Patrick O'Brian The Making Of The Novelist:

Aubrey and Maturin went but how they got there Packed with maps and illustrations from the greatest age of sail it is an incomparable reference for devotees of O Brian s novels and anyone who has dreamed of climbing aboard a warship as well as a captivating portrait of life on the sea during a time when nothing stood between man and ocean but grit daring and a few creaking planks of wood At the dawn of the nineteenth century the British navy was the mightiest instrument of war the world had ever known The Royal Navy patrolled the seas from India to the Caribbean connecting an empire with footholds in every corner of the earth Such a massive navy required the service of more than 100 000 men from officers to deckhands to surgeons Their stories are collected in Every Man Will Do His Duty The inspiration for the bestselling novels of Patrick O Brian and C S Forester these twenty two memoirs and diaries edited by Dean King provide a true portrait of life aboard British warships during one of the most significant eras of world history Patrick O Brian was well into his seventies when the world fell in love with his greatest creation the maritime adventures of Royal Navy Capt Jack Aubrey and ship s surgeon Stephen Maturin But despite his fame little detail was available about the life of the reclusive author whose mysterious past King uncovers in this groundbreaking biography King traces O Brian s personal history from his beginnings as a London born Protestant named Richard Patrick Russ to his tortured relationship with his first wife and child to his emergence from World War II with the entirely new identity under which he would publish twenty volumes in the Aubrey Maturin series What King unearths is a life no less thrilling than the seafaring world of O Brian s imagination Patrick O Brian A Life Revealed is a penetrating and insightful examination of one of the modern world s most acclaimed historical novelists Patrick O'Brian Dean King,2012-03-20 DIVA revealing and insightful look at one of the modern world s most acclaimed historical novelists div DIVPatrick O Brian was well into his seventies when the world fell in love with his greatest creation the maritime adventures of Royal Navy Captain Jack Aubrey and ship s surgeon Stephen Maturin But despite his fame little detail was available about the life of the reclusive author whose mysterious past King uncovers in this groundbreaking biography divDIV divDIVKing traces O Brian s personal history beginning as a London born Protestant named Richard Patrick Russ to his tortured relationship with his first wife and child to his emergence from World War II with the entirely new identity under which he would publish twenty volumes in the Aubrey Maturin series What King unearths is a life no less thrilling than the seafaring world of O Brian s imagination div **Of Sex and Faerie: further essays on Genre Fiction** John Lennard,2010 Taking up where Of Modern Dragons 2007 left off these essays continue Lennard s investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower s transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for the Universities of London Notre Dame and for the

Cunningham, A. E. Cunningham, 1994 Originally published in Great Britain under the title Patrick O Brian Critical appreciations and a bibliography T p verso **Making the Team** Timothy Morris, 1997 He concludes with a chapter that asks What does it mean to be literary What distinguishes high art from a baseball novel or a mystery or a romance novel or pornography Making the Team suggests that drawing the line may be a more vital concern not just for scholars but for Americans at large than anything critics have argued about for a very long time Doctors in Fiction Borys Surawicz, Beverly Jacobson, 2018-04-19 Medical practitioners are key actors in many well known works of fiction and literature presenting a vital insight into the social medical scientific and ethical concerns of their authors and readers However medical professionals are often left little time to explore such cultural perceptions of their profession and by extension themselves despite the extent to which the views of their patients and society have been and still are shaped by them Doctors in Fiction explores and analyzes representations of medical practitioners in fiction encompassing classic and contemporary literature popular fiction and authors from many nations and traditions These include among others Albert Camus A Anton Checkhov A Robertson Davies A Graham Greene A George Eliot A Ian McEwan A F Scott Fitzgerald A Jaroslav Hasek A Henrik Ibsen A John Irving A Patrick O'Brien A Boris Pasternak A Aleksandr Solzhenitsyn This book will be of interest to those with an interest in the medical humanities and to students of cultural history and literature It will also be of particular interest to medical practitioners of all kinds who enjoy literature and wish to understand and reflect upon wider perceptions of their profession **Patrick O'Brian's Bodies at Sea** Michael Leigh Sinowitz, 2014-08-05 An exploration of the complex roles that bodies both literally and figuratively play in the 21 volume Aubrey Maturin series reveals much about the novels many meditations on mind and body Beginning with a consideration of genre norms and the bodies of the novels main characters the book's focus shifts to the ways the series offers

interconnections between the human body and history More literal considerations of the body examine O Brian s depictions of drug use particularly the opium addiction that afflicts Stephen Maturin and human sexuality in its many guises The work then focuses on Desolation Island the fifth novel in the series in light of the discussions above but also in terms of political and psychological tropes that draw upon the relationship of mind and body Questions are examined about the relationship of reader to author and what sustains such a long narrative and what continues to bring a reader back again and again

Patrick O'Brian: a Very Private Life Nikolai Tolstoy,2019-10-21 An intimate portrait of the reclusive and brilliant author written by his step son Nikolai Tolstoy The English novelist Patrick O Brian is much admired for his best selling Aubrey Maturin series of sea novels the unexpected success of the series secured his place in literary history Far less is known about O Brian s personal life largely because he preferred to keep it that way In A Very Private Life O Brian s step son Nikolai Tolstoy draws upon his step father s archives and papers to faithfully capture a life dedicated to the written word This biography covers the latter part of O Brian s life from the moment of his arrival at Collioure in the south of France in 1949 where he wrote all his major works to his death in 2000 Throughout his career O Brian s writing was supplemented by his translation work which saw him translate the likes of Simone de Beauvoir and Henri Charriere Tolstoy also captures O Brian as he conducted research for the biography of his

close friend and neighbour Pablo Picasso Tolstoy maps his step father s literary career from its poverty stricken beginnings to the remarkable success O Brian enjoyed later in life He notes how through a cruel irony of fate just as his step father s literary career attained greater acclaim O Brian s pleasure in his achievement began to diminish This truthful warm and insightful biography is a testimony to Tolstoy s respect and admiration for his step father one of Britain s most loved literary figures
