**Dreams of a Patriot** Oluneye Oluwole, 2011-10-11 The greatness of a nation is less a function of its physical geography than it is of the quality of its human content Any nation can rise to great heights if it has within its borders men and women who will dare to dream and see a life beyond the limitations of the times in which they live These are people who know that however dark and bleak the night may be there ll be light at the break of dawn and are willing both to persevere through the long dark night and to help others do so These men and women are those the world knows as patriots In *Dreams of a Patriot* Oluneye Oluwole confronts the monstrous subject of leadership crisis in Nigeria not from the boring and tedious perspective of a political analyst but from the refreshing everyday angle of a common citizen who knows that a nation so great and so immensely endowed as Nigeria deserves more from her people She lights a candle in the wind of our turbulent national experience and beckons on all who share in this dream of greatness to help shield its flickering flame from the extinguishing forces that have held her nation down all these years In a subtle unobtrusive way it is an expression of the dreams and hopes of that pained and distressed patriot in every one of us
