In the Shadows of Power R. Michael Crossen, 2025-02-13. *In the Shadows of Power: The Untold Stories of Female Spies* is a compelling exploration of the hidden contributions of women in the world of espionage. The book delves into the remarkable lives of female operatives who worked behind the scenes, often at great personal risk, to shape the outcomes of conflicts and historical events. Spanning various eras and regions, it uncovers stories of courage, ingenuity, and resilience that have long been overshadowed by their male counterparts. The narrative not only recounts daring missions and thrilling exploits but also examines the human element of these women's lives: the sacrifices they made, the challenges they overcame, and the strength they displayed in the face of adversity. From wartime couriers and saboteurs to Cold War double agents, these operatives defied societal norms and expectations, using their unique skills to gather intelligence, spread disinformation, and execute covert operations. Author Mike draws on his extensive experience in military intelligence and his interactions with legendary spies to provide a richly detailed and deeply personal account. The book sheds light on the underappreciated yet critical roles that female spies played in shaping history, challenging readers to reevaluate traditional notions of heroism and valor. Ultimately, *In the Shadows of Power* is more than a collection of spy stories; it is a celebration of the quiet strength and determination of women who stepped out of the shadows to leave an indelible mark on the world. The book invites readers to honor their legacies and reflect on the untapped potential of those who operate with courage and conviction, often unnoticed but always impactful.

The Velvet Shadow Angela Elwell Hunt, 2010-03-31. *THE HEIRS OF CAHIRA: O'CONNOR SERIES BOOK THREE*. It is said that as Cahira, daughter of the great Irish king Rory O'Connor, lay dying of a wound from a Norman blade, she lifted her hand toward heaven and beseeched God that others would follow, breaking forth from the courses to which they are bound to restore right in this murderous world. To Kathleen O'Connor, Cahira's story was nothing more than a legend until research divulged that the tale was true. Stunned, Kathleen realizes she herself bears Cahira's mark. Is she destined to continue the legacy? To find the truth, Kathleen must delve into the past to find the truth about The Heirs of Cahira O'Connor. When Flanna O'Connor, a young medical student in Boston, is cut off from her family in Charleston at the start of the Civil War, she decides to disguise herself and move south with the Union Army. While in disguise, she must prove herself as a soldier and a doctor, both to her messmates and to Major Alden Haynes, brother to the man she has tentatively agreed to marry. But when Flanna and Alden are trapped between two armies, can Flanna trust God with her future and with the love she has sought all her life?
