world From the villages of Eastern Europe to the cities of Asia and Africa people have found new strength hope and courage in the ways African Americans defeated Jim Crow segregation in the United States Liberty and equality required the sacrifices of many African Americans who lived and made a difference in New Jersey including the Russell Ham and Brown families whom Walter Greason documents in this book This contemporary narrative of community uplift offers a fresh appreciation of just how long the path to justice is **Precarious Paths to Freedom** Aragon Storm Miller, 2016-05-15 Miller analyzes US Venezuelan relations during the 1950s and 1960s as a case study for the broader

political dynamics of the hemisphere and beyond during the critical period of the global Cold War He addresses the perception that US foreign policy toward Latin America was an overwhelming failure in which initiatives intended to promote democracy and modernization and to insulate the hemisphere from the ideological struggles of the global Cold War reaped only authoritarian regimes uneven and sluggish economic growth and abstract debates over capitalism and communism that distracted attention from Latin America's pressing socioeconomic problems Precarious Paths to Freedom demonstrates that Washington rather achieved success by cultivating a partnership with a democratizing Venezuela From 1958 onward US policymakers identified Venezuela as the crucial bulwark against political extremism and as the ideal partner in the creation of a modernized prosperous and pro US Latin America

*Refugee Pathways to Freedom* Janet Mancini Billson, 2024-03-18 Janet Mancini Billson provides extended interviews with Russian Bhutanese Rohingya and Kurdish refugees and the resettlement workers who smooth their transition into Canada in order to paint a complex picture of creating a new life in a new land Refugee Pathways to Freedom Escaping Persecution and Statelessness shows how the agonies of losing one's home and leaving loved ones behind are coupled with the dangers of escaping into unknown territory and that those who make the journey to freedom know that the dream of a safe and secure future is fraught with risks and disappointment She argues that refugees and refugee agencies bring powerful ideas for revamping an overwhelmed global system that freezes victims of persecution in years of political and emotional limbo She examines how shrinking refugee flows by addressing root causes of displacement is critical but so is speeding up selection processes to reduce despair and lost years She further posits that drastically limiting time in refugee camps would prevent counterproductive education and work gaps and that reducing language barriers to employment ensures well being and successful integration

**The Path to Freedom**, 2025-01-27 The Vimuttimaggā the Path to Freedom is a Theravāda Buddhist manual on the path leading to nibbāna the ultimate freedom from all mental bondage that is reached through the practice of virtue concentration and wisdom The emphasis of the manual is on concentration or meditation and it contains detailed explanations of all of the traditional Buddhist meditation topics The manual was composed by the Buddhist monk Upatissa as a guide for those who wish to practise this path Along with its successor the larger and more scholastic Visuddhimagga it is the only known ancient Buddhist manual that is solely dedicated to the cultivation of the path and that gives such detailed systematic and sometimes unique instructions The original Pāli text of the Vimuttimaggā probably composed in Sri Lanka in the 3rd or 4th century CE is lost and the treatise now only survives as a 6th century Chinese translation and partially in Tibetan translations Besides the first complete English translation of the Chinese text of this important work as well as a translation of the Tibetan quotations from it this book also contains an extensive introduction discussing the contents history and other aspects of the Vimuttimaggā

Healing: the Path to Freedom Dr. Michael D. Winer,2014-08-20 Praise for Healing The Path to Freedom What Michael has apparently discovered and teaches is that how we interact with life moment by moment particularly our feeling experience is visibly at the core of everything From the broken things to the extraordinary things it is nowhere else but the place that no one thinks to lookliterally in ourselves The remarkable almost unique aspect of Michaels work is that everything he does and teaches points you back to the truth of your own tangible experience If you want to entertain the possibility of real change this can be an excellent place to do it If you seek to preserve your status quo well this may not be the place The work is not easy though it is simple and clear Its also not necessarily a quick fix though some experience rapid results Expect change and be prepared to see that life is not only what you thought it was In todays increasingly small world sticking ones head in the sand is becoming a less and less viable option as hiding places become hard to find Michaels work is all about strongly engaging life and finding the only reliable refuge your true self Marc Glassgold **The Path to Freedom** Pasquale De Marco, In the heart wrenching tale of The Path to Freedom we encounter Jesse a young soul grappling with the consequences of his actions After a moment of impulsive rebellion he finds himself alone in the unforgiving wilderness embarking on an introspective odyssey that challenges his beliefs tests his limits and ultimately transforms his perspective on

life As Jesse navigates the vast and unforgiving wilderness he uncovers hidden truths about himself and the world around him The solitude becomes his sanctuary a place where he can confront his inner demons and find solace in the beauty of nature Through his experiences he learns the value of self reliance the importance of forgiveness and the power of human connection Throughout his journey Jesse encounters a cast of intriguing characters who each play a pivotal role in shaping his transformation From wise mentors who guide him through his struggles to unexpected companions who offer him solace and support Jesse discovers the profound impact that human interaction can have on the healing process Jesse s journey is a poignant reminder that sometimes it is in our moments of solitude that we find our greatest strength and discover the true meaning of freedom Pasquale De Marco weaves a tapestry of introspection resilience and the transformative power of nature reminding us that even in the darkest of times hope can prevail In The Path to Freedom readers will find a story that resonates with the human spirit a story that explores the depths of human emotion and the indomitable power of the human will It is a story that will stay with readers long after they have finished reading the last page If you like this book write a review [Path to Freedom, Form #09.015](#) Sovereignty Education and Defense Ministry (SEDM),2015-03-12 Basic checklist to achieve sovereignty and be a contributing Member of this ministry who can stand on his her own two feet in defense of himself in any legal or administrative setting **The Shaman's Path to Freedom** don Jose Ruiz,2023 Humanity is in crisis War poverty environmental disasters and more have brought the planet to a tipping point In our personal lives many of us carry deep seated fear resentment anger and even hatred for others and ourselves Since ancient times Toltec shamans have taught that the root of all this discord can be found in the human mind and what they called its addiction to suffering They have also taught that the time will come when we must choose to either break free from this addiction or pay the ultimate price According to Toltec Shaman don Jose Ruiz that time is now and the change that is needed can only come from within In The Shaman s Path to Freedom Ruiz will teach you how to find and claim your own personal freedom one based on unconditional love for yourself and others and in doing so break your mind s addiction to suffering By walking this path you can live a life of peace and harmony within yourself which is the most important thing you can do to bring about the change that is needed in the world Filled with Toltec practices for establishing personal freedom The Shaman s Path to Freedom is don Jose Ruiz s most personal and radical book yet guaranteed to thrill both new readers and longtime fans **A Dark Path to Freedom** Enver Altayli,2017-05-01 Born in Margilan Central Asia on the eve of the Russian Revolution of 1917 Ruzi Nazar had one of the most exciting lives of the twentieth century Charming intellectually brilliant and passionately committed to the liberation of Central Asia from Russian rule his life was a series of adventures and narrow escapes He was successively a Soviet student a Red Army officer an officer in the German Turkestan Legion during World War II a fugitive living in postwar Germany s underworld and finally an immigrant to the United States who rose high in the CIA Here he mixed with the powerful and famous represented the US as a diplomat in Ankara and Bonn and became an undercover agent in Iran after

the hostage crisis of 1979 81 Nazar's foresight was formidable He predicted that communism would collapse from within briefing Reagan on the weakness of the Soviet system before the Reagan Gorbachev talks A Muslim who rejected Islamism his warnings to the US government about the dangers of Islamic radicalism fell on deaf ears This remarkable biography casts unique light on the lives of people caught up in the turmoil of the Soviet Union World War II the Cold War and the struggle of nationalities deprived of their freedom by communism to regain independence Human Development and the Path to Freedom Leandro Prados de la Escosura, 2022-07-28 A new framework for measuring the evolution of human development and wellbeing in the modern world **PATH to FREEDOM: My Story of Perseverance** Conrad Taylor, 2019-05-21 If you love nonfiction which reads like a novel multiple award winning PATH to FREEDOM My Story of Perseverance is for you The Smithsonian Institution displays the inspirational memoir in its Anacostia Museum Library Little about Conrad Taylor's upbringing in a remote mining town in Guyana South America prepared him for West Point at the height of the Vietnam War An extraordinary opportunity for most the highly regimented United States Military Academy was a life changer for him Enduring culture shock and surviving rude awakenings hardened the rigorous West Point Experience And Third World politics after West Point because of West Point tested it severely The truth is stranger than fiction memoir has a simple proposition Fly or die PATH to FREEDOM My Story of Perseverance describes what happened upon Taylor's return to a government turned repressive anti American and paranoid overnight The Soviet leaning Cold War era dictatorship feared regime change Its power hungry leaders obsessed about him being a spy for the United States His was the impossible task of proving that he was not or else The historically accurate coming of age book provides a unique prism through which to see the cultural trauma of emigration the unique experience that is West Point the personal side of Cold War era geopolitics and the mayhem of Third World politics The view will be nostalgic for some shocking to many and enlightening for others Its subtly threaded love story will enchant at the very least The Smithsonian Institution archives PATH to FREEDOM My Story of Perseverance in its Anacostia Museum Library for the book's reference value The renowned research complex selected the memoir for its insights about the history and culture of black people in the Western Hemisphere **The Winding Path to Freedom 5th Ed.** Roman D. Mac, 2012-07 in Ukrainian fields and forests in the 1940s and 1950s but what makes any successful popular insurgency work whether it takes place in America in 1776 or in troubled parts of the world today History aside Roman Mac's story is also a moving human document There is tragedy heartbreak and heroic endurance here both witnessed and lived And Roman depicts it all in modest straightforward style not only the great struggle that was going on around him but also the struggle that was going on within himself We see and feel the rustic joys and travails of village life the destruction and loss that war Nazism and Communism bring upon it and we too struggle along the winding path to freedom with a young boy who manages to keep his faith his humanity and not the least of accomplishments amidst so much suffering and sorrow his sense of humor through it all Although I was already familiar with Ukrainian history and as an aide

to Presidents Nixon Ford and Reagan was 2 ROMAN D MAC an eye witness to the last chapters of the Cold War reading Roman Mac s story made me understand more fully what that colossal struggle was really like for the ordinary people who bore the brunt of it His gift of making us see it all as he saw it then through a young boy s eyes brings alive both the brutality of battle and magic solitary moments in the still forest with only woodland creatures as companions We feel the pelting snow and piercing cold we smell the smoke of the campfires and we hear both the whiz of bullets and the deep moving chords of the freedom fighters songs just as the young Roman Mac did more than half a century ago Then with the battle over we follow a troubled but determined young man on the road to a new life in the west We share the ups and downs of a new series of trials and tests from which he emerges once again with his humanity and his humor intact By book s end we feel as if we ve walked beside him all the way and we too experience his joy in achieving success dignity and a happy family life in America Thank you Roman Mac for sharing and showing us so much and for doing it with such clarity honesty and goodness of heart
