and when did he die Jane can't stop asking questions and she turns to Alaska State Trooper Sergeant Dan Patterson for answers Sergeant Patterson doesn't have time for Jane and her questions because he is investigating the recent murder of a floatplane pilot on the island Was the pilot shot by one of his passengers by another pilot by campers in the area where his body was found or did his wife hire someone to kill him The number of suspects in the case overwhelms Patterson but a notebook in the pocket of the dead pilot provides clues to the last weeks of the pilot's life With no time to spare for old bones Patterson gives Jane permission to research the remains she found near Karluk Lake Jane's investigation into the bones seems harmless to Patterson but she awakens a decades old crime which some believed they'd buried long ago Will Patterson find who murdered the pilot before the killer leaves the island and will Jane's curiosity put her life in danger What evil lurks at Karluk Lake

Children's Book Review Index, 1985 **Someone Is Hiding Something** Richard Belzer, George Noory, David Wayne, 2015-02-17 A year after the disappearance and commencement of the international search for Malaysia Airlines Flight 370 no sign of the plane has been found no debris no bodies no sign of the much talked about black box Richard Belzer George Noory and David Wayne want to know why Scrutinizing the theories the media and politicians claim are the most likely reasons the plane crashed Belzer Noory and Wayne argue that if a year after a huge Boeing 777 has gone missing and there's still no sign of it whatsoever it's time to think outside the box The public needs to stop being misled If a plane and its

passengers went missing once what's to stop it from happening again Some of the theories the authors consider seem implausible on the surface but the thorough research they've done and the continual failure of politicians aviation authorities and military members around the world to give any indication they're wrong makes their arguments as good if not better than the more widely shared ones The title of this thought provoking volume Someone is Hiding Something is a line spoken by former Malaysian Prime Minister Mahathir Mohamad perhaps the only government official to publicly acknowledge the true reason that neither Flight 370 nor the 239 people onboard have been found
