Bancroft, 2013-03-31 David Bancroft USA Patriotism founder shares over 100 of his patriotic poems related to our beloved USA and all the loyal patriots who have been there for Her throughout Her glorious existence starting with the Founding Fathers and carried forward by leaders heroes and other proud Americans answering Her call to do what was necessary to preserve the land of the free and home of the brave with so many valiant ones paying the ultimate sacrifice and even more returning home as wounded warriors As it is all about being one nation of We The People graced by Old Glory flying above under God The Patriotic Poems of Walt Whitman Walt Whitman, 2016-04-22 Walt Whitman is widely regarded as one of the greats of American literature Here are collected the poems Whitman wrote during and after the American Civil War **Poems of American Patriotism** Brander MATTHEWS, 2019-01-29 An attempt has been made in the present collection to gather together the patriotic poems of America those which depict feelings as well as those which describe actions since these latter are as indicative of the temper of the time It is a collection for the most part of old favorites for Americans have been quick to take to heart a stirring telling of a daring and noble deed but these may be found to have gained freshness by a grouping in order The arrangement is chronological so far as it might be that the history of America as told by her poets should be set forth Here and there occur breaks in the story chiefly because there are fit incidents for song which no poet has fitly sung as yet The poems have been printed scrupulously from the best accessible text and they have not been tinkered in any way though some few have been curtailed slightly for the sake of space In a few cases where the whole poem has not fallen within the scope of this volume only a fragment is here given When this has been done it is pointed out Brief notes have been prefixed to many of the poems making plain the occasion of their origin and removing any chance obscurity of allusion **The Spirit of America...A Collection of Patriotic Poems.** Al Alessandra, 2006 The Spirit of America A collection of original poems including a tribute to Flight 93 patriotic thoughts of our country in war and peace tributes to our fallen soldiers a police officer s memorial and reflections of life and love There is also a very moving poem written by a young girl reflecting on her mother s passing One poem reflects on the life of Van Gogh entitled a Summer s Breeze for Vincent Other titles include Freedom Unfurled Spirit of America America to be Free No Glory in War Endless Love and Oh Rock of Ages USS Juneau Remember the Sullivans A Brotherhood at War Poems of American Patriotism (Classic Reprint) Brander Matthews, 2017-12-22 Excerpt from Poems of American Patriotism An attempt has been made in the present collection to gather together the patriotic poems of America those which depict feelings as well as those which describe actions since these latter are as indicative of the temper of the time It is a collection for the most part of old favorites for Americans have been quick to take to heart a stirring telling of a daring and noble deed but these may be found to have gained freshness by a grouping in order The arrangement is

chronological so far as it might be that the history of America as told by her poets should be set forth Here and there occur breaks in the story chiefly because there are fit incidents for song which no poet has fitly sung as yet The poems have been printed scrupulously from the best accessible text and they have not been tinkered in any way though some few have been curtailed slightly for the sake of space In a few cases where the whole poem has not fallen within the scope of this volume only a fragment is here given When this has been done it is pointed out Brief notes have been prefixed to many of the poems making plain the occasion of their origin and removing any chance obscurity of allusion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
