## **Patrick White A Life:**

**Patrick White** David Marr, 2018-03-19 I think this book should be called The Monster of All Time But I am a monster Patrick White Patrick White winner of the Nobel Prize and author of more than a dozen novels and plays including Voss The Vivisector and The Twyborn Affair lived an extraordinary life David Marr's brilliant biography draws not only on a wide range of original research but also on the single most difficult and important source of all the man himself In the weeks before his death White read the final manuscript which for richness of detail authority and balance is stunning Throughout his exciting narrative Marr explores the roots of White's writing and unearths the raw material of his remarkable art He makes plain the central fact of White's life as an artist the homosexuality that formed his view of himself as an outcast and stranger able to penetrate the hearts of both men and women Gracefully written and exhaustively researched Patrick White is a biography of classic excellence sympathetic objective penetrating and as blunt when necessary as White himself **Patrick White**

**Letters** Patrick White, 1996-06-15 Letters are the devil and I always hope that any I have written have been destroyed Patrick White Patrick White spent his whole life writing letters He wanted them all burnt but thousands survive to reveal him as one of the greatest letter writers of his time Patrick White Letters is an unexpected and final volume of prose by Australia's most acclaimed novelist Only a few scraps of White's letters have been published before From the aftermath of the First World War until his death in 1990 letters poured from White's pen they are shrewd funny dramatic pigheaded camp and above all hauntingly beautiful He wrote novels to sway a hostile world but letters were for friends The culmination of ten years work and reflection by David Marr author of the well received biography Patrick White A Life the volume tells the story of White's life in his own words These are the letters of a great writer a profound critic a gossip with the sharpest eyes and tongue a man who loved and hated ferociously a keen cook an angry patriot and a believer never free of doubt A literary milestone Kirkus Reviews Mean spirited and brilliant the 600 letters collected here offer real insight into the life of the Nobel Prize winning Australian author White's venom is matched by his torment and the whole volume is redeemed by outstanding writing Publisher's Weekly Best Books 96 Those who come to these letters after having read Marr's biography will expect more than shop talk from the master novelist They will expect the bracing bitchiness of a master curmudgeon And they will not be disappointed Frank Wilson Philadelphia Inquirer Patrick White 1912 1990 Australian novelist and playwright won the Nobel Prize in Literature in 1973 His many novels include Voss The Twyborn Affair and Riders in the Chariot **The Life of Patrick White** National Library of Australia, 2012 **Patrick White - a Tribute**, 2013 Coverage 1991 Patrick White Beyond the Grave Ian Henderson, Anouk Lang, 2015-08-15 Patrick White 1912 1990 won the Nobel Prize for Literature in 1973 and remains one of Australia's most celebrated writers In 2006 White's literary executor Barbara Mobbs released a highly significant collection of hitherto unpublished papers reviving mainstream and scholarly interest in his work Patrick White Beyond the Grave considers White's writing in light of the new findings acknowledging his homosexuality in relation to

the development of his literary style examining the way he engages his readers and contextualizing his life and oeuvre in relation to London and to London life Thought provoking this collection of original essays represents the work of an outstanding list of White scholars from around the globe and will no doubt inspire further work on White from a rising generation of scholars of twentieth century literature beyond Australia

**Why Bother with Patrick White**, 2001 Website on Patrick White Includes a comprehensive biography excerpts of his works and opinions on his life and writing from those who knew him

**Otherness in the Novels of Patrick White** Alma Budurlean, 2009 The central argument of the thesis the representation and reception of otherness is followed throughout White s novels with the support of a complex critical instrumentarium made up of postcolonial theory reader response theory cultural critical frameworks alterity theory and narratology Otherness in its manifold representations is a main component of Patrick White s fiction It functions on several levels and this requires a deeper entanglement on the part of the reader The different levels previously referred to are embodied in the various Others who people White s novels ethnic Others as members of the Australian multicultural society and the Aborigines as colonial Others as well as gender Others who also play an important role in White s fictional world Reading Patrick White is an exercise in tolerance endurance and acceptance of alternatives But the efforts of the reader do not remain unrewarded In his endeavour to change what it meant to imagine Australia the writer broke down the barriers of what it meant to imagine otherness

Flaws in the Glass Patrick White, 1981 A singularly penetrating act of self scrutiny a cold uncompromising stare into the mirror of an artist s life There are lyrical passages and there are wryly comic passages but the overriding impression it leaves is of a man driven by his creative daemon Back cover

**Patrick White** Martin Gray, 1991

**The Outback Within** Mark Byrne, 2016-09-23 What is it about the Australian outback For nearly two centuries narratives of outback journeys have been suffused with the aura of death Why It is not just that the desert is big dry hot and apparently empty The outback is Australia s mythological crucible and journeys there have become rites of passage It is where settler Australians go to die and perhaps be reborn This book explores the landscape of this evolving national mythology It argues that a more conscious engagement with the process of symbolic death and rebirth is needed for Australians to enter into a deeper understanding of themselves and their relationship to the land and its Indigenous people

**Creating Communities** Nourit Melcer-Padon, 2018-05-15 How does historical reality interrelate with fiction And how much are readers themselves involved in the workings of fictional literature With innovative interpretations of various well known texts Nourit Melcer Padon introduces the use of literary masks and illustrates literature s engagement of its readers ethical judgement She promotes a new perception of literary theory and of connections between thinkers such as Iser Castoriadis Sartre Jung and Neumann The book offers a unique view on the role of the community in post existentialist modern cultural reality by emphasizing the importance of ritual practices in literature as a cultural manifestation

The Cambridge History of Australian Literature Peter Pierce, 2009-09-17 Draws on scholarship from leading figures in the field

and spans Australian literary history from colonial origins indigenous and migrant literatures as well as representations of Asia and the Pacific and the role of literary culture in modern Australian society

**The Cambridge Companion to the Australian Novel** Nicholas Birns, Louis Klee, 2023-03-02 This book provides a clear lively and accessible guide to the complex histories and vital present of the Australian novel

*The Living and the Dead* Patrick White, 1967 Paperback reprint in the Penguin Twentieth Century Classics series of the second novel by the Australian winner of the Nobel Prize for literature Set in London in the 1930s it portrays the complex rhythms of relationships within a family First published in 1941 The author's other novels include *The Tree of Man* and *The Eye of the Storm*

**Backgazing: Reverse Time in Modernist Culture** Paul Giles, 2019-02-14 This volume traces ways in which time is represented in reverse forms throughout modernist culture from the beginning of the twentieth century until the decade after World War II Though modernism is often associated with revolutionary or futurist directions this book argues instead that a retrograde dimension is embedded within it By juxtaposing the literature of Europe and North America with that of Australia and New Zealand it suggests how this antipodean context serves to defamiliarize and reconceptualize normative modernist understandings of temporal progression Backgazing thus moves beyond the treatment of a specific geographical periphery as another margin on the expanding field of New Modernist Studies Instead it offers a systematic investigation of the transformative effect of retrograde dimensions on our understanding of canonical modernist texts The title backgazing is taken from Australian poet Robert G Fitzgerald's 1938 poem *Essay on Memory* and it epitomizes how the cultural history of modernism can be restructured according to a radically different discursive map Backgazing intellectually reconfigures US and European modernism within a planetary orbit in which the literature of Australia and the Southern Hemisphere far from being merely an annexed margin can be seen substantively to change the directional compass of modernism more generally By reading canonical modernists such as James Joyce and T S Eliot alongside marginalized writers such as Nancy Cunard and others and relatively neglected authors from Australia and New Zealand this book offers a revisionist cultural history of modernist time one framed by a recognition of how its measurement is modulated across geographical space

**Patrick White** Mark Williams, 1993 This critical study considers Patrick White's 12 published novels and traces the connections between his life and work The novels from *The Aunt's Story* to *Memoirs of Many in One* are considered in terms of a number of overlapping contexts White's ambivalence about sexuality nationality and modernity his evolving sense of the possibilities of the novel as a form and the continuing presence of the themes experiments and influences of the 1930s shaping his mature fiction

*APAIS 1994: Australian public affairs information service*, *Suburban Space, the Novel and Australian Modernity* Brigid Rooney, 2018-11-15 *Suburban Space the Novel and Australian Modernity* investigates the interaction between suburbs and suburbia in a century long series of Australian novels It puts the often trenchantly anti suburban rhetoric of fiction in dialogue with its evocative and imaginative rendering of suburban place and time *Suburban Space the Novel and Australian Modernity* rethinks existing

cultural debates about suburbia in Australia and elsewhere by putting novelistic representations of suburbs suburban interiors homes streets forms and lives over time in dialogue with the often negative idea of suburbia in fiction as an amnesic and conformist cultural wasteland Suburban space the novel and Australian modernity shows in other words how Australian novels dramatize the collision between the sensory terrain of the remembered suburb and the cultural critique of suburbia It is through such contradictions that novels create resonant mental maps of place and time Australian novels are a prism through which suburbs as sites of everyday colonization defined by successive waves of urban development are able to be glimpsed sidelong     *Patrick White* Simon During,1996 During takes advantage of recently published letters and biographical information to rethink Patrick White s place in Australian history and culture He argues that White s rather conventional modernist writings negotiated the end of colonial relations with Britain During addresses connections between White s homosexuality and his writing suggesting that many of his texts attain some of their most powerful effects from being written in and about the closet In addition he views White as an autobiographical writer who drew on his life to construct an image of himself as a genius a strategy which successfully set him at the head of Australian national literature     **APAIS**
