later be abandoned by the CIA after he made the outrageous claim that he was actually Tsarevich Alexei Nikolaevich of Russia the last remaining member of the Romanov Russian royal family and therefore entitled to the lost treasures of the Tsar Goleniewski's increasingly fantastical claims led to him becoming embroiled in a bizarre demi monde of Russian exiles anti communist fanatics right wing extremists and chivalric orders with deep historical roots in America's racist and antisemitic underground This fascinating and revelatory biography will be of interest to students and researchers of the Cold War intelligence history and right wing extremism as well as general readers with an interest in these intriguing subjects

Roynesdal,2006-12-01 The unconventional Phillip Michael Carnegie a cross between Lieutenant Columbo and Jessica Fletcher is the best detective in the Honolulu Police Department and his extraordinary skills are put to the test in John A Roynesdal's *Living in Darkness* A twisted trail is discovered that takes Carnegie from military encampments on the island of Oahu up onto the volcanic slope that overlooks Honolulu and down into the bowels of Hotel Street in Chinatown and into the world of young gay runaways Carnegie has his suspicions of who is to blame      **A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit** A.S.,2014-01-13 A Corrupt Tree is a unique extensively researched four volume expos of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church's fundamental characteristic has been its self serving abuse of religious corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church's ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally

the unholy behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world s future the Catholic Church must change     The Official Catholic Directory ,1921     *The Table Talk and Omniana of Samuel Taylor Coleridge* Samuel Taylor Coleridge,1884     Mystery Fanfare Michael L.
