Mind Games Bernice Layton, 2012-04-04 Layla Kennedy is a master at hiding. Since the age of 14 she's been hiding behind a veil of mental illness. Her racing thoughts, unpredictable behavior, possessive compulsive issues and panic attacks are for the most part controlled by an assortment of medications that is when she takes them. On Halloween night Layla walks a tightrope that lands her in hot water she impulsively shares a night with a handsome brother in a pirate's costume. Jordan Scott, attorney, is immediately captivated by the mysterious Bad Cinderella who danced her way into his room but like Cinderella she slipped away into the night. Unable to forget the beautiful woman Jordan is left speechless a month later when he spots her sitting across the courtroom she's the paralegal to his nemesis at another law firm. Layla sees him too. Those lips that chin that body it's him. It's the worst possible thing that could happen because she's in no position mentally to get involved with any man. Unknowingly Layla and Jordan soon become entrapped in a well-staged plan of blackmail. Unveiling their secrets brings heartache but ultimately becomes the catalyst for their survival. *A Deadly Queen* Pete

Love perhaps the most precious commodity can be dangerous. Deadly even. Love can lead or abandon it can be all seeing or blind. It can also be a reason to tread where good sense does not prevail. Would that be Maude Larkin or Bess Saint? Would it be Wendy? Or would it be the Black Rose.

Redemption Carne Maxwell, 2020-11-01 Going back is never easy. But sometimes you have to go back to move forward. It has been nine years since the contest but for some of the contestants it feels like yesterday. When they all receive an invitation to return to the island of Samimoto some say a return would be too painful while others see going back as a necessary cleansing to help them move on with their lives. Will going back be a time to relax and bring redemption for those still seeking it? Or will it unlock the secrets and lies that have been buried to protect those still living? These are secrets and lies that if revealed could turn their lives upside down and tear their worlds apart. When an abduction takes place back in New Zealand suspicions grow and point to one person but all is not what it seems. Detective Sergeant Wood and Constable Banks are brought in to solve the case but as they learn more about the contestants a tangled web of untruths and deceit hinders their investigation making them question their every move. *Film Quotations* Robert A.
