Pray Like Jesus Robert L. Morris Jr., 2019-07-17 What do all Christians talk about and do very little of Pray Yes prayer is the most talked about subject in Christendom but very few people regularly do it For most it is because no one has ever taught them Only six of Jesus s prayers are recorded in scripture Is that an accident Or could these six prayers teach us how to grow our prayer life deeper and wider than ever before Pray like Jesus is intended to be a simple spiritual how to manual for those who do not have a vital prayer life but seek one It is not intended to be an academic book as much as it is an epistle from a fellow believer who may have learned a few things in forty one years of ministry Author Robert L Morris Jr invites you to join him and look at six prayers of Jesus but you will intentionally not examine the Lord s Prayer in depth The reason is simple the Lord s Prayer contains valuable information on how disciples should pray but this book is about how Jesus personally prayed Pray like Jesus is not the destination but a directional sign Jesus and no other is the destination If you have longed for a prayer life that was more than treating God like a benevolent genie who granted wishes to those he favored then read on to see how prayer is so much more than that

Emancipation of a Black Atheist D. K. Evans, 2017-12-14 Great journeys often start with a single

question For D K Evans a newly married professional in the Christian dominated South that question was Why Do I Believe in God That simple query led him on a years long search to better understand the nature of religion and faith particularly as it applies to the Black community While many taking such a journey today might immerse themselves in the writing of Richard Dawkins Daniel Dennett Sam Harris and Christopher Hitchens Evans took inspiration not only from John Henrik Clarke Yosef Ben Jochannan Hubert Harrison and John G Jackson champions of a rich Black tradition of challenging religious orthodoxy but also from many others in his own community who had similarly come to question their core religious beliefs While this journey eventually led him to discount the notion of God he calls on all to ask their own questions particularly those within the Black community who act on blind faith While their own journey might not lead to his truth he acknowledges that is the only way they will ever emancipate themselves from the truths thrust on them by others and arrive at their most important truth their own
