Patients Of A Saint:

Disturbing Spirits Beverly A. Tsacoyianis, 2021-06-15 This book investigates the psychological toll of conflict in the Middle East during the twentieth century including discussion of how spiritual and religious frameworks influence practice and theory The concept of mental health treatment in war torn Middle Eastern nations is painfully understudied In Disturbing Spirits Beverly A Tsacoyianis blends social cultural and medical history research methods with approaches in disability and trauma studies to demonstrate that the history of mental illness in Syria and Lebanon since the 1890s is embedded in disparate but not necessarily mutually exclusive ideas about legitimate healing Tsacoyianis examines the encounters between Western psychiatry and local practices and argues that the attempt to implement modern cosmopolitan biomedicine for the last 120 years has largely failed in part because of political instability and political traumas and in part because of narrow definitions of modern medicine that excluded spirituality and locally meaningful cultural practices Analyzing hospital records ethnographic data oral history research historical fiction and journalistic nonfiction Tsacoyianis claims that psychiatrists presented mental health treatment to Syrians and Lebanese not only as a way to control or cure mental illness but also as a modernizing worldview to combat popular ideas about jinn based origins of mental illness and to encourage acceptance of psychiatry Treatment devoid of spiritual therapies ultimately delegitimized psychiatry among lower classes Tsacoyianis maintains that tensions between psychiatrists and vernacular healers developed as political transformations devastated collective and individual psyches and disrupted social order Scholars working on healing in the modern Middle East have largely studied either psychiatric or non biomedical healing but rarely their connections to each other or to politics In this groundbreaking work Tsacoyianis connects the discussion of global responsibility to scholarly debates about human suffering and the moral call to caregiving Disturbing Spirits will interest students and scholars of the history of medicine and public health Middle Eastern studies and postcolonial literature

Everybody Called Her a Saint Cecil Murphey, 2015-03-24 After their broken engagement there's only one thing that can get unbeatable crime solvers Julie West and Reverend James Burton back into action the murder of a beloved friend No one can figure out who would have a motive to kill Twila Belk who was a saint by all accounts Paying for a cruise to Antarctica for 48 of her closest friends was just one of many generous gifts

she bestowed upon those around her When the body of the benefactress is discovered on Brown Bluff Island Julie and James must set their past aside to bring the killer to justice and along the way perhaps uncover a new beginning for themselves Note This is a previously published work For readers who purchased the original edition this second edition is not substantially different
