

Paul And His World

James B. Prothro

Paul And His World:

Jesus and His World - Paul and His World Peter Walker, Stephen Tomkins, 2019-03-22 Have you ever wanted accessible introductions to the key figures of Christian history In this book two expert authors draw on biblical scholarship to bring Jesus and Paul and their worlds vividly to life Jesus and His World Jesus Christ is probably the single most influential figure in world history but who was this preacher from Nazareth Can we be sure he existed And if he did what was the world like in which he lived Placing Jesus firmly in the Jewish world of 1st century Palestine Peter Walker explores the religious and social background to his life the Jewish expectations of a messiah Jesus ministry and teaching and helps readers interpret Jesus radical mission and the way he related to the world around him Paul and His World We know little about Paul yet he has had a greater impact on the development of Christianity than any other person except Christ For some his influence has been largely negative For others he is simply the greatest mind in Christian history Stephen Tomkins argues that Paul would have been quite at home with such a mixed reception Despite enjoying a degree of hero worship in his lifetime he was also more reviled than any other Christian and his Christian life was a constant arduous missionary journey of shipwrecks prison mob violence and the depressing politics of church life This is a lively and lucid portrayal of the man behind the controversy and the drama

Paul the Traveller Ernle Bradford, 2014-08-19 The life of the first century man born Saul of Tarsus who went on to become Paul the Apostle by the acclaimed historian and author of Thermopylae Paul born into Asia Minor s Jewish aristocracy and a passionate student of scripture was part of the crowd that killed Stephen a deacon regarded as the first Christian martyr But on the road to Damascus Paul experienced a miracle that would change his life and in turn change history His conversion left him convinced that his true master was the man who would come to be known as Jesus Christ Drawing on his vast command of ancient history and blending it with superb storytelling skills author Ernle Bradford weaves a tale that takes the reader from city to city as Paul spreads the teachings of Christ despite being beaten stoned and shipwrecked It s a thrilling tale and stirring biography of a man whose devotion and rhetorical genius laid the groundwork for the religion that soon swept the civilized world Written by a historian known for immersing himself in his subjects which range from the ancient world to World War II this is a fascinating look at the convert who helped shape Christianity as a worldwide force

Paul & His World Helmut Koester, 2007 Helmut Koester presents critical essays on theology eschatology in Paul s letters the apostle s religious cultural context the interaction of early Christianity with its Greco Roman environment as reflected in ancient literature archaeological remains

Paul's World Stanley E. Porter, 2008-01-31 This volume is concerned with Paul s world The major question to ask is what is that world of Paul In determinable ways Paul s world is everything in the world in which Paul lived and acted and hence virtually everything that Paul did In other words Paul s world can be defined macrocosmically and microcosmically As the term is defined in the various essays in this volume Paul s world includes the surrounding environment in which Paul functioned including its various religious social cultural

literary rhetorical linguistic and related phenomena This volume treats some of the most important and germane factors that went into making up the world in which Paul lived and that consequently defined who he was and became **Paul and His Recent Interpreters** N. T. Wright, 2015-10-15 This companion volume to N T Wright's Paul and the Faithfulness of God and Pauline Perspectives is essential reading for all with a serious interest in Paul the interpretation of his letters his appropriation by subsequent thinkers and his continuing significance today In the course of this masterly survey Wright asks searching questions of all of the major contributors to Pauline studies since the Enlightenment **Dictionary of Paul and His Letters** InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume's breadth and usefulness for scholars pastors and students today **Paul and His Letters** Leander E. Keck, 1988-01-01 In this revised and enlarged edition Leander E Keck presents a succinct comprehensive and up to date scholarly interpretation of Paul's theology Keck has revised the volume to account more fully for Paul's understanding of the law and of faith trust He has retained the basic structure of the first edition but now apprises the reader of specific details of his own continuing thinking in light of select scholarly discussions Entirely new to the volume is an appendix Paul's Theology in Historical Criticism a summary of the scholarly effort to account for understand and interpret Paul's theology Gregory the Great and His World R. A. Markus, 1997-10-09 Markus's new and accessible work is the first full study of Gregory the Great since that of F H Dudden 1905 to deal with both Gregory's life and work as well as with his thought and spirituality With his command of Gregory's works Markus portrays vividly the daily problems of one of the most attractive characters of the age Gregory's culture is described in the context of the late Roman educational background and in the context of previous patristic tradition Markus seeks to understand Gregory as a cultivated late Roman aristocrat converted to the ascetic ideal caught in the tension between his attraction to the monastic vocation and his episcopal ministry at a time of catastrophic change in the Roman world The book deals with every aspect of his pontificate as bishop of Rome as landlord of the Church lands in his relations to the Empire and to the Western Germanic kingdoms in Spain Gaul and especially his mission to the English **The Apostle Paul and His Letters** James B. Prothro, 2022-01-07 The letters of the Apostle Paul are central witnesses to the Christian faith and to the earliest history of Christianity And yet when students preachers and others turn to Paul they find many things hard to understand 2 Peter 3:16 in these ancient writings James Prothro's new book aims to help readers see the Apostle's faith and hope at work as he evangelized the nations Steeped in up to date scholarship and a passion for the gospel Paul preached Prothro draws readers into Paul's life and letters in order to help them hear the Apostle's voice The book's chapters offer introductions to Paul's background life and legacy an introduction to ancient letter writing a guide to understanding Paul's theology across the letters a survey of the portrait of Paul in the Book of Acts separate treatments of each letter's background and purpose

treatments of key theological topics in each letter and a thorough outline of each letter showing its arguments and how they make sense Prothro introduces complex matters with clarity balance and an inviting style He not only offers answers but models how to ask questions helping us reason through Paul's letters as ancient documents and as Christian Scripture This book will prove a valuable introduction for those who study teach and preach these biblical books *Understanding Paul and His Letters* Branick, Vincent P.,2009 *Understanding Paul and His Letters* is a seminal text in that it traces the development of the main lines of Paul's theology and faith through each of his letters **Paul and His Letters** F. B. A. Asiedu,2019-11-20 Paul the apostle and historian Flavius Josephus spent considerable parts of their careers away from Jerusalem They cultivated Roman audiences under very different circumstances Paul with his Letter to the Romans and Josephus with the writings he produced in Rome after the Jewish War Curiously Paul's last visit to Jerusalem coincided with Josephus's entry into public life a period about which Josephus is deliberately silent In *Paul and His Letters* Thinking with Josephus F B A Asiedu selects themes from Josephus's life to explore Paul's letters and biography that contribute to his uniqueness in Jewish history He highlights for example the need to read Romans 9-11 as aporetic discourse to appreciate Paul as an existential thinker Asiedu considers among other things the authenticity of Paul's letters and offers an alternative to the prevailing scholarly consensus He also maintains that the Pauline collection in the New Testament first took shape in the house of Gaius in Corinth where Paul composed his Letter to the Romans Asiedu also suggests that the traditional view that Luke the physician wrote the Acts of the Apostles is probably a mistake He argues that Titus the Greek the coworker and friend of Barnabas and Paul most likely authored it **The Letters of Paul, Sixth Edition** Calvin J. Roetzel,2015-10-01 This is the sixth edition of the classic textbook that has been introducing Paul and his writing to seminary and undergraduate students for over forty years Roetzel provides a comprehensive look at Paul in light of recent scholarship and theological understandings of Paul This new edition includes four brand new sections on the following the chronology of Paul's letters Paul's concept of law in the context of messianic expectation the religious and political contexts in which Paul's letters were written and Jewish understandings of Gentiles and Paul's mission to include them among the elect of God This long established textbook is the ideal choice for any student of Paul **Dictionary of Paul and his letters** GERALD F HAWTHORNE,RALPH P MARTIN,DANIEL G REID,2020-05-21 The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology

eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul's theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church

Imagine Paul G. Roger Greene, 2024-10-17 Can the real Paul the apostle live again in a postmodern technological age Paul's ministry stood at the very headwaters of the Christian gospel surrounding Jesus of Nazareth His letters are the earliest documents contained in the New Testament The current work calls upon the reader to actively engage Paul in his context rather than to affirm the assumed theological Paul of later Christian orthodoxy The reader is thus invited to walk with a more real Paul as he may be imagined from the sources we have to think Paul's thoughts with him through his letters and to more fully experience the gospel of God that Paul knew and proclaimed Paul was a man in Christ directly called by God to announce the gospel of God to both Jew and gentile in the midst of a world ruled by Rome He did so through two major campaigns rather than three missionary journeys He wrote pastoral letters to real first century churches The real Paul did not write theology but he rather proclaimed a gospel to a world in search of a soul

The Letters of Paul Calvin J. Roetzel, 1998-01-01 Exploring the sometimes heated exchanges found in the letters of Paul Calvin Roetzel compares Paul's Jewish background and the cultures of his converts Roetzel brings alive Paul's intriguing and sometimes enigmatic personality making his theology as accessible and engaging to Christians today as it was to Christians living in the first century

Paul the Teacher Vincent Etwaroo, 2013 Who would have thought that the great teacher of the Word Paul started out as a persecutor of Christians Arguably the most influential Christian missionary of the early times Paul did not begin preaching the Word of God until after his life changing experience at the road to Damascus where Jesus appeared to him in great light striking him blind In Paul the Teacher Vincent Etwaroo shows how the great light that struck Paul blind was also the light that opened his eyes to God's truth how he emerged from the incident a new man with a new sight and new purpose and how the Holy Spirit's constant guidance in his missionary journeys led him to transform the lives of many

St. Paul's Ephesus Jerome Murphy-O'Connor, 2015-03-15 In this new volume renowned scholar Jerome Murphy O'Connor does for Ephesus what he did for Corinth in his award winning St Paul's Corinth He combs the works of twenty six ancient authors for information about ancient Ephesus from its beginnings to the end of the biblical era Readers can now picture for themselves this second of the two major centers of Paul's missionary work with its houses shops and monuments and above all the world renowned temple of Artemis After presenting the textual and archaeological evidence Murphy O'Connor leads

the reader on a walk through St Paul's Ephesus and describes the history of Paul's years in the city Although Ephesus has been a ruin for many hundreds of years readers of this book will find themselves transported back to the days of its flourishing

Tracing God's Story Jon Nielson, 2024-07-31 An Accessible Guide to Biblical Theology by Pastor Jon Nielson The Bible is comprised of 66 distinct books by 40 different authors yet it tells one story How do the events from the beginning of creation to the foundation of the church weave into one cohesive narrative Through the study of biblical theology we can gain a better understanding of how the Bible presents a clear and consistent storyline of the creator God and his redemptive work in the world Part of the Theology Basics series Tracing God's Story makes biblical theology clear meaningful and practical for those looking for a highly accessible guide to studying God's word Author and pastor Jon Nielson covers a wide range of stories from Genesis to Revelation offering a big picture application verse by verse analysis and a suggested memory verse for each Scripture passage Ultimately readers will be encouraged to passionately study God's great story until the day they join in the final chapter Clear Language and Easy to Follow Methods Ideal for new Christians students or anyone wanting a highly accessible guide to biblical theology perfect for individual or group study Applicable Each Scripture passage is accompanied by a big picture application verse by verse analysis and a suggested memory verse Part of the Theology Basics Series A collection of books and study guides to introduce students to systematic theology biblical theology and biblical interpretation Companion Workbook and Video Series Sold Separately Invites further interaction with the text to integrate study with application

Introducing the New Testament Mark Allan Powell, 2018-05-15 This lively engaging introduction to the New Testament is critical yet faith friendly lavishly illustrated and accompanied by a variety of pedagogical aids including sidebars maps tables charts diagrams and suggestions for further reading The full color interior features art from around the world that illustrates the New Testament's impact on history and culture The first edition has been well received over 60 000 copies sold This new edition has been thoroughly revised in response to professor feedback and features an updated interior design It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds features dozens of new works of fine art from around the world and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources

The Historical Reliability of the New Testament Craig L. Blomberg, 2016-11 This book is a fully stocked toolbox for anyone interested in whether we can still trust the New Testament in the twenty first century
