The Central Park Zoo Joan Scheier, 2002 Countless New Yorkers as well as visitors from all parts of the world have experienced an oasis just a few feet off Fifth Avenue in the heart of Manhattan Since the 1860s Central Park has been the home of three different zoos the menagerie the zoo of 1934 and what is today known as the Central Park Zoo The Central Park Zoo begins with the menagerie of the 1860s an impromptu public zoo begun when citizens and circuses started donating animals to the city It continues in 1934 when Robert Moses perhaps the most influential man in the city's planning history built a newer zoo remembered to this day for its lions tigers elephants and gorillas It ends with the brand new zoo and exhibits built in 1988 under the supervision of the Wildlife Conservation Society With stunning rarely seen images The Central Park Zoo not only is a treat for the eyes but also comes alive with the barking of sea lions the soft fur of snow monkeys the sweet smell of peanut butter and the taste of ice cakes treats for the zoo residents of course

Shaping the Future of African American Film Monica White Ndounou, 2014-04-29 In Hollywood we hear it's all about the money It's a ready explanation for why so few black films get made no crossover appeal no promise of a big payoff But what if the money itself is color coded What if the economics

that governs film production is so skewed that no film by about or for people of color will ever look like a worthy investment unless it follows specific racial or gender patterns This Monica Ndounou shows us is precisely the case In a work as revealing about the culture of filmmaking as it is about the distorted economics of African American film Ndounou clearly traces the insidious connections between history content and cash in black films How does history come into it Hollywood s reliance on past performance as a measure of potential success virtually guarantees that historically underrepresented underfunded and undersold African American films devalue the future prospects of black films So the cycle continues as it has for nearly a century Behind the scenes the numbers are far from neutral Analyzing the onscreen narratives and off screen circumstances behind nearly two thousand films featuring African Americans in leading and supporting roles including such recent productions as Bamboozled Beloved and Tyler Perry s Diary of a Mad Black Woman Ndounou exposes the cultural and racial constraints that limit not just the production but also the expression and creative freedom of black films Her wide ranging analysis reaches into questions of literature language speech and dialect film images and narrative acting theater and film business practices production history and financing and organizational history By uncovering the ideology behind profit driven industry practices that reshape narratives by about and for people of color this provocative work brings to light existing limitations and possibilities for reworking stories and business practices in theater literature and film Dancing To The Beat Of The Great Green Heart Kathryn Blume,2012-07-26 A collection of essays speeches and commentaries on climate change sustainability transition towns and building a movement of hope and power from the passionate quirky highly entertaining brain of climate activist performance artist and creative roustabout Kathryn Blume Current Opinion Edward Jewitt Wheeler, Frank Crane,1897 *Silly Dog Tricks* D.
