Hintjens, M. D. D. Newitt, 1992 This book is a comparative study of a number of dependent and independent tropical islands and archipelagos Its contributors seek to answer a number of vital questions affecting the security political status and economic development of some of the world's smallest and most remote communities **Exploring Agrodiversity** H. C. Brookfield, 2001 Small farmers are often viewed as engaging in wasteful practices that wreak ecological havoc Exploring Agrodiversity sets the record straight Small farmers are in fact ingenious and inventive and engage in a diverse range of land

management strategies many of them resourcefully geared toward conserving resources especially soil Using case studies from Africa Asia Latin America and the Pacific this book provides in depth analysis of agricultural diversity and explores its Latin America, Economic Imperialism and the State Christopher Abel, Colin M. Lewis, 2015-11-19 Lewis and Able examine the economic relationship between Latin America and the advanced countries since their independence from Spanish and Portuguese rule They reinterpret the significance of Latin America's external connections through juxtaposing Latin America and the British scholars from different ideological and intellectual backgrounds This work is of considerable importance in promoting comparative work in development studies of Latin America and the Third World **Rehearsal** Charlie Whitham, 2002-12-30 Promoted as a means for rectifying the problems of a region in extreme need the Anglo American Caribbean Commission AACC only exposed and exacerbated the underlying antagonisms between Britain and the United States over the economic and political structure of the post war world This study places the AACC formed in 1942 within the context of the Anglo American wartime special relationship and examines the political economic and security motives at the heart of this unique and little known collaboration It exposes the determination of the United States to use exigencies of war to impose its post war plans upon Britain and the tenacity of the British to defend even the smallest and least regarded of its possessions regardless of local and international opposition. The AACC was a battleground of conflicting British and American visions of a new West Indies and it would thus serve as a rehearsal for key debates that would emerge at the end of the war For the United States the AACC was a vehicle for promoting America's broad postwar ambitions in the West Indies for Britain it was simply part of the price that had to be paid for American assistance in the war effort Debates within the AACC over the future of West Indian sugar the regulation of tariffs and trade constitutional reform and the expansion of civil aviation mirrored wider British and American differences **Latin America, International Relations** John J. Finan, John Child, 1981
